

ORIGINAL:

(60 sec) Sportsman of Colorado Radio is proud to be brought to you by the Colorado Wildlife Council. Dedicated to educating the public about the importance and benefits of scientific wildlife management, conservation, and wildlife-related recreational opportunities - specifically hunting and fishing. The Council helps ensure that our outdoor traditions, natural resources, and the 960 different species Colorado Parks & Wildlife manages, are preserved for generations to come. Thanks to their support, we're able to bring you the latest news, stories, and insights from Colorado's great outdoors every week on KLZ 560. [Please know that the views and opinions expressed are solely those of the participants]

(30 sec) Sportsman of Colorado Radio is brought to you by the Colorado Wildlife Council. The Council works to educate the public on the importance of scientific wildlife management, conservation, and the vital role hunting and fishing play in our state. Their mission is to ensure that Colorado's wildlife, wildlife-related recreational opportunities, and traditions of outdoor recreation are preserved for future generations.
