TO: Members of the Colorado Parks and Wildlife Commission
FROM: Krista Heiner, Regulations Manager
RE: Chapter W-9 Final Regulations, March 2020 Parks and Wildlife Commission Meeting
DATE: March 6, 2020

Final regulatory changes for Chapter W-9 - "Wildlife Properties" 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) are summarized below. If there are questions about the agenda items below, or if additional information is needed, please feel free to contact me at 303-866-3203 x4609.

Agenda Item 13: Chapter W-9 - "Wildlife Properties" 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

- **Authorizing the Division Director to execute short-term housing leases (p. 7)**
Previously any new housing lease for staff had to go to the Leadership Team and the Parks and Wildlife Commission for approval. This approval process usually took two months or more and was not practical for short-term housing needs. The regulations in chapter W-9 (#900.J) and P-1 (#104.b) have been changed to allow new housing leases that do not exceed 12 months be executed solely by the CPW Director.
- **Adjusting regulations related to the fishing closure at Banner Lakes State Wildlife Area (SWA) during waterfowl hunting seasons (p. 9)**
Previous regulations prohibited fishing at Banner Lakes SWA from the opening of the first regular duck season through the last day of the regular waterfowl season. However, there was a high violation rate among anglers, especially during the month of October due to lack of knowledge about the dates of the duck-hunting season. The regulation (901.B.8.h) has been changed to specify that fishing is prohibited from October 1 to the end of February for additional clarity.
- **Changing the hours of operation for the Basalt State Wildlife Area public shooting range (p. 9-10)**
Prior to these changes, the hours for the Basalt SWA public shooting range were 7 am until 7 pm, Monday through Friday, and from 9 am until 5 pm on Saturday and Sunday. These hours did not take into account seasonal daylight hours. Additionally, facilities and infrastructure associated with the power companies are located behind the shooting range and staff frequently had to arrange temporary closures to ensure the safety of power company personnel. As a result, the regulations in #901.B.9 have been changed to accommodate two sets of hours of operation and a predictable day of closure to accommodate maintenance. Summer hours (March 15 - October 14) are from 7 am until 7 pm on Monday, Tuesday, Thursday and Friday and 9 am - 5 pm on Saturday and Sunday. Winter hours (October 15 - March 14) are from 9 am until 4 pm on Monday, Tuesday, Thursday and Friday and 9 am until 4 pm on Saturday and Sunday. Wednesday is closed for maintenance.
- **Allowing public use of the Uncompahgre River corridor of Billy Creek SWA for hunting, fishing and trapping during the current seasonal closure period of January 1 through April**

30 annually (p. 11)

A winter closure was enacted at Billy Creek SWA in the late 1990s, except waterfowl hunting and fishing have been allowed along 2/3-mile stretch of the Uncompahgre River. Human activity along the river in the upland areas of the SWA has not disturbed the wintering big game herds. Regulations have been updated to formally allow this access for hunting, fishing and trapping recreation only along the river corridor during the seasonal property closure period of January 1-April 30. Access is from the western portion of the Uncompahgre River corridor from US Hwy 550 to 100 feet on the eastern bank of the river. Conversely, the viewing area is experiencing more problematic non-wildlife related activity, which is affecting the wintering wildlife. To mitigate these issues, access to the viewing area will no longer be allowed from January 1 - April 30.

- **Managing limited hunting access at Collins Mountain Ranch SWA through the Hunter Reservation System (HRS) and adopting property-specific regulations as required in the access easement (p. 17)**
Collins Mountain Ranch SWA has a public access easement, which allows five total hunters each year to hunt, including one antlered deer, one antlered elk and three antlerless elk hunters. CPW and the landowner have cooperatively managed these hunts so they do not conflict with the landowners private hunts. Previously, these hunting opportunities were allocated via an application. To simplify this process, Collins Mountain Ranch SWA has been added to the existing HRS. Additionally, property-specific regulations as required by the access easement have been added (#901.B.51).
- **Adding Crooked Wash Ranch SWA, managing limited hunting access through the HRS and adopting property-specific regulations as required (p. 18)**
Crooked Wash Ranch has an access easement that allows four hunters per year to access the property: two antlerless elk hunters during muzzleloader season and two antlerless elk hunters during first rifle season. Previously, these hunting opportunities were allocated via an application. To simplify this process, Collins Mountain Ranch SWA has been added to regulations and to the existing HRS. Additionally, property-specific regulations as required by the access easement have been added (#901.B.57).
- **Managing limited hunting access at Flanders Ranch SWA through the HRS and adopting property-specific regulations as required (p. 22)**
CPW recently obtained an access easement to Flanders Ranch and added it as a SWA (901.B.79). Previous regulations on big game hunting and waterfowl hunting did not specify HRS requirements. Regulations requiring big game hunting and waterfowl hunting reservations through the HRS have been added. Additionally, other property-specific regulations as required by the access easement have been added, including specifying that one group (four hunters) per day is permitted for waterfowl hunting during established waterfowl seasons and that public boating, launching or recovering boats from the Yampa River is not permitted.
- **Requiring non-exempt boats to launch from the CPW boat ramp at Groundhog Reservoir SWA (p. 25)**
CPW has a perpetual easement for public boating and fishing at Groundhog Reservoir SWA. There have been increasing numbers of landowners launching boats from private property instead of the boat ramp. To minimize the potential of aquatic nuisance species introduction, staff propose requiring all motorized and trailered boats to launch at the CPW boat ramp at Groundhog Reservoir SWA. (901.B.91). Rafts, kayaks, canoes, belly boats and paddleboards are exempt.
- **Allowing night fishing during certain times of the year at Jackson Lake SWA (p. 28)**

Jackson Lake SWA has good fishing access and it was a well-known night fishing destination, but previous regulations prohibited public access from 9:00 pm until 4:00 am. The public has requested night fishing be allowed again. Regulation (901.B.112.a) has been changed to read, “public access is prohibited from 9:00 pm - 4:00 am, except for legal fishing activities.” There is another regulation to keep fishing from interfering with early morning waterfowl hunting (901.B.112.d).

- **Requiring hunting reservations for weekends and holidays during the teal season and the first split of the regular duck season at Jackson Lake SWA (p. 28)**
Previously, waterfowl hunters were not required to have reservations to hunt at Jackson Lake SWA, which resulted in more hunters than the available hunt areas could accommodate regulatory violations and public safety concerns. This was especially true during the weekends of the teal season and first split of the regular duck season. Regulation 901.B.112.h has been changed to require reservations on Saturdays, Sundays and legal holidays to hunt waterfowl during the teal season and the first split of the regular duck season. Reservations are valid until sunrise and are limited to three per hunter annually. Reservations are not required Monday through Friday, except legal holidays. Reservations must be made in accordance with #504.l. additionally, regulation 901.B.112.i was added to require waterfowl hunters to check in and out at the check station. Hunters may not check in until 4:00 am and can only hunt the area reserved. Hunters may check in on a first-come, first-served basis after a hunter checks out or after sunrise if a hunter has not checked in. There are maximum of four hunters allowed per hunting area.
- **Adding Louisiana Purchase Ranch SWA, managing limited hunting access through the HRS and adding property-specific regulations as required (p. 33)**
In 2016, CPW obtained an access easement with the Louisiana Purchase Ranch, to allow six hunters per year to access the property in the second or third rifle seasons. This includes one hunter of antlered deer, two hunters of antlerless deer, one hunter of antlered elk and two hunters of antlerless elk for specific hunt codes. Previously, these hunting opportunities were allocated via an application. To simplify this process, Louisiana Purchase Ranch SWA has been added to regulations and to the existing HRS (#901.B.141). Additionally, property-specific regulations as required by the access easement have been added.
- **Prohibiting the discharge of firearms at Mount Shavano SWA from the upper end of the Mount Shavano State Fishing Unit (SFU) downstream to the Hwy 291 bridge crossing (p. 35)**
Prior to these changes, discharging firearms was prohibited, except when hunting, from the Hwy 291 Bridge upstream to the property boundary on the Mount Shavano SWA. However, the upper end of the Mount Shavano SFU downstream to the Hwy 291 Bridge is near a residential area. Due to safety concerns, hunting on this portion of the Mount Shavano SWA has been limited to hand held archery equipment and falconry.
- **Managing limited hunting access for the Grand Valley Wildlife Area Special Archery Hunts through the HRS and adopting property-specific regulations as required (p. 36-37, 49-50)**
CPW has been operating special archery hunts in several Grand Valley area wildlife areas, including Tilman Bishop SWA, Orchard Mesa SWA and Grand Junction Wildlife Area (Bureau of Reclamation), in conjunction with the Bureau of Reclamation since the early 2000. The access agreement allows for one hunter per week during regular archery season and one hunter per property for second and third rifle seasons. Previously, these hunting opportunities were allocated via an application. To simplify this process, regulations requiring big game hunting reservations through the HRS and additional property-specific regulations as required by the access easement have been added for Tilman Bishop SWA (#901.B.235) and Orchard Mesa SWA (#901.B.163).

- **Managing limited hunting access at Pot Creek SWA through the Hunter Reservation System (HRS) and adopting property-specific regulations as required in the access easement (p. 39)**
CPW manages a limited public access hunt on Pot Creek SWA. Currently four cow elk hunters are allowed each year. Previously, these hunting opportunities were allocated via an application. To simplify this process, Pot Creek SWA has been added to the existing HRS. Additionally, property-specific regulations as required by the hunting access easement have been added (#901.B.175).
- **Adding property-specific regulations for Pothook Ranch SWA Fishing Easement (p. 39)**
In early 2019, CPW acquired perpetual public access through a conservation easement on Pothook Ranch SWA. The conservation easement allows public access to this property for the purposes of hunting (limited), fishing, and wildlife viewing in perpetuity. Public hunting access is currently managed through the property's enrollment in CPW's Ranching for Wildlife (RFW) Program as part of Snake River Compact RFW Ranch, and public access for fishing and wildlife viewing is open year-round. Property specific regulations have been added to meet terms of the property's conservation and access easement agreements. Additionally, since Slater Creek runs adjacent to CR 1, restricting public fishing and wildlife viewing access to foot-access only, from CR 1 to within 20 feet of the high water line of the west bank of Slater Creek, minimizes public safety risks and still allows quality limited big game hunting on the property.
- **Removing Urad Lake SWA and Valmont Reservoir Administrative Area from regulations (p. 51)**
The Urad Lake SWA lease terminated in March 2018. As a result, it has been removed from regulations. The Valmont Reservoir Administrative Area does not allow public access, and it has been removed from regulations for clarity.
- **Shortening the Gunnison Sage-grouse viewing season at Waunita Watchable Wildlife Area (p. 52)**
Waunita Watchable Wildlife Area is becoming increasingly popular for viewing Gunnison Sage-grouse, but there have been concerns about decreased use of the traditional lek, birds shifting display areas and breeding activities further from the developed watchable site. A subcommittee was formed to consider impacts and evaluate alternatives, with representatives from CPW, Gunnison County, U.S. Fish and Wildlife Service, U.S. Forest Service, stock growers, Sisk-a-dee/Western Colorado University, and an at-large member. The preferred alternative is that the site will be open from April 1 - April 30, except during the second full week of the month. This will reduce the total viewing days from 45 to 23, but provide a period of no disturbance from the viewing site during the typical peak of breeding activity. It also allows for continued public viewing opportunity in a controlled manner. The regulation change will be effective June 1, 2020.
- **Adding property-specific regulations on Yarmony Ranch SWA (p. 54-55)**
Yarmony Ranch SWA is accessible for big game hunting through an access easement. Hunting is restricted to a limited number of elk, moose and pronghorn hunters through a hand draw process, which is conducted at the CPW Steamboat Springs Service Center. Previously, the only regulations addressed fishing at Yarmony Ranch SWA. Property-specific regulations addressing big game hunting have been added as required by the easement (#901.B.263).
- **Prohibiting camping on State Trust Land (STL) properties for more than 14 consecutive days in a 45-day period or leaving camp unattended for more than 48 hours (p. 55, 60, 72)**
Colorado Parks and Wildlife (CPW) and State Land Board (SLB) staff have increasingly noticed

campers occupying STL properties in excess of 30 days. The extended use conflicts with other uses authorized by the SLB and can lead to unsanitary and unsafe conditions. It is currently prohibited to leave a camp unattended for more than 48 hours and to camp for more than 14 days in a 45-day period on State Wildlife Areas (#900.C.5); however, previous regulations did not address unattended camps or the length of stay at STL properties. A new regulation (#902.C.5) that prohibits leaving a camp, pitched tent, shelter, motor vehicle or trailer unattended for more than 48 hours or camping or parking a travel trailer or camper on any one State Trust Land Public Access Program property for more than 14 days in any 45-day period. In addition, the references to the 14-day camping limit in the East Carter Mountain and West Carter Mountain STL regulations (#903.46 and #903.173) have been removed for consistency.

- **Permitting hunting from August 15 to the end of February at Box Creek STL (p. 58)**
With the increase of pronghorn to the Upper Arkansas Valley, the public is asking for the start date of the hunting season on Box Creek STL to begin on Aug. 15, which is the opening of the over-the-counter (OTC) archery season. This would increase the total area in which archery hunters could pursue pronghorn. Regulation #903.A.20 has been amended to allow access to Box Creek STL from August 15 through the end of February.
- **Merging Nee Noshe STL and Neesopah STL with Queens STL and removing property-specific regulations for Nee Noshe and Neesopah STLs (p. 66)**
The Nee Noshe STL parcel was previously enrolled for waterfowl hunting only, with an open period of November 1 to March 31, and required a hunter to check in at the Queens SWA check station. The Neesopah STL was previously enrolled for hunting and fishing access from September 1 to February 28, and during the waterfowl season also required a hunter to check in at the Queens SWA check station. Due to prolonged drought, these reservoirs are low to dry and do not hold waterfowl numbers as they did in the past. Low numbers of waterfowl demanded a change in management, and the check station became a self-service operation and no longer required hunters to check in for the Nee Noshe and Neesopah parcels. In 2019, the Public Access Program on STL properties was expanded to include more acres around the Queens SWA, including the previous Nee Noshe and Neesopah parcels. In agreement with STL managers, it was decided to manage all of these parcels as one under the new name of the Queens STL. It was also agreed that the property specific regulations no longer served a purpose, and the Queens STL could be managed under the standard rules listed in #902.
- **Establishing visitor management regulations for Turkey Track Ranch STL (p. 71)**
Parking has been a concern at Turkey Track Ranch STL where hunting pressure is high. In 2019, CPW constructed two additional parking areas, however vehicles continue to park on the sides of the road causing safety concerns and resource impacts. Regulation #903.A.166 has been updated to prohibit access from county roads. Additionally, because the property is primarily used for pronghorn hunting, the access dates have been changed to August 15 through the end of February to accommodate the opening of the OTC archery season. Additionally, to minimize resource impacts, regulations have been added to limit access to foot access only and to require only portable blinds be used.
- **Adding Twenty Mile Pond SWA Fishing Easement to Appendix B.1 (p. 77)**
Twenty Mile Pond SWA Fishing Easement was recently been acquired. It is managed under the standard regulations listed in #900.
- **Necessary corrections or administrative clean-ups to regulations related to waterfowl hunting in the Grand Valley (throughout)**
Waterfowl hunting regulations pertinent to the Grand Valley reside in three separate chapters of CPW regulations. As a result, waterfowl hunters need to look in several different places to

find specific waterfowl hunting regulations as they pertain to the Grand Valley. Additionally, there are similar regulations in these chapters that are duplicative. Regulations related to Grand Valley waterfowl hunting, SWAs, and parks properties have been edited, removed, and simplified where needed. Additionally, the updates to these regulations address reserving hunting blinds through the HRS.

FINAL REGULATIONS - CHAPTER W-9 - WILDLIFE PROPERTIES

ARTICLE I - GENERAL PROVISIONS

#900 - REGULATIONS APPLICABLE TO ALL WILDLIFE PROPERTIES, EXCEPT STATE TRUST LANDS

A. DEFINITIONS

1. "Aircraft" means any machine or device capable of atmospheric flight, including, but not limited to, airplanes, helicopters, gliders, dirigibles, balloons, rockets, hang gliders and parachutes, and any models thereof.
2. "Water contact activities" means swimming, wading (except for the purpose of fishing), waterskiing, sail surfboarding, scuba diving, and other water-related activities which put a person in contact with the water (without regard to the clothing or equipment worn).
3. "Youth mentor hunting" means hunting by youths under 18 years of age. Youth hunters under 16 years of age shall at all times be accompanied by a mentor when hunting on youth mentor properties. A mentor must be 18 years of age or older and hold a valid hunter education certificate or be born before January 1, 1949.

B. Public Access to State Wildlife Areas

1. Only properties listed in this chapter are open for public access. The Director may open newly acquired properties for public access for a period not to exceed nine (9) months pending adoption of permanent regulations. In addition, the Director may establish and post restrictions based upon consideration of the following criteria:
 - a. The location and size of the area.
 - b. The location, type and condition of roads, vehicle parking areas and the number and type of sanitary facilities available.
 - c. The number of users and vehicles the area will tolerate without significant degradation to wildlife resources, and public or private property.
 - d. Opportunity to assure public safety, health and welfare.
2. If a property is opened for public access pursuant to this provision, the property shall be posted with a list of applicable access restrictions. It shall be unlawful for any person or vehicle to enter any such property, except in accordance with its posting and the applicable restrictions.

C. Prohibited Activities

Except as specifically authorized by contractual agreement, official document, public notice, permit or by posted sign, the following activities are prohibited on all lands, waters, the frozen surface of waters, rights-of-way, buildings, and other structures or devices owned, operated, or under the administrative control of Colorado Parks and Wildlife:

1. To enter, use, or occupy any area or portion thereof for any purpose when posted against such entry, use, or occupancy.
2. To enter, use, or occupy any area for any commercial purpose or to conduct land, water, oil, gas, or mineral investigations, surveys, or explorations of any kind.

3. To operate any form of vehicle (motorized or non-motorized) except on established roads or within designated camping or parking areas. All motor vehicles and the operators thereof must be in compliance with all Colorado statutes and regulations pertaining to motor vehicle operation.
4. To operate a motor vehicle in excess of posted speed limits or in excess of 25 miles per hour where not posted.
5. To leave a camp, pitched tent, shelter, motor vehicle, or trailer unattended for more than 48 hours, or to camp or to park a travel trailer or camper on any one state wildlife area for more than 14 days in any 45-day period.
6. To build, erect, or establish any permanent structure or to plant any vegetation. Only portable blinds or tree stands and steps may be erected by the public on state wildlife areas. No nails may be driven into trees. Portable blinds or tree stands intended for use to hunt any big game or waterfowl during an established season may be erected on state wildlife areas no earlier than 30 days prior to the season in which they are used. All man-made materials used for blinds or tree stands during big game or waterfowl seasons must be removed within 10 days after the end of the season in which they are used. Any other portable blind or tree stand used for any other purpose must be removed at the end of the day in which they are used. The Customer Identification Number of the owner and the date(s) to be used must be displayed on the outside of all portable blinds and on the underside of all tree stands in a readily visible area. However, the erection or placement of any blind or tree stand by any person does not reserve the blind or tree stand for personal use. All such blinds and tree stands remain available for use to the general public on a first come, first-served basis.
7. To remove, modify, adjust, deface, destroy, or mutilate any building, structure, water control device, fence, gate, poster, notice, sign, survey or section marker, tree, shrub or other vegetation or any object of archaeological, geological, or historical value or interest.
8. To litter in any form, to leave fish, fish entrails, human excrement, waste water, containers or cartons, boxes or other trash, garbage or toxic substance on any area or to bring any household or commercial trash, garbage or toxic substance to a Division-controlled area for disposal, or to dump trailer waste into any toilet or sanitary facility.
9. To set or build a fire without provision to prevent the spreading thereof, or to leave a fire unattended.
10. To release or allow livestock to graze or range on any area, except that horses, mules, llamas, and burros may be used when in direct association with wildlife recreational activities.
11. To possess, use or apply explosives (other than lawful firearm ammunition), fireworks, poisons, herbicides, insecticides or other pesticides.
12. To release wildlife or privately-owned game birds, except privately-owned game birds released for field trials, including group dog training, or on those state wildlife areas where release for dog training is specifically authorized in #901.B of these regulations; or to permit dogs, cats, or other domestic pets to run at large (not on a leash) on any area, except dogs lawfully used while actively hunting, or while training dogs for hunting, or during Division licensed field trials.
13. To excavate or dig trenches, holes, or pits.

14. To leave vessels beached, at anchor, moored or docked unattended overnight, except in areas designated for that purpose.
15. To fish from, block or impede any Division-controlled boat ramps or boat docks when in conflict with boaters or as posted.
16. To snorkel, scuba dive, or spearfish with the aid of diving mask, swim fins, snorkel, and/or air tanks, except in waters where swimming is permitted, when location is properly identified by a "divers down flag," and when the scuba diver has a valid S.C.U.B.A. diver's certificate issued by a recognized S.C.U.B.A. training organization.
17. To engage in any unlawful conduct or act as defined in Title 18, C.R.S.
18. To utilize any air or gas inflated floating device as a means of transportation upon or across the surface of the water unless such device is of multi-compartment construction and has a rigid motor mount for those devices propelled by gasoline or electric motors. Single compartment air or gas filled flotation devices are restricted to designated swimming areas.
19. To promote, sponsor, or conduct or participate in boat regattas, paintball shooting, questing, or other non-wildlife oriented activities.
20. To launch or land any aircraft.
21. To leave any decoys or anything used as decoys set up in the field or on the water overnight.
22. To swim, except in designated waters or in association with specifically authorized water contact activities.
23. To discharge a firearm or bow within designated parking, camping, or picnic areas.
24. To possess the following types of ammunition and/or firearms: tracer rounds, armor-piercing rounds, military hardened rounds with explosive or radioactive substances, .50 caliber BMG rounds, or fully automatic firearms.
25. To possess, store, or use hay, straw, or mulch which has not been certified as noxious weed free in accordance with the Weed Free Forage Crop Certification Act, Sections 35-27.5-101 to 108, C.R.S., or any other state or province participating in the Regional Certified Weed Free Forage Program. See Appendix A of this chapter. All materials so certified shall be clearly marked as such by the certifying state or province. Exempted from this prohibition are persons transporting such materials on Federal, State, or County roads that cross Division property; and hay produced on the property where it is being used.
26. Upon notification by authorized Colorado Parks and Wildlife personnel of a violation of any of the above (or any other law of the State of Colorado) and where the unlawful activity is not immediately and permanently discontinued or if it is of a continuing nature, the violator(s) may be required to leave Colorado Parks and Wildlife property for a minimum of 72 hours.
27. To trap, unless such trapping is done in accordance with the provisions of 33-6-204 (General Exemptions), 33-6-205 (Exemptions for Departments of Health), 33-6-206 (Nonlethal Methods Exemptions), #901 and Chapter 3 of these regulations. Persons wishing to use the above-mentioned exemptions must have prior authorization from Colorado Parks and Wildlife.

28. To conduct field trials or group dog training without first obtaining a field trial license, in accordance with the provisions of Chapter 8 of these regulations.
29. Consumption of alcoholic beverages on lands and waters under the supervision, administration, and/or jurisdiction of the Division is permitted with the following exceptions:
 - a. It shall be prohibited to consume alcoholic beverages on any archery or firearm range unless specifically authorized by a concession contract, cooperative agreement or special activities permit, and then only allowed in areas specifically designated by the contract, agreement, or permit.
 - b. It shall be prohibited to sell and/or dispense alcoholic beverages on any lands and waters under the supervision, administration, and/or jurisdiction of the Division unless specifically authorized by a concession contract, cooperative agreement, or special activities permit, and then only allowed in areas specifically designated by the contract, agreement, or permit and the applicant party has obtained all appropriate licenses and permits to sell and/or dispense alcoholic beverages.
 - c. It shall be prohibited to be present on any lands and waters under the supervision, administration, and/or jurisdiction of the Division when under the influence of alcohol or any controlled substance to the degree that may endanger oneself or another person, damage property or resources, or may cause unreasonable interference with another person's enjoyment of any lands or waters under the supervision, administration, and/or jurisdiction of the Division.

D. Limitation of People and Vehicle Usage

1. The Director of Colorado Parks and Wildlife may establish and enforce a limitation not to exceed sixty (60) days, on public occupancy of the land and water areas owned or leased by the Division.

The Director shall use only the following criteria when establishing such limitation:

- ~~d.a.~~ The location and size of the area.
 - ~~e.b.~~ The location, type and condition of roads, vehicle parking areas and the number and type of sanitary facilities available.
 - ~~f.c.~~ The number of users and vehicles the area will tolerate without significant degradation to wildlife resources, and public or private property.
 - ~~g.d.~~ Opportunity to assure public safety, health and welfare.
2. Whenever such limitation is exercised, the area(s) involved shall be posted indicating the specific number of persons or vehicles permitted within the area at all times when such area is posted. It shall be unlawful for any person or vehicle to enter any such area(s) posted as being fully occupied or after being advised by an officer of the Division that the area is full.
 3. The Division may waive these restrictions for daytime use during a specified period of time for organized supervised groups whose numbers exceed the limitations set forth. Written approval must first be obtained from the appropriate Regional Manager.

E. Closure of Properties to Public Use

1. The Director of Colorado Parks and Wildlife may establish and enforce temporary closures of, or restrictions on, lands or waters owned or leased by the Division, or portions thereof, for a period not to exceed nine months, when any one of the following criteria apply:

- a. The property has sustained a natural or man-made disaster such as drought, wildfire, flooding, or disease outbreak which makes public access unsafe, or where access by the public could result in additional and significant environmental damage.
 - b. The facilities on the property are unsafe.
 - c. To protect threatened or endangered wildlife species, protect wildlife resources from significant natural or manmade threats, such as the introduction or spread of disease or nuisance species, changing environmental conditions or other similar threats, protect time-sensitive wildlife use of lands or waters, or facilitate Division-sponsored wildlife research projects or management activities.
2. Whenever such closure is instituted, the area(s) involved shall be posted indicating the nature and purpose of the closure. It shall be unlawful for any person or vehicle to enter any such area(s) posted as closed.

F. Criteria for Activities Requiring Express Authorization - Whenever an activity requires expressed authorization (e.g. target practice) the Division shall grant or deny permission based on consideration of public safety and wildlife resource protection.

G. Commercial Use of State Wildlife Areas

1. Except as provided herein, commercial use of state wildlife areas, including, but not limited to, the provision of any goods or services to members of the general public using the state wildlife area, is prohibited. However, commercial uses of state wildlife areas may be allowed by the Division when:
 - a. such commercial use will not adversely impact wildlife resources or habitat;
 - b. there is a demonstrated need for the goods or services to be provided as part of such commercial use;
 - c. such commercial use will not unreasonably interfere with the primary wildlife related recreational uses of the state wildlife area by members of the general public;
 - d. the state wildlife area, and its existing facilities, can safely accommodate such commercial use; and
 - e. Such commercial uses may be exclusive or nonexclusive, as determined by the Division to be necessary for the proper management of the state wildlife area in light of the criteria set forth above and the compensation provided to the Division.
2. Prior to making any commercial use of a state wildlife area, a person must enter into a commercial use contract with the Division providing for such use. Such contract shall, at a minimum, include provisions regarding:
 - a. the specific goods or services to be provided;
 - b. user number restrictions;
 - c. seasonal or time restrictions;
 - d. record-keeping requirements, including, but not limited to, a requirement that the contractor maintain records regarding the goods and services provided, the date(s) and time(s) the person provided these goods and services on the property, and the number of goods or services provided, by user day, for a period of at least three years. Such records shall be available for inspection by the Division;
 - e. compensation to the Division: a minimum fee equal to 5% of the gross income generated by the activity shall be paid to the Division, but in no event shall any fee for a commercial use contract be less than \$100. The \$100 minimum shall be paid at the time the contract is signed;
 - f. the term or length of the agreement, and a provision providing for cancellation or termination of the agreement for any failure to comply with the terms and conditions of the agreement and any applicable laws;
 - g. any other provision necessary to protect wildlife resources, habitat or public safety, to prevent conflict with primary wildlife related recreational uses of the state wildlife area

by the general public or to properly administer the commercial use and the commercial use contract, including bonding requirements.

3. Incidental commercial services such as the renting of pack animals or their services to remove harvested animals; emergency vehicle repairs or tow services; or other similar incidental services may be provided to wildlife recreational users without a commercial use agreement when the service is relatively infrequent, the provider does not advertise for or solicit business specifically for a state wildlife area and maintains a separate place of business, and the service is not one for which the provider is required by law to obtain a guide or outfitter license.

H. Special (Non-Wildlife Related) Use of State Wildlife Areas

1. Except for uses or activities otherwise specifically prohibited by these regulations, the Division may allow special (non-wildlife related) uses of state wildlife areas. Special uses may only be allowed if:
 - a. such use will not adversely impact wildlife resources or habitat;
 - b. such use will not interfere with wildlife-related recreational uses of the state wildlife area by members of the general public;
 - c. such use is non-commercial in nature; and
 - d. the state wildlife areas, and its existing facilities, can safely accommodate such use.
2. Prior to making any special use of a state wildlife area, a person must enter into a special use agreement with the Division. Such agreement shall, at a minimum, include provisions regarding:
 - a. the nature of the special use;
 - b. user number restrictions;
 - c. time and date restrictions;
 - d. compensation to the Division: A minimum fee of \$100 shall apply to all special use agreements, but in no event shall the compensation received by the Division be less than the costs of administering such use, including, but not limited to, staff time;
 - e. cancellation or termination of the agreement for any failure to comply with the terms and conditions of the agreement and any applicable laws; and
 - f. any other provision necessary to protect wildlife resources, habitat or public safety, to prevent conflict with primary wildlife related recreational uses of the state wildlife area by the general public or to properly administer the special use and the special use agreement, including bonding requirements.

I. Utility and Road Easements

1. The Director may grant easements, for a term not to exceed twenty-five (25) years, on properties owned in fee title by the Division after consideration of the following:
 - a. financial consideration for the easement represents fair market value and is no more than \$100,000;
 - b. the easement is customary or minor in nature, or is a replacement, modification or confirmation of an existing easement; and
 - c. the easement is not detrimental to wildlife habitat, water resources, or the operation of a hatchery, fish rearing facility or administrative facility and is in the public interest.

J. Leases

1. The Director may execute documents related to existing leases wherein the Division is either the lessor or lessee, after consideration of the following:
 - a. the document is a renewal, extension or amendment of an existing lease;

- b. the renewal or extension is for a term not to exceed twenty-five (25) years;
- c. total consideration for the entire potential term of the renewal, extension or amendment represents fair market value and is no more than \$100,000; and
- d. the renewal, extension or amendment supports, protects, enhances or is not detrimental to wildlife habitat, water resources or the operation of a hatchery, fish rearing facility or administrative facility and is in the public interest.

2. The Director may execute a new lease for staff housing for a term not to exceed twelve (12) months.

ARTICLE II - PROPERTY-SPECIFIC PROVISIONS

#901 - PROPERTY-SPECIFIC REGULATIONS

See Appendix B for a list of properties without property-specific regulations, to which only restrictions in #900 apply)

A. On all Division properties which have reservations available or required, those reservations may be made by phone or online (cpw.state.co.us). Reservations for small game and waterfowl hunting may not be made more than 14 days in advance of the hunt date, nor after 12:00 noon on the day before the hunt date. Reservations for big game hunting may not be made more than 45 days in advance of the start of the season for which the reservation is being made. Unless otherwise specified, reservations for big game hunting are valid throughout the season designated by the license. Hunters who wish to cancel a reservation must do so no later than 12:00 noon on the day before the hunt date. Failure to hunt a reserved area without prior cancellation, or follow check station procedures, may cause forfeiture of the privilege to make reservations for the remainder of the hunting season. Hunters are limited to a maximum of one reservation per hunt date. Hunters must possess a valid license for the species to be hunted in order to make a reservation. Reservations are not transferable. The individual named on the reservation must be at the property on the day of the hunt. Hunters with reservations may only hunt the hunt area specified on the reservation. Any exceptions to the above restrictions will be listed under property specific regulations.

ARTICLE III - STATE TRUST LANDS

I. #902 REGULATIONS APPLICABLE TO ALL STATE TRUST LANDS LEASED BY COLORADO PARKS AND WILDLIFE

A. DEFINITIONS

1. "Youth mentor hunting" means hunting by youths under 18 years of age. Youth hunters under 16 years of age shall at all times be accompanied by a mentor when hunting on youth mentor properties. A mentor must be 18 years of age or older and hold a valid hunter education certificate or be born before January 1, 1949.

B. Public Access to State Trust Lands Leased by Colorado Parks and Wildlife

1. Public access is prohibited from March 1 through August 31, unless otherwise posted.
2. All newly enrolled properties are closed to public access until September 1 of the year of enrollment, unless otherwise posted.
3. Public access is prohibited from one-half (1/2) hour after sunset to one-half (1/2) hour before sunrise, except as posted, in accordance with the lease agreement with the State Land Board.
4. Public access is restricted to hunting, fishing, and watchable wildlife activity.

C. Prohibited Activities

Except as otherwise provided in these regulations, the following provisions apply to all State Trust Lands leased by Colorado Parks and Wildlife:

1. It is unlawful for any person to enter, use or occupy any area or portion thereof for any purpose when posted against such entry, use or occupancy.
2. Motorized vehicle use is restricted to designated roads.
3. Littering is prohibited. All trash must be packed out by State Trust land users.
4. Camping and fires are prohibited, unless otherwise posted.
5. Where camping is permitted as posted, it is unlawful to leave a camp, pitched tent, shelter, motor vehicle, or trailer unattended for more than 48 hours, or to camp or to park a travel trailer or camper on any one State Trust Land Public Access Program property for more than 14 days in any 45-day period.
65. Access is by foot or horseback only, unless otherwise posted.
76. No outfitting or non-wildlife related public access is permitted.
87. Target practice or non-hunting-related shooting is prohibited.
98. It is unlawful to possess the following types of ammunition and/or firearms: tracer rounds, armor-piercing rounds, military hardened rounds with explosive or radioactive substances, .50 caliber BMG rounds, or fully automatic firearms.
109. It is unlawful to possess, store, or use hay, straw, or mulch which has not been certified as noxious weed free in accordance with the Weed Free Forage Crop Certification Act, Sections 35-27.5-101 to 108, C.R.S., or any other state or province participating in the Regional Certified Weed Free Forage Program. See Appendix A of this chapter. All materials so certified shall be clearly marked as such by the certifying state or province. Exempted from this prohibition are persons transporting such materials on Federal, State, or County roads that cross State Trust Lands leased by the Division, and hay produced on the property where it is being used.
1140. Consumption of alcoholic beverages on lands and waters under the supervision, administration, and/or jurisdiction of the Division is permitted with the following exceptions:

- a. It shall be prohibited to consume alcoholic beverages on any archery or firearm range unless specifically authorized by a concession contract, cooperative agreement or special activities permit, and then only allowed in areas specifically designated by the contract, agreement, or permit.
- b. It shall be prohibited to sell and/or dispense alcoholic beverages on any lands and waters under the supervision, administration, and/or jurisdiction of the Division unless specifically authorized by a concession contract, cooperative agreement, or special activities permit, and then only allowed in areas specifically designated by the contract, agreement, or permit and the applicant party has obtained all appropriate licenses and permits to sell and/or dispense alcoholic beverages.
- c. It shall be prohibited to be present on any lands and waters under the supervision, administration, and/or jurisdiction of the Division when under the influence of alcohol or any controlled substance to the degree that may endanger oneself or another person, damage property or resources, or may cause unreasonable interference with another person's enjoyment of any lands or waters under the supervision, administration, and/or jurisdiction of the Division.

D. Criteria for Posting Prohibited Activities

When these regulations provide that an activity is prohibited, except as posted or permitted as posted, Colorado Parks and Wildlife may control these activities by posting signs. Colorado Parks and Wildlife shall apply the following criteria in determining if an activity shall be restricted or authorized pursuant to posting:

1. Public safety.
2. Proximity to a calving or lambing area.
3. Proximity to a corral, loading chute or similar structure maintained for the purpose of handling domestic livestock.
4. Proximity to private structures such as outbuildings, houses, barns, storage sheds or similar structures.
5. Proximity to agriculture equipment.
6. Whether protection of roads or trails is necessary to prevent excessive damage caused by human use.
7. Negative impacts on wildlife resources or domestic livestock, or agricultural products.
8. Whether the area can provide additional public benefits and remain consistent with all applicable agreements.

E. Closure of Properties to Public Use

1. The Director of Colorado Parks and Wildlife may establish and enforce temporary closures of, or restrictions on, lands or waters leased by the Division from the State Land Board, or portions thereof, for a period not to exceed nine months, when any one of the following criteria apply:
 - a. The property has sustained a natural or man-made disaster such as drought, wildfire, flooding, or disease outbreak which makes public access unsafe, or where access by the public could result in additional and significant environmental damage.
 - b. The facilities on the property are unsafe.
 - c. To protect threatened or endangered wildlife species, protect wildlife resources from significant natural or manmade threats, such as the introduction or spread of disease or nuisance species, changing environmental conditions or other similar threats, protect time-sensitive wildlife use of lands or waters, or facilitate Division-sponsored wildlife research projects or management activities.

2. Whenever such closure is instituted, the area(s) involved shall be posted indicating the nature and purpose of the closure. It shall be unlawful for any person or vehicle to enter any such area(s) posted as closed.

- A. All vessels and other floating devices of any kind, including their contents, motors, trailers and other associated equipment, are subject to inspection in accordance with inspection procedures established by the Division prior to launch onto, operation on or departure from any Division-controlled waters or vessel staging areas.
- B. Any aquatic nuisance species found during an inspection shall be removed and properly disposed of in accordance with removal and disposal procedures established by the

Division before said vessel or other floating device will be allowed to launch onto, operate on or depart from any Division-controlled waters or vessel staging areas.

- C. Compliance with the above aquatic nuisance species inspection and removal and disposal requirements is an express condition of operation of any vessel or other floating device on Division-controlled waters. Any person who refuses to permit inspection of their vessel or other floating device, including their contents, motor, trailer, and other associated equipment or to complete any required removal and disposal of aquatic nuisance species shall be prohibited from launching onto or operating the vessel or other floating device on any Division-controlled water. Further, the vessel or other floating device of any person that refuses to allow inspection or to complete any required removal and disposal of aquatic nuisance species prior to departure from any Division-controlled water or vessel staging area is subject to quarantine until compliance with said aquatic nuisance species inspection and removal and disposal requirements is completed.
- D. Any person operating a vessel or other floating device may be ordered to remove the vessel or device from any Division-controlled water by any authorized agent of the Division if the agent reasonably believes the vessel or other floating device was not properly inspected prior to launch or may otherwise contain aquatic nuisance species. Once removed from the water, the vessel or other floating device, including its contents, motor, trailer and associated equipment shall be subject to inspection for, and the removal and disposal of aquatic nuisance species.
- E. It is unlawful for any person to, or to attempt to, launch onto, operate on or remove from any Division-controlled water or vessel staging area any vessel or other floating device without first submitting the same, including their contents, motors, trailers and other associated equipment, to an inspection for aquatic nuisance species, and completing said inspection, if such an inspection is requested by any authorized agent of the Division or required by any sign posted by the Division. Further, it is unlawful for any person to fail to complete the removal and disposal of aquatic nuisance species if such removal and disposal is requested by an authorized agent of the Division or required by any sign posted by the Division.
- F. It is unlawful for any person to, or to attempt to, launch onto, operate on or remove from any Division-controlled water or vessel staging area any vessel or other floating device if they know the vessel or other floating device, including their contents, motors, trailers, or other associated equipment, contain any aquatic nuisance species.

Basis and Purpose:

Authorizing the Division Director to execute short-term housing leases

Previously any new housing lease for staff had to go to the Leadership Team and the Parks and Wildlife Commission for approval. This approval process usually took two months or more and was not practical for short-term housing needs. The regulations in chapter W-9 (#900.J) and P-1 (#104.b) have been changed to allow new housing leases that do not exceed 12 months be executed solely by the CPW Director.

Adjusting regulations related to the fishing closure at Banner Lakes State Wildlife Area (SWA) during waterfowl hunting seasons

Previous regulations prohibited fishing at Banner Lakes SWA from the opening of the first regular duck season through the last day of the regular waterfowl season. However, there was a high violation rate among anglers, especially during the month of October due to lack of knowledge about the dates of the duck-hunting season. The regulation (901.B.8.h) has been changed to specify that fishing is prohibited from October 1 to the end of February for additional clarity.

Changing the hours of operation for the Basalt State Wildlife Area public shooting range

Prior to these changes, the hours for the Basalt SWA public shooting range were 7 am until 7 pm, Monday through Friday, and from 9 am until 5 pm on Saturday and Sunday. These hours did not take into account seasonal daylight hours. Additionally, facilities and infrastructure associated with the power companies are located behind the shooting range and staff frequently had to arrange temporary closures to ensure the safety of power company personnel. As a result, the regulations in #901.B.9 have been changed to accommodate two sets of hours of operation and a predictable day of closure to accommodate maintenance. Summer hours (March 15 – October 14) are from 7 am until 7 pm on Monday, Tuesday, Thursday and Friday and 9 am – 5 pm on Saturday and Sunday. Winter hours (October 15 – March 14) are from 9 am until 4 pm on Monday, Tuesday, Thursday and Friday and 9 am until 4 pm on Saturday and Sunday. Wednesday is closed for maintenance.

Allowing public use of the Uncompahgre River corridor of Billy Creek SWA for hunting and fishing during the current seasonal closure period of January 1 through April 30 annually

A winter closure was enacted at Billy Creek SWA in the late 1990s, except waterfowl hunting and fishing have been allowed along 2/3-mile stretch of the Uncompahgre River. Human activity along the river in the upland areas of the SWA has not disturbed the wintering big game herds. Regulations have been updated to formally allow this access to hunting and fishing recreation only along the river corridor during the seasonal property closure period of January 1-April 30. Access is from the western portion of the Uncompahgre River corridor from US Hwy 550 to 100 feet on the eastern bank of the river. Conversely, the viewing area is experiencing more problematic non-wildlife related activity, which is affecting the wintering wildlife. To mitigate these issues, access to the viewing area will no longer be allowed from January 1 – April 30.

Managing limited hunting access at Collins Mountain Ranch SWA through the HRS and adopting property-specific regulations as required in the access easement

Collins Mountain Ranch SWA has a public access easement, which allows five total hunters each year to hunt, including one antlered deer, one antlered elk and three antlerless elk hunters. CPW and the landowner have cooperatively managed these hunts so they do not conflict with the landowners private hunts. Previously, these hunting opportunities were allocated via an application. To simplify this process, Collins Mountain Ranch SWA has been added to the existing HRS. Additionally, property-specific regulations as required by the access easement have been added (#901.B.51).

Adding Crooked Wash Ranch SWA, managing limited hunting access through the HRS and

adopting property-specific regulations as required

Crooked Wash Ranch has an access easement that allows four hunters per year to access the property: two antlerless elk hunters during muzzleloader season and two antlerless elk hunters during first rifle season. Previously, these hunting opportunities were allocated via an application. To simplify this process, Collins Mountain Ranch SWA has been added to regulations and to the existing HRS. Additionally, property-specific regulations as required by the access easement have been added (#901.B.57).

Managing limited hunting access at Flanders Ranch SWA through the HRS and adopting property-specific regulations as required

CPW recently obtained an access easement to Flanders Ranch and added it as a SWA (901.B.79). Previous regulations on big game hunting and waterfowl hunting did not specify HRS requirements. Regulations requiring big game hunting and waterfowl hunting reservations through the HRS have been added. Additionally, other property-specific regulations as required by the access easement have been added, including specifying that one group (four hunters) per day is permitted for waterfowl hunting during established waterfowl seasons and that public boating, launching or recovering boats from the Yampa River is not permitted.

Requiring non-exempt boats to launch from the CPW boat ramp at Groundhog Reservoir SWA

CPW has a perpetual easement for public boating and fishing at Groundhog Reservoir SWA. There have been increasing numbers of landowners launching boats from private property instead of the boat ramp. To minimize the potential of aquatic nuisance species introduction, staff propose requiring all motorized and trailered boats to launch at the CPW boat ramp at Groundhog Reservoir SWA. (901.B.91). Rafts, kayaks, canoes, belly boats and paddleboards are exempt.

Allowing night fishing during certain times of the year at Jackson Lake SWA

Jackson Lake SWA has good fishing access and it was a well-known night fishing destination, but previous regulations prohibited public access from 9:00 pm until 4:00 am. The public has requested night fishing be allowed again. Regulation (901.B.112.a) has been changed to read, "public access is prohibited from 9:00 pm – 4:00 am, except for legal fishing activities." There is another regulation to keep fishing from interfering with early morning waterfowl hunting (901.B.112.d).

Requiring hunting reservations for weekends and holidays during the teal season and the first split of the regular duck season at Jackson Lake SWA

Previously, waterfowl hunters were not required to have reservations to hunt at Jackson Lake SWA, which resulted in more hunters than the available hunt areas could accommodate, regulatory violations and public safety concerns. This was especially true during the weekends of the teal season and first split of the regular duck season. Regulation 901.B.112.h has been changed to require reservations on Saturdays, Sundays and legal holidays to hunt waterfowl during the teal season and the first split of the regular duck season. Reservations are valid until sunrise and are limited to three per hunter annually. Reservations are not required Monday through Friday, except legal holidays. Reservations must be made in accordance with #901.A. Additionally, regulation 901.B.112.i was added to require waterfowl hunters to check in and out at the check station. Hunters may not check in until 4:00 am and can only hunt the area reserved. Hunters may check in on a first-come, first-served basis after a hunter checks out or after sunrise if a hunter has not checked in. There are maximum of four hunters allowed per hunting area.

Adding Louisiana Purchase Ranch SWA, managing limited hunting access through the HRS and adding property-specific regulations as required

In 2016, CPW obtained an access easement with the Louisiana Purchase Ranch, to allow six hunters per year to access the property in the second or third rifle seasons. This includes one hunter of antlered deer, two hunters of antlerless deer, one hunter of antlered elk and two hunters of antlerless elk for specific hunt codes. Previously, these hunting opportunities were allocated via an application. To simplify this process, Louisiana Purchase Ranch SWA has been added to regulations and to the existing HRS (#901.B.141). Additionally, property-specific regulations as required by the access easement have been added.

Prohibiting the discharge of firearms at Mount Shavano SWA from the upper end of the Mount Shavano State Fishing Unit (SFU) downstream to the Hwy 291 bridge crossing

Prior to these changes, discharging firearms was prohibited, except when hunting, from the Hwy 291 Bridge upstream to the property boundary on the Mount Shavano SWA. However, the upper end of the Mount Shavano SFU downstream to the Hwy 291 Bridge is near a residential area. Due to safety concerns, hunting on this portion of the Mount Shavano SWA has been limited to hand held archery equipment and falconry.

Managing limited hunting access for the Grand Valley Wildlife Area Special Archery Hunts through the HRS and adopting property-specific regulations as required

CPW has been operating special archery hunts in several Grand Valley area wildlife areas, including Tilman Bishop SWA, Orchard Mesa SWA and Grand Junction Wildlife Area (Bureau of Reclamation), in conjunction with the Bureau of Reclamation since the early 2000. The access agreement allows for one hunter per week during regular archery season and one hunter per property for second and third rifle seasons. Previously, these hunting opportunities were allocated via an application. To simplify this process, regulations requiring big game hunting reservations through the HRS and additional property-specific regulations as required by the access easement have been added for Tilman Bishop SWA (#901.B.235) and Orchard Mesa SWA (#901.B.163).

Managing limited hunting access at Pot Creek SWA through the Hunter Reservation System (HRS) and adopting property-specific regulations as required in the access easement

CPW manages a limited public access hunt on Pot Creek SWA. Currently four cow elk hunters are allowed each year. Previously, these hunting opportunities were allocated via an application. To simplify this process, Pot Creek SWA has been added to the existing HRS. Additionally, property-specific regulations as required by the hunting access easement have been added (#901.B.175).

Adding property-specific regulations for Pothook Ranch SWA Fishing Easement

In early 2019, CPW acquired perpetual public access through a conservation easement on Pothook Ranch SWA. The conservation easement allows public access to this property for the purposes of hunting (limited), fishing, and wildlife viewing in perpetuity. Public hunting access is currently limited through the property's enrollment in CPW's Ranching for Wildlife Program as part of Snake River Compact RFW Ranch, and public access for fishing and wildlife viewing is open year-round. Property specific regulations have been added to meet terms of the property's conservation and access easement agreements. Additionally, since Slater Creek runs adjacent to CR 1, restricting public fishing and wildlife viewing access to foot-access only, from CR 1 to within 20 feet of the high water line of the west bank of Slater Creek, minimizes public safety risks and still allows quality limited big game hunting on the property.

Removing Urad Lake SWA and Valmont Reservoir Administrative Area from regulations

The Urad Lake SWA lease terminated in March 2018. As a result, it has been removed from regulations. The Valmont Reservoir Administrative Area does not allow public access, and it has been removed from regulations for clarity.

Shortening the Gunnison Sage-grouse viewing season at Waunita Watchable Wildlife Area

Waunita Watchable Wildlife Area is becoming increasingly popular for viewing Gunnison Sage-grouse, but there have been concerns about decreased use of the traditional lek, birds shifting display areas and breeding activities further from the developed watchable site. A subcommittee was formed to consider impacts and evaluate alternatives, with representatives from CPW, Gunnison County, U.S. Fish and Wildlife Service, U.S. Forest Service, stock growers, Sisk-a-dee/Western Colorado University, and an at-large member. The preferred alternative is that the site will be open from April 1 – April 30, except during the second full week of the month. This will reduce the total viewing days from 45 to 23, but provide a period of no disturbance from the viewing site during the typical peak of breeding activity. It also allows for continued public viewing opportunity in a controlled manner. The regulation change will be effective June 1, 2020.

Adding property-specific regulations on Yarmony Ranch SWA

Yarmony Ranch SWA is accessible for big game hunting through an access easement. Hunting is

restricted to a limited number of elk, moose and pronghorn hunters through a hand draw process, which is conducted at the CPW Steamboat Springs Service Center. Previously, the only regulations addressed fishing at Yarmony Ranch SWA. Property-specific regulations addressing big game hunting have been added as required by the easement (#901.B.263).

Prohibiting camping on State Trust Land (STL) properties for more than 14 consecutive days in a 45-day period or leaving camp unattended for more than 48 hours

Colorado Parks and Wildlife (CPW) and State Land Board (SLB) staff have increasingly noticed campers occupying STL properties in excess of 30 days. The extended use conflicts with other uses authorized by the SLB and can lead to unsanitary and unsafe conditions. It is currently prohibited to leave a camp unattended for more than 48 hours and to camp for more than 14 days in a 45-day period on State Wildlife Areas (#900.C.5), however previous regulations did not address unattended camps or the length of stay at STL properties. A new regulation (#902.C.5) that prohibits leaving a camp, pitched tent, shelter, motor vehicle or trailer unattended for more than 48 hours or camping or parking a travel trailer or camper on any one State Trust Land Public Access Program property for more than 14 days in any 45-day period. In addition, the references to the 14-day camping limit in the East Carter Mountain and West Carter Mountain STL regulations (#903.46 and #903.173) have been removed for consistency.

Permitting hunting from August 15 to the end of February at Box Creek STL

With the increase of pronghorn to the Upper Arkansas Valley, the public is asking for the start date of the hunting season on Box Creek STL to begin on August 15, which is the opening of the over-the-counter (OTC) archery season. This would increase the total area in which archery hunters could pursue pronghorn. Regulation #903.A.20 has been amended to allow access to Box Creek STL from August 15 through the end of February.

Merging Nee Noshe STL and Neesopah STL with Queens STL and removing property-specific regulations for Nee Noshe and Neesopah STLs

The Nee Noshe STL parcel was previously enrolled for waterfowl hunting only, with an open period of November 1 to March 31, and required a hunter to check in at the Queens SWA check station. The Neesopah STL was previously enrolled for hunting and fishing access from September 1 to February 28, and during the waterfowl season also required a hunter to check in at the Queens SWA check station. Due to prolonged drought, these reservoirs are low to dry and do not hold waterfowl numbers as they did in the past. Low numbers of waterfowl demanded a change in management, and the check station became a self-service operation and no longer required hunters to check in for the Nee Noshe and Neesopah parcels. In 2019, the Public Access Program on STL properties was expanded to include more acres around the Queens SWA, including the previous Nee Noshe and Neesopah parcels. In agreement with STL managers, it was decided to manage all of these parcels as one under the new name of the Queens STL. It was also agreed that the property specific regulations no longer served a purpose, and the Queens STL could be managed under the standard rules listed in #902.

Establishing visitor management regulations for Turkey Track Ranch STL

Parking has been a concern at Turkey Track Ranch STL where hunting pressure is high. In 2019, CPW constructed two additional parking areas, however vehicles continue to park on the sides of the road causing safety concerns and resource impacts. Regulation #903.A.166 has been updated to prohibit access from county roads. Additionally, because the property is primarily used for pronghorn hunting, the access dates have been changed to August 15 through the end of February to accommodate the opening of the OTC archery season. Additionally, to minimize resource impacts, regulations have been added to limit access to foot access only and to prohibit the use of permanent blinds.

Adding Twenty Mile Pond SWA Fishing Easement to Appendix B.1

Twenty Mile Pond SWA Fishing Easement was recently been acquired. It is managed under the standard regulations listed in #900.

Necessary corrections or administrative clean-ups to regulations related to waterfowl hunting in the Grand Valley

Waterfowl hunting regulations pertinent to the Grand Valley reside in three separate chapters of CPW

regulations. As a result, waterfowl hunters need to look in several different places to find specific waterfowl hunting regulations as they pertain to the Grand Valley. Additionally, there are similar regulations in these chapters that are duplicative. Regulations related to Grand Valley waterfowl hunting, SWAs, and parks properties have been edited, removed, and simplified where needed. Additionally, the updates to these regulations address reserving hunting blinds through the HRS.

FINAL REGULATIONS - CHAPTER P-1 - PARKS AND OUTDOOR RECREATION LANDS

ARTICLE I - GENERAL PROVISIONS APPLICABLE TO ALL PARKS AND OUTDOOR RECREATION LANDS AND WATERS

#104 – LEASES

- A.** The Director may execute documents related to existing leases wherein the Division is either the lessor or lessee, after consideration of the following:
1. the document is a renewal, extension or amendment of an existing lease;
 2. the renewal or extension is for a term not to exceed twenty-five (25) years;
 3. total consideration for the entire potential term of the renewal, extension or amendment represents fair market value and is no more than \$100,000; and
 4. the renewal, extension or amendment supports, protects or enhances outdoor recreation, the operation of an administrative facility or related building, or water resources and is in the public interest.
- B.** The Director may execute a new lease for staff housing for a term not to exceed twelve months.
