**TO:** Members of the Colorado Parks and Wildlife Commission  
**FROM:** Krista Heiner, Regulations Manager  
**RE:** Chapter P-7 Final Regulations, March 2020 Parks and Wildlife Commission Meeting  
**DATE:** March 6, 2020

Final regulatory changes for Chapter P-7 - "Passes, Permits and Registrations" 2 CCR 405-7 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) are summarized below. If there are questions about the agenda item below, or if additional information is needed, please feel free to contact me at 303-866-3203 x4609.

**Agenda Item 10: Chapter P-7 - "Passes, Permits and Registrations" 2 CCR 405-7 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter P-7**

**Expanding the Division's ability to issue Special Activity Permits to commercial users (p. 8-9, 13 in Chapter P-7 and p. 3 in Chapter P-1)**

Previous regulations in #703(1) authorized only noncommercial permits. There was a lack of regulatory authority to issue special activities permits for commercial events and activities. This resulted in Park Managers relying on agreements or contracts to authorize the event and unnecessarily exposing CPW to claims by the organizer of the event. Changes to #703(1) and #100(C)(10)(c) would enable Park Managers to issue a permit regardless of whether the activity was commercial or noncommercial in nature. The proposed changes also ensure consistency between the permit appeal process and the State Administrative Procedures Act and include a filing fee schedule for the Arkansas Headwaters Recreation Area.

**FINAL REGULATIONS – CHAPTER P-7 - PASSES, PERMITS AND REGISTRATIONS**

**ARTICLE I - GENERAL PROVISIONS AND FEES RELATING TO PASSES, PERMITS AND REGISTRATIONS**

Owners of school buses, passenger vans and buses owned by a nonprofit corporation or organization as defined in 13-21-115.5 (3), C.R.S., and passenger vans and buses owned by any government agency are limited to purchasing no more than two additional annual affixed vehicle passes at a reduced fee per each annual affixed vehicle pass purchased at the full fee. For the purpose of this regulation, "household" is defined as persons living at the same address. "Owner" is defined as the person whose name appears on the registration of both the original vehicle for which an annual affixed pass was purchased and the additional vehicle, or a person who can provide proof of ownership of the original and the additional vehicle at a designated Division office.

  8. If a state parks annual transferable pass is lost or destroyed during the period for which it is valid, the person whom the pass was issued may obtain a duplicate thereof, upon signing an affidavit where and by whom it was issued and the circumstances under which it was lost or destroyed. Only one duplicate state parks annual transferable pass will be issued per period for which the original pass was valid.
  9. A daily park pass, valid for one day only, shall authorize entrance by motor vehicle to the state recreation areas and state parks by the user and all passengers in the motor vehicle to which the pass is affixed during the day used and until 12:00 P.M. (noon) the following day.

The applicant shall be responsible for the actual costs associated with this consultant review.
- 2. The decision of whether to approve special activity permits will be made by the Park Manager or Operational Manager when it is determined that the special activities will not involve the use of a park or recreation area by a group of persons totaling more than the park or recreation area's established carrying capacity. Otherwise, the Regional Manager shall make the decision of whether to approve the permits. The decision of whether to approve special activities permits will be based on the impact on park values and/or the health, safety and welfare of park visitors and other affected persons, and also will be based on:
  - a. The nature of the park or recreation area and the types of recreational opportunities/resources it is intended to provide the public
  - b. The carrying capacity of the facility or facilities to be utilized during the special activity compared to:

- (1) The total number of park visitors (including participants and spectators in the special activity) expected to utilize such facilities; and
    - (2) The total number of vehicles, vessels or persons expected to participate in or be attracted to such activities.
  - c. The extent to which the special activity will contribute to the variety of outdoor recreational opportunities available to the people of this state and its visitors.
  - d. The extent to which the activity places an administrative burden on the staff of the park area.
3. Whenever it is determined that any special activity will involve the use of a park or recreation area by a group of persons totaling more than the park's or recreation area's established carrying capacity a thirty day written public comment period and a public meeting shall be required prior to the granting of a permit. The Park Manager or Operational Manager shall publish notice of both the written comment period and the meeting at least once in a newspaper of general circulation in the county or counties wherein said park or recreation area is located. The meeting shall be conducted by the Division representative responsible for the permit issuance decision and shall be held either at the park or recreation area, or within a county in which the park or recreation area is located. Such public meeting is not intended to be an adjudicatory licensing hearing under the provisions of the Colorado Administrative Procedures Act, but only as an opportunity for public comment.
  4. ~~Every decision respecting the grant, denial, revocation, suspension, annulment, limitation or modification of a special activity permit is subject to § 24-4-104, C.R.S. An application for a permit shall be acted upon promptly, and the applicant shall be notified immediately after the taking of action on the application. If the application is denied, the applicant shall be notified in writing within five working days of such action. Such written notification shall include the basis for the denial. The applicant may submit a written appeal of a denial to the Division Director within sixty days of receipt of the denial, requesting a hearing pursuant to section 24-4-104(9), C.R.S., if the date of the proposed special activity is to occur within the sixty day appeal period, then the applicant shall submit any written appeal as soon as practicable so as to allow a reasonable time for the Director to act upon the appeal. Absent special circumstances justifying a later submittal and depending upon the nature of the proposed special activity and the amount of preparation required on the part of the Division for such activity, generally an appeal submitted less than twenty-five days prior to the proposed special activity will be deemed untimely.~~
  5. Upon written request, the Division shall waive the requirement for a parks pass for those vehicles when all the occupants are entering state recreation areas and state parks for the purpose of administering permitted special activities and not for the purpose of their own recreation.
  6. For special activities where the Division representative responsible for the permit issuance decision determines it will be a greater administrative ease for the Division to administer the activity, an alternative fee of \$4.00 per person per day may be charged for admission of persons attending or participating in the special activity. This permission shall apply only to groups of twenty or more persons.
  7. Nothing in this regulation impairs the specific authority of the Commission pursuant to 33-10-107(1)(d) C.R.S. to enter into cooperative agreements for the development and promotion of Division programs, or the general authority of the Commission pursuant to 33-10-106 C.R.S. to manage all state recreation areas and state parks for both commercial and noncommercial purposes. The authority granted to park managers and regional managers is intended to allow them to address events of limited and local impact, and is specifically intended to coexist with, and not to exclude, the Commission's statutory authorities.

2. Special use permit procedure

A. Permit numbers

- (1) Colorado Parks and Wildlife deems hunting activities on the Green Ranch portion of Golden Gate Canyon State Park as those which currently require "special planning and/or scheduling for proper management." Therefore, the Division issues special use permits to visitors wishing to engage in hunting on the Green Ranch portion of the park.

- (2) The maximum number of approved hunting special use permits (HUPs) for the Green Ranch on Golden Gate Canyon State Park at any one time during the 2003 big game season is as follows:

B. Application and permit fees

- (1) Each applicant must submit a \$10.00 application fee for each application submitted.

- (4) If an applicant who is successful in the drawing (see section c.7) fails to pay the special use permit fee within 10 days prior to the start of the applicant's season, a permit will not be issued to them. The next qualified applicant on the alternate list (see section c.8) will be offered an HUP.
- (5) If, at a later date, an applicant's payment of the HUP fee is found to be insufficient due to payment stops, insufficient funds or any other reason, an HUP will not be issued to them. If an HUP had been issued prior to CPW discovering the insufficient payment, that permit will be voided.

C. Allocation of permits

- (1) Advertising: it shall be the responsibility of the park manager or his/her designee to advertise the availability of the HUPs for the Green Ranch through normal media and internet formats.
- (2) Application requests: requests for the application for the HUP for the Green Ranch can be made by sending a self-addressed stamped envelope (SASE) to Golden Gate Canyon State Park, Attn: Green Ranch Hunt: 92 Crawford Gulch Road, Golden, Colorado 80403, phone: 303 582-3707. - (6) If additional information is needed to process the permit application, the park manager or his/her designee will make reasonable attempts to contact the applicant to rectify the application.
- (7) Drawing: the drawing will be held no later than the first Sunday in August. There will be one random drawing for each of the six seasons on the Green Ranch: pre-muzzleloading archery, muzzleloading, post-muzzleloading archery, 1st separate limited elk, 2nd combined deer and elk, 3rd combined deer and elk, and 4th combined deer and elk. Permits will be issued up to the numbers outlined in this regulation, #711.2.a.
- (8) Up to fourteen names will be drawn for each of the hunting seasons; a maximum of ten for the "hunter list" and four "alternates" for each season. If one of the hunters drawn does not wish to accept the HUP, an alternate will be contacted in the consecutive order that they were drawn.

**Chapter P-7 - Passes, Permits and Registrations**

**Basis and Purpose:**

The statements of basis and purpose for these regulations can be viewed and copies obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager, Policy and Planning Unit, 1313 Sherman, Room 111, Denver, CO 80203.

**Expanding the Division’s ability to issue Special Activity Permits to commercial users**

Previous regulations in #703(1) authorized only noncommercial permits. There was a lack of regulatory authority to issue special activities permits for commercial events and activities. This resulted in Park Managers relying on agreements or contracts to authorize the event and unnecessarily exposing CPW to claims by the organizer of the event. Changes to #703(1) and #100(C)(10)(c) would enable Park Managers to issue a permit regardless of whether the activity was commercial or noncommercial in nature. The proposed changes also ensure consistency between the permit appeal process and the State Administrative Procedures Act and include a filing fee schedule for the Arkansas Headwaters Recreation Area.

**The primary statutory authority for these regulations can be found in § 24-4-103, C.R.S., and the state Parks Act, §§ 33-10-101 to 33-33-113, C.R.S., and specifically including, but not limited to: §§ 33-10-106 and 33-10-107, C.R.S.**

**EFFECTIVE DATE - THESE REGULATIONS SHALL BECOME EFFECTIVE MAY 1, 2020 AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL REPEALED, AMENDED OR SUPERSEDED.**

**Expanding the Division’s ability to issue Special Activity Permits to commercial users**

Previous regulations in #703(1) authorized only noncommercial permits. There was a lack of regulatory authority to issue special activities permits for commercial events and activities. This resulted in Park Managers relying on agreements or contracts to authorize the event and unnecessarily exposing CPW to claims by the organizer of the event. Changes to #703(1) and #100(C)(10)(c) would enable Park Managers to issue a permit regardless of whether the activity was commercial or noncommercial in nature. The proposed changes also ensure consistency between the permit appeal process and the State Administrative Procedures Act.

**EFFECTIVE DATE - THESE REGULATIONS SHALL BECOME EFFECTIVE MAY 1, 2020 AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL REPEALED, AMENDED OR SUPERSEDED.**
