November 3, 2020

To: Members of the Colorado Parks and Wildlife Commission

From: Brian Dreher, Terrestrial Section Manager

Subject: Herd Management Plans for the November 19-20 Meeting

At the November 19-20, 2020 Parks and Wildlife Commission meeting, staff will be presenting three draft Herd Management Plans (HMPs) from the Northeast Region. Copies of the draft HMPs are included in the mailing. Similar to other PWC meetings, HMP presentations have been pre-recorded for viewing by both Commissioners and the public ahead of the Commission meeting. The presentations for D-5, D-44, and D-54 have been recorded in one video and can be accessed by clicking on the title link below. Presentations for the three HMPs will not be shown during the meeting, but there will be 20 minutes scheduled for each draft HMP to address questions or comments that Commissioners or the public may have.

If you have questions on the draft HMPs or presentations, it would be helpful if you emailed either the Biologist or Area Wildlife Manager ahead of the meeting so they can prepare a thorough response. Email addresses are listed below for the respective Biologist and Area Wildlife Manager.
