COLORADO PARKS AND WILDLIFE - Deer DAUs

April 2018

Overview of HMP Planning Process

Lean Process (2017)

- Improve public involvement
- Set # plan completions/revisions needed per year

Proposed Timeline: All Plans Up to Date by 2026

- >200 plans require updating every 10 years
- With 2-Step Approval Process,
>40 presentations every year
- Need 2X this rate to “catch up” by 2026

Herd Management Plan Forecast

January 2020

- 6 plans

March 2020

- 4 plans

May 2020

- 6 plans

June 2020

- 15 plans

Alternatives for PWC HMP Approval

1. Continue to present plans at the PWC meetings and then final on consent agenda at following meeting (4 hours - next 4 mtgs)
2. Noticed call/webinar
 - Biologists present remotely
 - Commissioners/public participate remotely
 - Plans either finalized on the consent agenda or presented at following meeting
3. Develop a sub-group of commissioners to review plans
