Subject: Herd Management Plans for the January 13-14 Meeting

At the January 13-14, 2021 Parks and Wildlife Commission meeting, staff will be presenting two draft Herd Management Plans (HMPs) from the Southwest Region. Copies of the draft HMPs are included in the mailing. Similar to other PWC meetings, HMP presentations have been pre-recorded for viewing by both Commissioners and the public ahead of the Commission meeting. The presentations for D-37 and E-11 have been recorded in separate videos and can be accessed by clicking on the title links below. Presentations of the HMPs will not be shown during the meeting, but there will be time scheduled for each draft HMP to address questions or comments that Commissioners or the public may have.

If you have questions on the draft HMPs or presentations, it would be helpful if you emailed the Biologist, Brent Frankland ([brent.frankland@state.co.us](mailto:brent.frankland@state.co.us)) ahead of the meeting so he can prepare a thorough response.
