Proposed Parks and Wildlife Commission Consent Agenda  
May 5 & 6, 2021

In order to increase the Parks and Wildlife Commission’s efficiency and allow more time for consideration of wildlife policy and contested issues, the listed items are noticed for action by the Commission as part of the May, 2021 “Consent Agenda.”

*Note: The process for placing matters on the Consent Agenda is as follows:*

*The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial. Staff will provide written memos to the Parks and Wildlife Commission members explaining the matters on the Consent Agenda. Copies of the memos will be available to the public.*

*Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other agenda items. If a member of the Commission requests further consideration of an item on the consent agenda, that item will be withdrawn from the Consent Agenda and discussed and acted upon as determined by the Commission. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director for any matter on the Consent Agenda.*

Citizen Petitions

21.1 (A) Chapter W-2 – “Big Game” – 2 CCR 406-2

- A Citizen Petition for Rulemaking requesting that there be no separate license allocation to nonresidents applying for the moose, sheep, or goat draw, and that nonresident hunters receive no more than 10% of available moose, bighorn sheep and mountain goat licenses for all hunt codes.

21.2 (A) Chapter W-16 – “Parks and Wildlife Procedural Rules” 2 CCR 406-16

At its May meeting, the Parks and Wildlife Commission will consider whether it should adopt the Director’s written recommendation to DENY a petition for rulemaking requesting that the Commission revise the regulation related to refunds and preference point restorations, as follows:
