Budget Report

The remaining budget at the start of the meeting was \$15,000.

New Business

Bosque del Osos and Spanish Peaks SWA Herbicide-

Mike Smith presented an herbicide project to treat the Bosque del Oso and Spanish Peaks SWAs. The chemical will control the invasion and spread of noxious weeds on recently treated timber projects. The disturbed ground is vulnerable to noxious weed invasion. Aggressive treatment will maintain forest health and allow native forage to be established. Both SWAs provide critical big game habitats and help reduce game damage pressure on neighboring private lands.

The project was approved for \$10,000 to purchase herbicide to treat the Bosque del Oso and Spanish Peaks SWAs. Glenda Torres provided her proxy in support of the project.

Remaining Committee Business
