In order to qualify for an annual low-income Colorado State Wildlife Area Pass, an individual must show photo identification and provide written proof, in the form of a federal or state income tax return from the immediately preceding calendar year, that the federal taxable income of such individual is at or below one hundred percent of the official poverty line for an individual or a family, as appropriate to the applicant, defined by the federal office of management and budget based on federal bureau of the census data. If said tax return is not available, a return for the year immediately preceding such year shall suffice. If a person's income is at a level where such person is not required to file an income tax return, such individual shall sign a statement under penalty of perjury in the second degree to such effect. No such affidavit shall be required to be notarized.

The federal taxable income of such individual cannot be greater than the applicable guideline set forth in the Annual Update of the HHS Poverty Guidelines, 86 Fed. Reg. 7732-01 (February 1, 2021) issued by the U.S. Department of Health and Human Services, Office of the Assistant Secretary for Planning and Evaluation, Room 422F.5, Humphrey Building, Department of Health and Human Services, Washington, DC 20201. This federal guideline, but not later amendments to or editions thereof, has been incorporated by reference. Basis and Purpose:

Creating Colorado State Wildlife Area passes to permit access to State Wildlife Area for all persons 16 years and older

Beginning July 1, 2020, the Parks and Wildlife Commission prohibited access to State Wildlife Areas (SWAs) or State Trust Lands (STLs) leased by the Division for all individuals 18 and older unless they held a valid hunting or fishing license. Feedback from constituents led the Commission to create a Working Group comprising SWA stakeholders to discuss options for creating a new pass to allow users who do not hunt or fish to access SWAs. The Working Group recommended pricing the annual pass at a similar level to the annual fishing license, offering discounted passes to youth and seniors priced comparably to youth and senior fishing licenses, offering a 1-day pass option priced comparably to the 1-day parks pass, offering a discounted low-income annual pass option, requiring a Habitat Stamp in addition to the annual pass, and requiring a surcharge for the Wildlife Management Public Education Fund on all passes. Due to restrictions applicable to most STLs leased by the Division, STLs will be accessible only with a valid hunting or fishing license, not Colorado SWA passes.

The statements of basis and purpose for these regulations can be obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager by emailing dnr_cpw_planning@state.co.us. The statements of basis and purpose are not available at the Division of Parks and Wildlife headquarters due to the closure of these facilities to the public in light of the COVID-19 pandemic.

The statutory authority for these regulations includes, but is not limited to:

- § 24-4-103, C.R.S.
- § 33-1-105(1)(c), C.R.S. (Commission has the power to “Construct or otherwise establish public facilities and conveniences at any site or on any land in which the commission holds an interest ... and, when appropriate, make reasonable fees or charges for their use....”).
- §§ 33-1-101 to 33-6-209, C.R.S., particularly §§ 33-1-105, -106, -107, and 33-4-102, C.R.S.
- § 33-9-102, C.R.S.

EFFECTIVE DATE - THESE REGULATIONS SHALL BECOME EFFECTIVE MAY 1, 2021 AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL REPEALED, AMENDED OR SUPERSEDED.
