TO: Members of the Colorado Parks and Wildlife Commission
FROM: Krista Heiner, Regulations Manager
RE: Chapter W-2 Final Regulations for the January 2022 Parks and Wildlife Commission Meeting
DATE: December 30, 2021

Final regulatory changes for Chapter W-2 are summarized below. If there are questions about the agenda item below, or if additional information is needed, please feel free to contact me at krista.heiner@state.co.us.

Agenda Item 13: Chapter W-2 - "Big Game" 2 CCR 406-2

These regulations amend Chapter W-2 - Big Game - of the Parks and Wildlife Commission Regulations and implement 2022 bighorn sheep, mountain goat, and mountain lion license numbers/harvest limits. They also amend season dates for the 2022 big game seasons. These regulations are designed to manage statewide big game herds at herd objective levels and provide a diversity of hunting recreation opportunities for resident and nonresident hunters throughout Colorado; to minimize or control local game damage situations; and to provide opportunity for landowners to cooperatively manage wildlife with the Division. These regulations are the result of extensive public involvement and application of biological information on deer, elk, pronghorn, bear, lion, and moose. All regulation changes are based on the best available biological information and are designed to manage big game herds towards stated objectives and to ensure long-term viability. Specific changes include:

Multiple Species

- **Amending the maximum allowable let-off percentage for handheld bows.**
A citizen petition requested increasing the maximum allowable let-off percentage for handheld bows from 80% to 85% (Option 2). The Division supports the citizen petition, in part, but recommends the Commission remove its existing let-off percentage from regulation altogether (Option 1).
 - **OPTION 1: Removing the maximum allowable let-off percentage for handheld bows (page 4 of the blue document labeled Option 1).**
Eliminating the maximum allowable let-off percentage for handheld bows gives hunters additional flexibility when selecting gear and reduces confusion for out-of-state hunters. It also gives vendors of archery equipment the ability to sell more types of equipment. Additionally, most other states do not have restrictions on the maximum hand-held compound bow let-off percentage, and the Pope and Young Club and Archery Trade Association support the elimination of the maximum bow let-off percentage. Furthermore, checking hunter compliance with any let-off percentage regulation in the field is difficult and maximum let-off percentages may lead to greater shot accuracy.
 - **OPTION 2: Increasing the maximum allowable let-off percentage for handheld bows from 80% to 85% (page 4 of the orange document labeled Option 2).**

Increasing the maximum allowable let-off percentage for handheld bows from 80% to 85% reflects the request in the citizen petition to the Commission. Increasing the let-off percentage gives hunters additional flexibility when selecting gear and vendors of archery equipment the ability to sell more types of equipment to Colorado hunters.

- **Clarifying that youth-only hunt codes also fall into the youth preference draw and the same hunt code choice stipulations for youth preference apply (page 10).**

These changes clarify that youth-only hunt codes also fall into the youth preference draw, correcting a previous inconsistency with regulation #206.B.4.d.1.

- **Excluding five preference point or more licenses and public Ranching for Wildlife licenses returned or not paid for in the Primary Draw from the Secondary Draw (pages 17-18).**

This change corrects a conflict between regulations #206.B.7.a and #1670.A.9.a and #1670.A.9.c by amending #206.B.7.a to exempt licenses that require five or more resident preference points and Ranching for Wildlife licenses from this rule. Additionally all references to the leftover draw have been removed as that was replaced by the Secondary Draw.

- **Modifying regulations related to the process and application deadline for the hunting access permit drawing on the James M. John SWA (pages 19-20).**

Previously because of the timing of the access permit drawing, hunters obtaining limited Game Management Unit 140 licenses for elk or deer through the Secondary Draw or as leftovers could not apply for the James M. John SWA access permit. This change removes the July 1 deadline and simplifies the application process, while also clarifying that only 12 hunters per season are allowed.

- **Amending fluorescent orange/pink requirements during the overlapping archery and muzzleloader seasons (page 20).**

To address safety concerns related to the overlapping archery and muzzleloader seasons, a regulation was added requiring archery deer, elk, bear and moose hunters to wear solid daylight fluorescent orange or fluorescent pink during the period of overlap during the September archery and muzzleloader seasons on public land west of I-25 only. This includes a minimum of 500 square inches of solid orange or pink that must be worn as an outer garment above the waist, part of which must be a head covering visible from all directions.

Sheep

- **Creating two ram sheep seasons in sheep Game Management Unit S16 (page 39).**

There have been reports of hunters using the same area and often coming into conflict with one another in S-16. To address this issue while still maintaining a quality hunt, two ram

seasons have been created in S-16. The first season is a split season with the first split starting the Saturday a week before Labor Day weekend and running 12 days, ending on a Wednesday. The second split begins the third Saturday after Labor Day and runs 16 days, ending on Sunday. The second season starts the Saturday after Labor Day and runs 30 days, ending on Sunday.

- **Replacing the individual ram bighorn sheep hunt code for S-19 with an either-sex hunt code (page 39).**

Many of the sheep in the S-19 herd spend the majority of their lives inside Rocky Mountain National Park boundaries making them unavailable for hunter harvest. Wildlife managers and biologists feel that S-19 can safely tolerate a conservative annual ewe harvest. Therefore, the existing S-19 ram license has been replaced with an either-sex license, which provides greater opportunity for hunters to fill their tag.

- **Modifying the sheep Game Management Unit S54 hunt codes by shifting archery season to be a later and changing the rifle sub-unit boundary to match the West Elk Wilderness boundary (page 45).**

Hunters have had difficulties locating bighorn sheep in GMU S-54 in recent years due to the terrain and other factors despite a growing population size. Previously, the archery season took place in August when rams are still consolidated into large groups and are difficult to locate. To help improve the odds of hunters locating and potentially harvesting rams, the archery season has been shifted to after the S-54 rifle hunting season. In addition, the S-54 rifle sub-unit boundary has been changed to make it less confusing and align with the well-marked West Elk Wilderness border.

Bear

- **Creating an Over-The-Counter, Private-Land-Only rifle bear season for units 4, 5, 12, 13, 14, 23, 24, 33, 214, and 441 from October 1 through the end of the concurrent 4th rifle season (page 69).**

These changes allow for additional bear hunting opportunity and harvest on private lands in GMUs 4, 5, 12, 13, 14, 23, 24, 33, 214 and 441 where a significant amount of game damage occurs.

Deer

- **Creating new deer hunt codes for Game Management Units (GMUs) 122, 125, 126, 127, 129, 130, 132, 137, 138, 139, 143, 144, 145, and 146 (throughout deer section).**

The boundaries for the D-28 and D-33 Data Analysis Units (DAU) have changed, resulting in new hunt code groupings for several impacted GMUs. These changes help to align hunt codes groups with planned DAU boundary amendments; pair GMUs on either side of the Arkansas River; combine GMUs that have shared habitats, drainages, and/or distinct

subpopulations; and separate GMUs that can be surveyed by helicopter from those that cannot.

- **Adding 2nd and 3rd rifle season doe hunt codes DF05402R and DF05403R. (pages 10 and 97)**

The deer population in DAU D-21 has seen rapid growth in the last four years and 2nd and 3rd rifle season doe hunt codes have been added to help manage the population. This also provides additional opportunity for youth hunters, as it falls within regulation #206.B.4.d.2, which gives 50% of doe licenses to youth in this GMU.

- **Adding Private-Land-Only doe hunt codes for GMU 72 (page 113).**

The deer population within GMU 72 is over objective and a substantial portion of the increase in population is occurring on private agricultural land. As a result, private land only, antlerless hunt codes for second, third, and fourth rifle seasons have been created to address population management objectives and damage conflicts on private lands.

Elk

- **Limiting archery elk licenses in GMUs 80 and 81 (pages 118 and 119).**

Since 2005, staff have taken steps to stabilize the elk population in E-32, including decreasing limited antlerless rifle and muzzleloader licenses. Meanwhile, there has been a significant increase in the number of archery hunters in these units, often leading to overcrowding. There have also been continuing issues with poor calf to cow ratios. As a result, limited, either-sex archery licenses have been created for GMUs 80 and 81 and GMUs 80 and 81 have been removed from the over-the-counter, either-sex hunt code (EE000U1A) to address these biological and social issues.

- **Removing over-the-counter antlerless hunt codes for Game Management Units 14 and 214 (pages 2 and 118).**

Due to increasing pressure from archery hunters and decreasing harvest success, as well as heavy outdoor recreation use, and decreasing calf to cow ratios, GMUs 14 and 214 have been removed from the valid units included in that over-the-counter archery antlerless elk hunt code (EF000U1A). Over-the-counter, either-sex licenses are still be available for GMU 14 and 214 (EE000U1A). In addition, these GMUs have been removed from List B.

- **Eliminating hunt codes EF073P5R, EF077P5R, and EM74104R (pages 149, 156).**

These changes help to simplify regulations by eliminating hunt codes that are no longer needed. In 2021, EF073P5R only had 10 licenses and EF077P5R only had 20 licenses. EM74104R is similar to the hunt code EM07404R and no longer needed.

- **Extending the E-3 antlerless elk Private-Land-Only season dates for hunt code EF006P5R (pages 150, 151, 157).**

The elk population in DAU E-3 is above objective, and elk damage to standing hay crops has been a longstanding issue. To address the damage issue an early antlerless Private-Land-Only season was initiated. However, agriculture producers also experience elk damage on stacked hay in the winter months. To help alleviate this problem, the early Private-Land-Only season has been extended to January 31 instead of September 30. Additionally, several antlerless elk Private-Land-Only hunt codes spanning different GMUs within the DAU have been combined together for simplicity.

- **Clarifying regulations related to National Wildlife Refuge hunting permits (page 164).**

These changes correct out-of-date language and clarify the process for awarding permits.

Pronghorn

- **Modifying the hunt code structure for muzzleloader season in pronghorn DAU PH30 (page 168).**

The muzzleloader hunt codes in DAU PH-30 have been modified to mirror the GMU groupings for the archery and rifle seasons by separating the single hunt code into two hunt codes. This helps to limit confusion and allows staff to fine-tune the allocation of licenses between units.

Moose

- **Removing GMUs 51, 59, 511, and 581 from current hunt codes MM050 and MF050 and creating new moose hunt codes including GMUs 51, 59, 511, and 581 (pages 184, 190).**

When the MM050 and MF050 hunt codes were established in 2020, GMUs 50, 501 and 4 new units (GMUs 51, 59, 511, and 581) were combined into those hunt codes. Staff assumed the four licenses offered would be used across the units, but all harvest occurred in GMU 501. Because staff expect that pressure in GMU 501 will continue, the GMUs have been separated into different hunt codes for GMU 50 and 501 and for GMUs 51, 59, 511, and 581.

- **Adding a cow moose hunt code for GMU 55 (page 185).**

Moose in GMU 55 have been expanding in population and staff now believe the herd may be exceeding carrying capacity. Bull moose hunting is currently available in all GMUs surrounding GMU 55 and in GMU 55, where the quota has been increasing over the past decade. As a result, an antlerless moose hunt code has been added for GMU 55.

- **Adding antlered moose hunt codes for GMUs 4 and 5 (page 188).**

Previously the moose population in GMUs 4 and 5 was relatively small, but moose have expanded into these GMUs from more established populations nearby. Staff believe the presence of this new population allows for more moose hunting opportunities. Therefore, GMUs 4 and 5 have been added to the existing GMU 14 antlered moose hunt code.

Administrative Clean-ups

- Clarifying the exception for Ranching for Wildlife licenses from the List B bear licenses (page 4).
- Removing the reference to Trinchera Ranch from regulation #210 (Ranching for Wildlife), as it has withdrawn from the Ranching for Wildlife Program (page 27).

- Notes:
- S01 licenses are also valid in S18.
 - Animals in this unit are moving back and forth across the NPS boundary in the Never Summer Range and may not be accessible to hunters.
 - S26 was split into S26 and S70 in 2005.
 - 2005 population estimate is for both resident and migratory sheep from S06 that winter in S46.
 - Accounts for 40 sheep translocated from S65 to Mt Zirkel in 2005
 - Rio Grande River and Box Canyon included with S53 in 2006.
 - S71 Opened to hunting in 2007.
 - S55 closed to hunting beginning in 2006.
 - S23 & S27 were combined for licenses in 2008 (i.e., 2 licenses good for both units combined).
 - An all age die-off of the S70 herd began in Dec 2007. The 2007 population estimate is for prior to this die off.
 - Unit created and opened to hunting in 2009.
 - S26 license for 2008 was transferred to S?? and S26 was closed to hunting because of low sheep numbers.
 - S46 license also valid in S6 in 2009.
 - S47 licenses split

OPTION 1: REMOVING HANDHELD BOW LET-OFF RESTRICTION

FINAL REGULATIONS - CHAPTER W-2 - BIG GAME

ARTICLE I - GENERAL PROVISIONS

#200 - DEFINITIONS

See also §33-1-102 C.R.S. and Chapter 0 of these regulations for other applicable definitions.

- A. "Antlered" means any deer, elk, or moose with an antler or antlers of at least five (5) inches in length as measured on the outside curve of the antler from the skull to the tip.
- B. "Antlerless" means any deer, elk, or moose; including fawn deer and calf elk or moose; without antlers or with antlers of less than five (5) inches in length.
- C. "Antler Point" means a projection of the antler at least one (1) inch long and which is longer than the width of its base.
- D. "Bait" means any salt, mineral, grain, or other feed. Salt or mineral blocks used for normal agricultural practices are not considered bait.
- E. Bighorn Sheep:
 - 1. "One-half (1/2) curl ram" means: A male sheep with a horn or horns that have one (1) or both tips grown at least through one-half (1/2) or 180 degrees of a circle to be measured by first establishing a reference line which bisects the eye and the base of the ear; and which has horn tips which have grown at least as far as the projection of this reference line.
 - 2. "Three-quarter (3/4) curl ram" means: A male sheep with a horn or horns that have one or both tips grown at least through three-quarters (3/4) or 270 degrees of a circle to be measured by first establishing a reference line which bisects the eye and the base of the ear; then by establishing a line which intersects the reference line at the base of the ear, and is perpendicular thereto; and which has horn tips which have grown at least as far as the downward projection of the perpendicular line.
 - 3. "Ewe" means: any female sheep having a horn or horns of at least five (5) inches in length as measured on the outside curve of the horn from the skull to the tip.
- F. "Brow tine" means a projection of the antler at least five (5) inches long located on the lower half of the antler.
- G. "Buck" means any pronghorn with a black cheek patch and a horn or horns of at least five (5) inches in length as measured on the outside curve of the horn from the skull to the tip, excluding any prong or point occurring between base (skull) and tip.
- H. "Doe" means any pronghorn; including fawn pronghorn; without horns, or with a horn or horns of less than five (5) inches in length.
- I. "Game Management Objectives" means specific data analysis unit (DAU) objectives relative to long- term population and/or sex ratio objectives.

- J. "Intermingled Lands" means lands where: 1) private land deeded to one landowner completely surrounds public land, or 2) public land is intermingled with private lands owned by a landowner where a quantified access component exists, the landowner possesses some ability to affect game management on the adjacent public land, and the issuance of licenses valid on both private and public lands would help to achieve game management objectives.
- K. "Habitat Evaluation Committee (HEC)" means local advisory committees established in units where the Wildlife Landowner Conservation pilot program is implemented.
- L. Definitions related to Landowner Preference Program.
1. **"Agricultural Land"** means lands classified for the purposes of taxation as agricultural.
 2. **"Broker"** means for a third party to transfer a voucher for compensation or any other consideration, or otherwise arrange for such transfer, on behalf of the landowner, or land manager or on behalf of any individual.
 3. **"Land manager"** means an individual designated in writing by the landowner who is 1) a ranch manager, property manager, business partner, employee, or relative of the landowner who has control of the property or 2) a licensed outfitter or other individual who has entered into a written agreement with the landowner for control of the hunting operations on the property, and who has a working knowledge of the property, including but not limited to, boundaries and access points.
 4. **"Landowner"**- means a person that owns private agricultural land in Colorado, as shown by a recorded deed.
 5. **"Transfer"**- means to buy, sell, assign, trade, exchange, acquire or otherwise arrange to buy, sell, assign, trade, exchange, acquire or dispose of a voucher.
 6. **"Immediate family"**- means the landowner's spouse, parents, grandparent, children, grandchildren, and sibling including in-law and step relations.
 7. **"Voucher"**- means a document issued by the division, authorizing the landowner or any individual to whom the document is lawfully transferred to purchase a hunting license for the unit, species, sex and season printed on the document.
 8. **"Landowner Preference Program"** – means the license preference program for owners of private agricultural land established by § 33-4-103, C.R.S., and any implementing regulations adopted pursuant thereto.

#201 - LICENSE FEES

A. Big Game License Fees

1. License Fee Reduction:

In accordance with the provisions of §33-4-102, C.R.S., the following big game license fees shall be reduced to the fee specified herein, from the level set forth in §33-4-102, C.R.S.:

License Type	2021 License Fee	2022 License Fee
Resident Bear	\$38.00	\$38.70
Nonresident Bear	\$100.00	\$101.85

Resident Bear (Youth)	\$14.00	\$14.26
Nonresident Bear (Youth)	\$50.00	\$50.93
Nonresident Mountain Lion	\$350.00	\$356.48
Nonresident Antlerless Elk	\$514.88*	\$524.42*
*Nonresident Antlerless Elk license fee is set at 75% of the Nonresident Elk license fee.		

B. Combination Big Game/Annual Fishing Licenses for Nonresidents

1. Big game licenses issued to non-residents shall be issued as combination Big Game/Annual Fishing licenses, and for each such combination license purchased each year by a nonresident \$10 of the above license fee shall be allocated to the fishing portion of such combination license.

#202 - HUNTING HOURS

- A. Big game may be taken from one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset.

#203 - MANNER OF TAKE

See also #000 in Chapter 0 of these regulations for other applicable manner of take definitions.

- A. The following are legal methods of take for all species and seasons listed in this chapter, except as otherwise noted. Any method of take not listed herein shall be prohibited, except as otherwise provided by statute or these regulations:

1. Rifles using center-fire cartridges of .24 caliber or larger, having expanding bullets of at least seventy (70) grains in weight, except for elk and moose where the minimum bullet weight is eighty-five (85) grains, and with a rated impact energy one hundred (100) yards from the muzzle of at least one thousand (1000) foot pounds as determined by the manufacturer's rating, and except for mountain lion where any center-fire rifle using bullets of at least 45 grains and producing at least 400 foot pounds of energy at the muzzle may be used. Provided further that any semiautomatic rifle used shall not hold more than six (6) rounds in the magazine and chamber combined. A fully automatic rifle is prohibited.
2. Muzzle-loading rifles and smoothbore muskets, provided the minimum caliber shall be forty (.40) for all big game except elk and moose when hunting with conical bullets and fifty (.50) caliber when hunting with round ball bullets. The minimum caliber for elk and moose shall be fifty (.50) when hunting with conical bullets and fifty-four (.54) when hunting with round ball bullets. All muzzle-loading rifles and smoothbore muskets from forty (.40) caliber through fifty (.50) caliber must use a bullet of at least 170 grains in weight. All muzzle-loading rifles and smoothbore muskets greater than fifty (.50) caliber must use bullets of at least 210 grains in weight.
 - a. During the muzzle-loading firearms seasons for deer, elk, pronghorn, bear, and moose only lawful muzzle-loaders and smoothbore muskets may be used by muzzle-loading license holders.
 - b. During the muzzle-loading firearm seasons for deer, elk, pronghorn, bear, and moose the following additional restrictions apply:

1. Propellant/Powders: The use of pelletized powder systems and smokeless powder are prohibited.
 2. Projectiles: Sabots are prohibited. For the purposes of this regulation cloth patches are not sabots.
 3. Loading: Firearms must load from the muzzle. Firearms which can be loaded from the breech are prohibited.
 4. Sights: Any muzzle-loading rifle or smoothbore musket with any sighting device other than open or "iron" sights is prohibited.
 5. Electronic or battery-powered devices cannot be incorporated into or attached to the muzzle-loading firearm.
3. Handheld bows, including compound bows, using arrows equipped with a broadhead with an outside diameter or width of at least 7/8ths of an inch with no less than two steel cutting edges. Each cutting edge must be in the same plane throughout the length of the cutting surface.
- a. During the archery seasons for deer, elk, pronghorn, bear, sheep, goat, and moose, only lawful hand-held bows may be used by archery license holders.
 - b. Bows must have a minimum draw weight of 35 pounds. ~~The let-off percentage shall not exceed 80%.~~
 - c. No portion of the bow's riser (handle) or any track, trough, channel, arrow rest or other device, excluding the cable(s) and bowstring, that attaches to the bow's riser can contact, support and/or guide the arrow from a point rearward of the bow's brace height.
 - d. Bows can propel only a single arrow at a time and no mechanism for automatically loading arrows is allowed.
 - e. Equipment using scopes, electronic or battery-powered devices cannot be incorporated into or attached to the bow or arrow, with the exception of lighted nocks on arrows and recording devices on bows that cast no light towards the target and do not aid in range finding, sighting, or shooting the bow.
 - f. Hydraulic or pneumatic technology cannot be used to derive or store energy to propel the arrow. Explosive arrows are prohibited.
4. Shotguns, no smaller than twenty (20) gauge and firing a single slug.
5. Crossbows, provided the minimum draw weight is at least one hundred twenty-five (125) pounds and has a minimum draw length of fourteen (14) inches as measured from the front of the bow to the nocking point of the draw string and contain a positive mechanical safety device. In addition, the bolt must be at least sixteen (16) inches in length equipped with a broadhead with an outside diameter or width of at least 7/8th of an inch with no less than two steel cutting edges and each cutting edge must be in the same plane throughout the length of the cutting surface.
- a. Crossbows are not legal during the archery seasons for deer, elk, pronghorn, bear, sheep, goat, and moose.

6. Handguns, provided they have a minimum barrel length of four (4) inches and comply with the following criteria:
 - a. Except for mountain lion, use a .24 caliber or larger diameter expanding bullet with a rated impact energy of at least 550 ft. pounds at 50 yards as determined by the manufacturer.
 - b. For mountain lion only, use a centerfire handgun using bullets of at least 45 grains and producing at least 400 foot pounds of energy at the muzzle, as determined by the manufacturer.

Basis and Purpose:

Removing the maximum allowable let-off percentage for handheld bows.

Eliminating the maximum allowable let-off percentage for handheld bows gives hunters additional flexibility when selecting gear and reduces confusion for out-of-state hunters. It also gives vendors of archery equipment the ability to sell more types of equipment. Additionally, most other states do not have restrictions on the maximum hand-held compound bow let-off percentage, and the Pope and Young Club and Archery Trade Association support the elimination of the maximum bow let-off percentage. Furthermore, checking hunter compliance with any let-off percentage regulation in the field is difficult and maximum let-off percentages may lead to greater shot accuracy.

The statements of basis and purpose for these regulations can be obtained from the Colorado Division of Parks and Wildlife, Office of the Regulations Manager by emailing dnr_cpw_planning@state.co.us or by visiting the Division of Parks and Wildlife headquarters at 6060 Broadway, Denver, CO, 80216.

The primary statutory authority for these regulations can be found in § 24-4-103, C.R.S., and the state Wildlife Act, §§ 33-1-101 to 33-6-209, C.R.S., specifically including, but not limited to: §§ 33-1-106, C.R.S.

EFFECTIVE DATE – THE REGULATIONS HEREIN SHALL BECOME EFFECTIVE MARCH 2, 2022 AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL REPEALED, AMENDED OR SUPERSEDED.

APPROVED AND ADOPTED BY THE PARKS AND WILDLIFE COMMISSION OF THE STATE OF COLORADO THIS 12TH DAY OF JANUARY, 2022.

#201 - LICENSE FEES

A. Big Game License Fees

1. License Fee Reduction:

In accordance with the provisions of §33-4-102, C.R.S., the following big game license fees shall be reduced to the fee specified herein, from the level set forth in §33-4-102, C.R.S.:

License Type	2021 License Fee	2022 License Fee
Resident Bear	\$38.00	\$38.70
Nonresident Bear	\$100.00	\$101.85

Resident Bear (Youth)	\$14.00	\$14.26
Nonresident Bear (Youth)	\$50.00	\$50.93
Nonresident Mountain Lion	\$350.00	\$356.48
Nonresident Antlerless Elk	\$514.88*	\$524.42*
*Nonresident Antlerless Elk license fee is set at 75% of the Nonresident Elk license fee.		

B. Combination Big Game/Annual Fishing Licenses for Nonresidents

1. Big game licenses issued to non-residents shall be issued as combination Big Game/Annual Fishing licenses, and for each such combination license purchased each year by a nonresident \$10 of the above license fee shall be allocated to the fishing portion of such combination license.

#202 - HUNTING HOURS

- A. Big game may be taken from one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset.

#203 - MANNER OF TAKE

See also #000 in Chapter 0 of these regulations for other applicable manner of take definitions.

- A. The following are legal methods of take for all species and seasons listed in this chapter, except as otherwise noted. Any method of take not listed herein shall be prohibited, except as otherwise provided by statute or these regulations:

1. Rifles using center-fire cartridges of .24 caliber or larger, having expanding bullets of at least seventy (70) grains in weight, except for elk and moose where the minimum bullet weight is eighty-five (85) grains, and with a rated impact energy one hundred (100) yards from the muzzle of at least one thousand (1000) foot pounds as determined by the manufacturer's rating, and except for mountain lion where any center-fire rifle using bullets of at least 45 grains and producing at least 400 foot pounds of energy at the muzzle may be used. Provided further that any semiautomatic rifle used shall not hold more than six (6) rounds in the magazine and chamber combined. A fully automatic rifle is prohibited.
2. Muzzle-loading rifles and smoothbore muskets, provided the minimum caliber shall be forty (.40) for all big game except elk and moose when hunting with conical bullets and fifty (.50) caliber when hunting with round ball bullets. The minimum caliber for elk and moose shall be fifty (.50) when hunting with conical bullets and fifty-four (.54) when hunting with round ball bullets. All muzzle-loading rifles and smoothbore muskets from forty (.40) caliber through fifty (.50) caliber must use a bullet of at least 170 grains in weight. All muzzle-loading rifles and smoothbore muskets greater than fifty (.50) caliber must use bullets of at least 210 grains in weight.
 - a. During the muzzle-loading firearms seasons for deer, elk, pronghorn, bear, and moose only lawful muzzle-loaders and smoothbore muskets may be used by muzzle-loading license holders.
 - b. During the muzzle-loading firearm seasons for deer, elk, pronghorn, bear, and moose the following additional restrictions apply:

1. Propellant/Powders: The use of pelletized powder systems and smokeless powder are prohibited.
2. Projectiles: Sabots are prohibited. For the purposes of this regulation cloth patches are not sabots.
3. Loading: Firearms must load from the muzzle. Firearms which can be loaded from the breech are prohibited.
4. Sights: Any muzzle-loading rifle or smoothbore musket with any sighting device other than open or "iron" sights is prohibited.
5. Electronic or battery-powered devices cannot be incorporated into or attached to the muzzle-loading firearm.

3. Handheld bows, including compound bows, using arrows equipped with a broadhead with an outside diameter or width of at least 7/8ths of an inch with no less than two steel cutting edges. Each cutting edge must be in the same plane throughout the length of the cutting surface.

- a. During the archery seasons for deer, elk, pronghorn, bear, sheep, goat, and moose, only lawful hand-held bows may be used by archery license holders.
- b. Bows must have a minimum draw weight of 35 pounds. The let-off percentage shall not exceed ~~85~~80%.
- c. No portion of the bow's riser (handle) or any track, trough, channel, arrow rest or other device, excluding the cable(s) and bowstring, that attaches to the bow's riser can contact, support and/or guide the arrow from a point rearward of the bow's brace height.
- d. Bows can propel only a single arrow at a time and no mechanism for automatically loading arrows is allowed.
- e. Equipment using scopes, electronic or battery-powered devices cannot be incorporated into or attached to the bow or arrow, with the exception of lighted nocks on arrows and recording devices on bows that cast no light towards the target and do not aid in range finding, sighting, or shooting the bow.
- f. Hydraulic or pneumatic technology cannot be used to derive or store energy to propel the arrow. Explosive arrows are prohibited.

4. Shotguns, no smaller than twenty (20) gauge and firing a single slug.

5. Crossbows, provided the minimum draw weight is at least one hundred twenty-five (125) pounds and has a minimum draw length of fourteen (14) inches as measured from the front of the bow to the nocking point of the draw string and contain a positive mechanical safety device. In addition, the bolt must be at least sixteen (16) inches in length equipped with a broadhead with an outside diameter or width of at least 7/8th of an inch with no less than two steel cutting edges and each cutting edge must be in the same plane throughout the length of the cutting surface.

- a. Crossbows are not legal during the archery seasons for deer, elk, pronghorn, bear, sheep, goat, and moose.

6. Handguns, provided they have a minimum barrel length of four (4) inches and comply with the following criteria:
 - a. Except for mountain lion, use a .24 caliber or larger diameter expanding bullet with a rated impact energy of at least 550 ft. pounds at 50 yards as determined by the manufacturer.
 - b. For mountain lion only, use a centerfire handgun using bullets of at least 45 grains and producing at least 400 foot pounds of energy at the muzzle, as determined by the manufacturer.

Basis and Purpose:

Increasing the maximum allowable let-off percentage for handheld bows.

A citizen petition requested increasing the maximum allowable let-off percentage for handheld bows from 80% to 85%. Increasing the let-off percentage gives hunters additional flexibility when selecting gear and vendors of archery equipment the ability to sell more types of equipment to Colorado hunters.

FINAL REGULATIONS - CHAPTER W-2 - BIG GAME

#204 - VACANT

#205 - ANNUAL BAG LIMITS AND MAXIMUM NUMBERS OF LICENSES PER PERSON

- A. Deer, elk, pronghorn, black bear, mountain lion, moose, rocky mountain bighorn sheep, and mountain goat

The annual bag and possession limit for deer, elk, pronghorn, black bear, mountain lion, rocky mountain bighorn sheep, and mountain goat shall be the total number of animals taken on all licenses which can be legally obtained by the hunter for each species during that license year, as established in the following lists. Big game taken during a hunting season established as a portion of the preceding license year's hunting seasons shall be counted as part of the preceding year's bag limit. When a license allows hunting in more than one Game Management Unit, the unit listed in the hunt code on the license shall determine the maximum number of annual licenses a license holder may obtain for that species.

Notwithstanding the ("List A," "List B," "List C") license categories set forth in this regulation, any license that is administratively converted to a private-land-only license as part of the Landowner Preference Program will retain the ("List A," "List B," "List C") status of its original hunt code.

1. Deer
 - a. One License - Any hunter may obtain one deer license.
 - b. Two Licenses - A hunter may obtain two deer licenses if at least one of them is:
 1. a private land only antlered license for GMUs 29, 38, 51, 391 and 461.
 2. a private land only antlerless license,
 3. an over-the-counter either-sex whitetail only license,
 4. an either-sex whitetail only license, except Ranching for Wildlife license, for GMUs 59, 69, 84, 581,
 5. an antlerless whitetail only license, except Ranching for Wildlife license, or
 6. an antlerless license, except for Ranching for Wildlife license, for GMUs 15, 18, 20, 25, 26, 27, 28, 29, 30, 33, 34, 35, 36, 37, 38, 41, 42, 43, 44, 45, 47, 181, 361, 371, 421, 444, 471.
 7. a license issued for hunt code DE087O2X, DE093O2X, DM009L1R, or DM951P7R.
 - c. Any Number of Licenses - A hunter may also obtain any number of the following deer licenses:
 1. an auction license,
 2. a raffle license,

3. a game damage license,
4. a special population management license (except that a hunter may not purchase more than one extra antlerless Ranching for Wildlife license as provided in #271(A)(2)) , a special allocation Ranching for Wildlife license for donation to youths or hunters with mobility impairments,
5. a disease management license,
6. a replacement license for an animal found CWD positive,
7. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).
8. a Youth Outreach license, as provided in #206(B)(4)(e).
9. a license issued for hunt code DF029P5R, DF038P5R, DF038L1R, DF056L1R, DF069L1R, DF085P5R, DE087O2X, DF091P5X, DF092P5X, DF093O2X, DF096P5X, DF096P6X, DF101O2X, DF104L3R, DF391P5R or DF481P5R.

2. Elk

- a. One License - Any hunter may obtain one elk license.
- b. Two Licenses - A hunter may obtain two elk licenses if at least one of them is
 1. a private land only antlerless license,
 2. an over the counter antlerless archery license,
 3. an antlerless license, except for Ranching for Wildlife license, issued for GMUs 1, 2, 3, 4, 5, 6, 10, 11, 12, 13, ~~14~~, 15, 16, 17, 18, 21, 22, 23, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34, 37, 38, 40, 41, 42, 43, 50, 52, 82, 85, 86, 131, 133, 134, 140, 141, 142, 161, 171, 181, 201, 211, ~~214~~, 231, 301, 371, 411, 421, 441, 471, 500, 501, 512, 682, 691, 791, 851, or 861,
 4. a license issued for hunt codes EF009L1R, EM682P5R or EM682P6R.
- c. Any Number of Licenses - A hunter may also obtain any number of the following elk licenses:
 1. antlerless private land only license for GMUs 391 or 461,

B. Exceptions to Bag Limit Calculation The following big game animals shall not be counted against an annual bag and possession limit for that species:

1. Accidental Hunter Take: Any big game animal accidentally taken by a hunter, provided that prior to any further hunting the individual self-reports the incident to the Division as soon as practicable and the Division verifies the claim of accidental kill. For the purposes of this regulation an "accidental kill" means any unintentional taking of wildlife not resulting from carelessness or negligence on the part of the hunter.
 - a. Determination of whether the taking involves carelessness or negligence shall be based on a consideration of the totality of circumstance surrounding the taking including but not necessarily limited to, number of shots fired, number of animals present, number of animals killed or wounded, type of firearm or ammunition used, angle and distance of shot, species of animal, topography, ground cover, and light or weather conditions.
2. Accidental Vehicle Kills: Any big game animal accidentally killed by a motor vehicle or train shall not be counted against an annual bag limit for that species.
3. Damage Kills: Any big game animal causing damage and taken under the authority of §33-3-106 C.R.S.
4. Southern Ute Tribal Lands: Any big game animal taken on a Southern Ute Tribal Lands permit.

#206 - APPLICATIONS AND DRAWINGS FOR LIMITED LICENSES

A. Exceeding of Quota: The Division shall only exceed the number of licenses authorized by the Commission:

1. If there is proof of Division error in the application for or issuance of a limited license, provided that the director or his designee determines there will be no detrimental impact to the subject wildlife population.
2. To issue licenses to hunters with mobility impairments or United States Armed Services Wounded Warrior hunters, who qualify for such licenses in accordance with regulation #206(B)(4)(e) or #206(B)(4)(f), provided there is no detrimental impact to the established herd population and sex ratio objectives. For each of these two programs:
 - no more than 100 limited antlerless deer, 100 limited doe pronghorn, and 200 limited antlerless elk licenses may be issued each year.
 - no more than 100 total antlered or either-sex licenses for deer or elk and buck pronghorn licenses in the aggregate may be issued each year.
 Provided further, that limited license numbers for wildlife ranching properties cannot exceed the levels established by the Division and the landowner on the Ranching for Wildlife Seasons Form.

B. Application and Drawing Provisions and Restrictions:

1. General Provisions and Restrictions

- a. Number of Applications: No person may submit more than one application per year for the regular drawing process for a limited license for any big game species, or more than one application per year for a leftover limited license draw for any species.
- b. Additional Choice Applications: Any additional choice on any application must be for the same species as the first choice.
- c. Valid Applications: Only complete and correct application forms will be accepted. Any forms involved in a violation of (a) or (b) above will be considered to be incorrect. Any incorrect application by one member of a group will invalidate the entire application.
- d. To be eligible for any big game license draw an individual must have first purchased either a veterans lifetime resident combination license, a first responder lifetime resident combination license, an annual small game license, an annual small game/fishing combination license, an annual senior small game/fishing combination license, a senior lifetime fishing upgrade to an annual combination small game/fishing combination license, or an annual spring turkey license valid for the same license year as the big game license for which they are applying. Individuals that do not hold one of these qualifying licenses may not apply.
 - 1. To be eligible for the Secondary Draw, an individual must have first purchased either an annual fall turkey license valid for the same license year as the big game license for which they are applying or any one of the licenses listed in #206.B.1.d. valid for the same license year as the big game license for which they are applying. Individuals that do not hold one of these qualifying licenses may not apply for the Secondary Draw.
- e. Group Applications: Group applications are accepted for the regular drawing for all species except moose and desert bighorn sheep, with no limit on the number of applicants per group except as follows:

Bighorn Sheep	2 applicant maximum
Mountain Goat	2 applicant maximum

Provided further that residents and nonresidents may not apply for the sheep or mountain goat on same group application.
- f. Ranching for Wildlife: Non-residents are not eligible to apply for public Ranching for Wildlife licenses for any big game species.
- g. Bighorn Sheep Access Program: Non-residents are not eligible to apply for public Bighorn Sheep Access Program licenses.

2. Restrictions by Species

- a. Bighorn Sheep: Any person who harvests a Rocky Mountain bighorn sheep ram, one-half (½) curl or larger, except one taken on a Division auction or raffle license or a license issued in accordance with regulation #271 or #272, shall not be eligible to apply for, or participate in the drawing for a Rocky Mountain bighorn sheep ram license for the five years following the year in which the harvest occurred. During this five-year period a person may apply for a ewe license, but

if unsuccessful will not receive preference points or chances. Any person who harvests a desert bighorn sheep, shall never again be eligible to apply for or participate in a desert bighorn sheep license drawing.

- b. Mountain Goat: Any person who harvests a mountain goat, except one taken on an auction or raffle license, a special goat management license, or a license issued in accordance with regulation #271 or #272, shall not be eligible to apply for or participate in the drawing for a mountain goat license for the five years following the year in which the harvest occurred.
- c. Moose: Any person who harvests an antlered moose, except one taken on an auction or raffle license, or a license issued in accordance with regulation #271 or #272 shall never again be eligible to apply for or participate in an antlered or either-sex moose license drawing.

3. Application Submittal

- a. Applications for limited licenses will be accepted only by methods (on-line or by phone) provided by the Division.
- b. Application submittal shall include a \$7.00 non-refundable application fee for residents and a \$9.00 non-refundable application fee for nonresidents.
- c. Applications for the regular drawing must be submitted appropriately no later than 8:00 PM Mountain Time on the first Tuesday in April. Applications not submitted by this deadline are void.

4. Preference Systems

Note: see also §33-4-103, C.R.S.

- a. Landowner Preference: General Provisions
 - 1. Preference for hunting licenses under the Landowner Preference Program shall only be given to eligible landowners who apply using the Landowner registration form(s) provided by the division. Only complete and correct registration forms will be accepted. Except for the carryover registration provided in § 33-4-103(2)(c), C.R.S., registration in the Landowner Preference Program is valid for 5 years. All landowners shall re-register their properties every 5 years (or on or before July 1, 2016 for carryover registrations) to continue participation, if desired, in the Landowner Preference Program.
 - 2. As a condition of registration and participation in the Landowner Preference Program, landowners shall provide and maintain accurate ownership information with the division for all lands registered in the Program. During the statutory period of carryover registration provided in §33-4-103(2)(c), C.R.S., and any five-year registration period, landowners shall notify the division of any changes to required registration information in writing within 30 days.
 - 3. Landowner preference is species specific and available only in units that are totally limited for all rifle licenses for deer, elk or pronghorn and vouchers will be allocated to eligible landowners by unit, species, sex and season. In units where vouchers remain after the initial allocation,

eligible landowners may apply for the unused vouchers and shall pay \$25 for each reallocated female (antlerless/doe) and \$40 for each either-sex or male (antlered/buck) voucher. Unsuccessful applicants will receive a refund check.

4. Vouchers not otherwise allocated to landowners as part of the Landowner Preference Program shall be made available as licenses to the general public in the remaining limited licenses draws or sales.
5. All landowners and hunters participating in the Landowner Preference Program shall file reports using the forms provided by the division. Reports must be complete and correct, and submitted to the Division by within 30 days after the close of the season.
6. Landowners and their registered properties may be audited for compliance with eligibility requirements of the Landowner Preference Program during any carryover or 5-year registration period. Notice of any noncompliance will be provided in writing to the landowner and the landowner shall have 30 days to resolve the noncompliance or withdraw the property from the Landowner Preference Program.

b. Landowner Preference: Voucher Requirements and Restrictions

1. Vouchers shall only be transferred by the landowner or the landowner's land manager, if any, directly to an individual to be used by that individual for the purchase of a license. Landowners may only designate one land manager for all lands registered in the Landowner Preference Program in any one unit.
2. The transfer of any voucher must include permission to access and hunt all lands in the unit registered in the Landowner Preference Program for the entire season for which the voucher was awarded. Such access shall be allowed without discrimination between hunters accessing the property, and without restriction other than manner of access restrictions (foot, horseback, vehicular) that are reasonably necessary to prevent damage to property.
3. The transfer of a voucher by any person other than the landowner or the landowner's land manager to any person other than an individual for purchase of a license is prohibited. Violation of this prohibition shall void the voucher and any license purchased with it.
4. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher. Violation of this prohibition shall void the voucher and any license purchased with it.

c. Landowner Preference: Disqualification

1. Landowners, or the landowner's land manager, who fail to comply with any requirements of the Landowner Preference Program, may be disqualified from participation in the Program from one to five years. Disqualification of a joint or co-owner of property registered with the Landowner Preference Program shall disqualify all other joint or co-owners of the registered properties from participation in the Program.

2. Disqualification of a landowner from the Landowner Preference Program shall invalidate all preference points associated with property registered by the landowner in the Program.
 3. Any landowner, or the landowner's land manager, that has been disqualified from the Landowner Preference Program shall not register properties, apply for vouchers or acquire or use any vouchers during the term of disqualification. Landowners that have been disqualified from participation in the Landowner Preference Program shall be required to re-register at the end of their period of disqualification and prior to further participation, if desired, in the Program.
 4. Any other person that fails to comply with any requirements of the Landowner Preference Program may also be disqualified from participation in the Landowner Preference Program from one to five years. Any person disqualified shall not participate in the Landowner Preference Program in any manner, including, but not limited to, as a landowner, as a landowner's land manager, enrolling properties in any name, submitting applications for vouchers, receiving vouchers, transferring vouchers, redeeming vouchers or using licenses obtained with vouchers.
 5. Any person convicted of a violation of the Landowner Preference Program will be given notice in writing of their possible disqualification from the Landowner Preference Program and the opportunity to appear and show cause why they should not be disqualified from participation in the Program. Any such disqualification hearing shall be held in the Denver office of the division, or at another location acceptable to the division. Notice of any resulting disqualification shall be sent to the person by certified mail, return receipt requested.
- d. Youth Preference - a minimum of 15 percent of the number of the limited doe pronghorn licenses, limited either-sex and antlerless deer licenses and limited antlerless elk licenses established for each GMU shall be made available for purchase by qualified youth applicants. Licenses shall be available through application and computer selection from the Division headquarters, 6060 Broadway, Denver, CO 80216. Licenses not allocated to youth shall be made available to the general public in the remaining drawings.
1. Any eligible hunter, ages 12-17 is entitled to youth hunt preference for all seasons and methods of take for the license types listed in the preceding paragraph, except that public, non-youth only Ranching for Wildlife and Air Force Academy licenses shall not be included in this preference. The applicant must submit an individual application for the desired, eligible license on forms provided by the Division. Group applications will not be accepted for youth preference. Where more than one (1) hunt code choice is shown on the application, all hunt codes must be youth preference-eligible hunt codes or youth-only hunt codes.
 2. Youth preference will be set at 50% for all antlerless deer licenses in GMUs 54, 55, 66, 67, and 551.
- e. Youth Outreach Hunting Licenses – The Director may make additional youth outreach program deer, elk and pronghorn licenses available to qualified organizations sponsoring youth hunting activities.

1. There will be no more than 300 elk licenses (50 antlered or either-sex, 250 antlerless), no more than 200 deer licenses (50 antlered or either-sex, 150 antlerless) and no more than 200 pronghorn licenses (30 buck or either-sex, 170 doe) issued annually under this subsection.
 2. Licenses in game management units with at least one hunt code requiring 6 or more resident preference points to draw, excluding Ranching for Wildlife properties, will not be authorized for use under this subsection unless the request is for a hunt exclusively on private land.
 3. Licenses are issued on a first come, first served basis to qualified organizations. No more than 10 licenses may be issued per event to any single requesting organization.
 4. Requested dates for hunting events must occur between August 15 and January 31 each year.
 5. Organizations who wish to request a Youth Outreach license must submit the request in writing to Colorado Parks and Wildlife, State Hunter Outreach Coordinator, 6060 Broadway, Denver, Colorado 80216 no later than 60 days prior to the planned hunting event.
 6. Licenses are limited to youth hunters 12 to 17 years of age.
- f. Novice Adult Outreach Hunting Licenses – The Director may make additional novice adult outreach program deer, elk and pronghorn licenses available to qualified organizations sponsoring novice adult hunting activities.
1. For the purpose of these regulations a novice adult hunter is defined as a Colorado resident 18 years of age or older, who has either: no big game license purchase history, only held a big game hunting license(s) in the previous year, or has no big game license purchase history in the previous five years.
 2. There will be no more than 300 elk licenses (50 antlered or either-sex, 250 antlerless), no more than 200 deer licenses (50 antlered or either-sex, 150 antlerless) and no more than 200 pronghorn licenses (30 buck or either-sex, 170 doe) issued annually under this subsection.
 3. Licenses in game management units with at least one hunt code requiring 6 or more resident preference points to draw, excluding Ranching for Wildlife properties, will not be authorized for use under this subsection unless the request is for a hunt exclusively on private land.
 4. Licenses are issued on a first come, first served basis to qualified organizations. No more than 10 licenses may be issued per event to any single requesting organization.
 5. Requested dates for hunting events must occur between August 15 and January 31 each year.
 6. Organizations who wish to request a Novice Adult Hunter Outreach license must submit the request in writing to Colorado Parks and Wildlife, State Hunter Outreach Coordinator, 6060 Broadway, Denver, Colorado 80216 no later than 60 days prior to the planned hunting event.

- g. Hunting Licenses for Hunters with Mobility Impairments - The Director may make certain deer, elk, and pronghorn licenses available to qualified hunters with mobility impairments.
1. Applicants for hunting licenses for hunters with mobility impairments must have a mobility impairment resulting from permanent medical conditions, which makes it physically impossible for them to hunt without the assistance of an attendant. Evidence of an impossibility to participate in the hunt without the assistance of an attendant may include, but is not limited to, prescribed use of a wheel chair; shoulder or arm crutches; walker; two canes; or other prescribed medical devices or equipment.
 2. Applications for antlerless deer and elk and doe pronghorn licenses for hunters with mobility impairments shall be made on the form available from, and submitted with the applicable license fee to, the Division, Limited License Office, 6060 Broadway, Denver, Colorado, 80216. Applications for antlered deer and elk and pronghorn buck licenses for hunters with mobility impairments shall be made on the form available from, and submitted with the applicable license fee to, the applicable Division regional service center. Hunters may apply from the Monday after the May Commission meeting through the last day of the rifle seasons.
 3. Applications for hunting licenses for hunters with mobility impairments shall contain a statement from a licensed medical doctor or a certified physical, occupational, or recreational therapist describing the applicant's mobility impairment and the permanent medical condition which makes it impossible for the applicant to hunt without the assistance of an attendant. Additional documentation may be required if necessary to establish the applicant's eligibility for a hunting license for hunters with mobility impairments. For the 2001 seasons and thereafter, once certified by the Division as mobility-impaired according to these regulations, applicants will not be required to submit the medical statement.
 4. Antlerless deer and elk and doe pronghorn licenses will be available in all game management units with a total allocation of more than 100 antlerless deer or 100 antlerless elk or 50 doe pronghorn during the rifle seasons described in #250, #257, and #262 of these regulations. For any one game management unit no more than 10 licenses or 2 percent of the total number of limited antlerless deer or elk or doe pronghorn licenses for the game management unit, whichever number is greater, shall be issued as hunting licenses for hunters with mobility impairments for the species in question.
 5. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be private land only licenses and will be available for hunt codes requiring four or fewer resident preference points to draw in the previous year in all game management units with a total allocation of more than 100 antlered or either-sex deer, 100 antlered or either-sex elk, or 50 buck pronghorn during the rifle seasons described in #250, #257 and #262 of these regulations. For any one game management unit no more than 5 licenses or 2 percent of the total number of limited antlered, either-sex or buck licenses for the game management unit, whichever is

greater, shall be issued as hunting licenses for hunters with mobility impairments for the species in question.

6. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be approved by the applicable Regional Manager on a case-by-case basis for hunters who qualify as mobility-impaired in instances where an organization assisting hunters with mobility impairments has coordinated a hunting opportunity specifically for this program and where all other avenues of obtaining a license have been exhausted.
 7. Hunting licenses for hunters with mobility impairments will be valid only for the season dates and any units included in the authorized hunt code. Licenses for hunters with mobility impairments may not be issued for Ranching for Wildlife properties unless otherwise provided in the ranch contract.
- h. Wounded Warrior Hunting Licenses - The Director may make certain deer, elk, and pronghorn licenses available to qualified participants in any United States Armed Services Wounded Warrior programs.
1. Applicants must be members of the United States Armed Forces, who are residents of, or stationed in, Colorado returning from post-September 11, 2001 overseas contingency operations who have been so severely injured during combat, including combat-related support activities, that they will require years of intense, ongoing care or assistance. Additionally, applicants must be members of a United States Armed Services Wounded Warrior program, as defined in 33-4-102(1.9) C.R.S., and must be assigned to a military medical treatment facility at the time of application for this program.
 2. Applications shall contain a statement from a licensed medical doctor certifying the applicant's eligibility under the criteria in 1 above. Additional documentation may be required if necessary to establish the applicant's eligibility under this program.
 3. Applications for antlerless deer and elk and doe pronghorn licenses shall be made on the form available from the Division, Limited License Office, 6060 Broadway, Denver, Colorado. Applications for antlered deer and elk and pronghorn buck licenses shall be made on the form available from the applicable Division regional service center. Hunters may apply from the Monday after the May Commission meeting through the last day of the rifle seasons. Licenses issued under this program shall be issued as free licenses.
 4. Antlerless deer and elk and doe pronghorn licenses will be available in all game management units with a total allocation of more than 100 antlerless deer or 100 antlerless elk or 50 doe pronghorn during the rifle seasons described in 250, 257, and 262 of these regulations. Licenses issued for military installations will be exempted from these minimum license requirements. Wounded Warrior licenses issued for military installation property will be approved by the applicable Regional Manager. For any one game management unit no more than 10 licenses or 2 percent of the total number of limited antlerless deer or elk or doe pronghorn licenses for the game management unit, whichever number is greater, shall be issued as Wounded Warrior hunting licenses for the species in question.

5. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be private land only licenses and will be available for hunt codes requiring four or fewer resident preference points to draw in the previous year in all game management units with a total allocation of more than 100 antlered or either-sex deer, 100 antlered or either-sex elk, or 50 buck pronghorn during the rifle seasons described in #250, #257 and #262 of these regulations. Licenses issued for military installations will be exempted from these preference point and minimum license requirements. Wounded Warrior licenses issued for military installation property will be approved by the applicable Regional Manager. For any one game management unit no more than 5 licenses or 2 percent of the total number of limited antlered, either-sex or buck licenses for the game management unit, whichever is greater, shall be issued as Wounded Warrior hunting licenses for the species in question.
 6. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be approved by the applicable Regional Manager on a case-by-case basis for hunters who qualify under this program in instances where an organization assisting Wounded Warrior hunters has coordinated a hunting opportunity specifically for this program and where all other avenues of obtaining a license have been exhausted.
 7. Wounded Warrior hunting licenses will be valid only for the season dates and any units included in the authorized hunt code. Wounded Warrior hunting licenses may not be issued for Ranching for Wildlife properties unless otherwise provided in the ranch contract.
- i. Dream Hunt Hunting Licenses – The Director may make available additional deer, elk, pronghorn, mountain lion and black bear licenses to individuals qualified under this subsection.
1. Applicants for Dream Hunt licenses must be at least 12 and under 22 years of age, and must have a terminal illness or a life-threatening disease or injury.
 2. A request for a Dream Hunt license must be made, in writing, by a sponsoring organization, documenting the individual's life-threatening or terminal condition, desired, hunt experience, desired location, time frame and logistical considerations. Requests should be sent to the Division of Parks and Wildlife, Hunter Outreach Coordinator, 6060 Broadway, Denver, Colorado 80216.
 3. Requested dates for hunting events must occur between August 15 and January 31 each year, with preferred dates occurring during an existing season for the requested species. However, alternate dates may be approved by the Director on a case-by-case basis as an applicant's condition requires.
 4. Written landowner permission must be obtained prior to issuance of a license under this subsection if the individual will be hunting on private land.
- j. Preference Points and Chances

1. Preference will be given for qualifying applications for first choice hunt codes only and shall be subject to the following provisions:
 - a. Deer, Elk, Pronghorn, and Bear: one preference point will be awarded to each person who qualifies for and fails to draw a limited license for deer, elk, pronghorn, or bear as a first choice in the regular drawing or who applies using a first choice hunt code established for the purpose of accumulating a preference point only. Preference points will be used in future drawings for the same species and will accumulate until the applicant obtains a first choice license. When an applicant obtains a first choice license, all accumulated preference points for that species become void. If an applicant both fails to apply for a species and has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void. If an applicant accepts a first choice license that has been returned and reissued manually, all accumulated preference points for that species become void. No preference points are required for purchasing a returned license placed on the leftover list. In those hunt codes requiring 10 or more resident preference points to draw, up to 20 percent of available licenses for deer, elk, pronghorn and bear shall be issued through a random drawing. The number of preference points required to draw shall be determined by a three-year average for the 2007, 2008, and 2009 limited license draws. A minimum of five individual preference points is required for an applicant to participate in the random drawing. Group applications shall not be eligible to participate in the random drawing.
 - b. Rocky Mountain Bighorn Sheep, Mountain Goat, and Moose: One preference point will be awarded to each person who qualifies for and fails to draw a first choice license, until three preference points have been accumulated. Each time an applicant with three (3) points qualifies for and fails to draw a first choice license for rocky mountain bighorn sheep, mountain goat or moose the applicant will be awarded one (1) weighted preference point to be used in future drawings for that species. Applicants with at least three (3) preference points or any number of weighted preference points will be given weighted preference during the license drawings for each applicable species. Weighted preference is calculated by converting the applicant's original application number into a new random application number, then dividing that random application number by the number of weighted preference points the applicant currently has for that species plus one. The resulting number is the applicant's final and only application number. Final application numbers are sorted from lowest number to highest number, with licenses awarded to applicants starting on the top of the list (lowest number), working down the list until no licenses for that species remain. When an applicant obtains a first choice license, all accumulated preference points for that species become void. If an applicant both fails to apply for a species and has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void. If an applicant accepts a first choice license that has been returned and reissued, all accumulated preference points for that species become void.

- c. In addition to the \$7 application fee, a resident applicant who is unsuccessful on their first choice (except youth as defined by 33-4-117 C.R.S., lifetime license holders, and Colorado resident military personnel on active duty outside Colorado), or a resident who applies using a first choice hunt code established for the purpose of accumulating a preference point or weighted preference point only, for moose, Rocky Mountain bighorn sheep, or mountain goat will be assessed a \$50 fee to receive a preference point or weighted preference point. In addition to the \$9 application fee, a nonresident applicant who is unsuccessful on their first choice (except youth as defined by 33-4-117 C.R.S.), or a nonresident who applies using a first choice hunt code established for the purpose of accumulating a preference point or weighted preference point only, for moose, Rocky Mountain bighorn sheep, or mountain goat will be assessed a \$100 fee to receive a preference point or weighted preference point. The fee, per species, shall entitle the hunter to preference points or weighted preference points for any unsuccessful first choice moose, Rocky Mountain bighorn sheep, or mountain goat application in that year. If the applicant chooses to not pay the preference point fee, the applicant will not receive a preference point or weighted preference point for that application.
- d. Applications receiving preference points will be given priority over all applications with fewer points. Group applications will receive preference at the level of the group member with the fewest accumulated preference points, and, where applicable, the fewest accumulated chances, except that group applications will not be successful, regardless of preference point level or number of chances, when there are fewer licenses remaining in the hunt code quota than the number of applicants in the group.
- e. In lieu of applying through the regular limited license draw, any active duty member of the United States Armed Forces who is stationed at any military facility in Colorado and actively deployed outside the United States, or any active duty member of the United States Armed Forces who is a Colorado resident and is deployed outside the United States, shall, upon their return to the United States, be eligible to apply for preference points for any regular limited license draw that occurred during their absence. Applications for preference points shall be made on forms provided by the Division and filed within six months upon the member's return to the United States.

5. Drawing Processes

- a. Applications using landowner preference and youth preference shall be drawn, in that order, prior to drawing general public applications for the same species.
- b. Except as otherwise provided, applicants who applied properly for deer, elk, or pronghorn in the regular drawing and are unsuccessful will be given the option to apply for a leftover drawing.
- c. Unsuccessful applicants will be notified of their accumulated preference points on their on-line account.
- d. Nonresident hunter drawing limitations (first choice applications only)

1. Nonresidents hunters shall receive no more than 10% of available moose, bighorn sheep and mountain goat licenses for all hunt codes. In the event there are an insufficient number of nonresident applications for the allocated number of moose, bighorn sheep or mountain goat licenses in any hunt code, the excess nonresident licenses will be issued to residents through the regular drawing process. These drawing limitations do not apply to the issuance of Bighorn Sheep Access Program (BSAP) licenses.
2. Unless there is an insufficient number of resident applications, nonresident hunters shall receive no more than 35% of available deer and elk licenses for hunt codes requiring fewer than six preference points for resident hunters to draw in the regular drawing, and no more than 20% of available deer and elk licenses for hunt codes requiring six or more preference points for resident hunters to draw in the regular drawing as calculated using a three-year average for the 2007, 2008, and 2009 limited license draws. These drawing limitations do not apply to the issuance of Private Land Only and Ranching for Wildlife licenses.

~~6. Leftover Licenses, Drawing Provisions and Restrictions~~

- ~~a. Elk, deer, pronghorn and bear licenses which are not issued through the regular drawing will be issued as "leftover" licenses, (through one "leftover" drawing process if the number of "leftover" licenses is sufficient to justify the administrative cost).~~
- ~~b. Only persons who apply for a limited license and who are unsuccessful are eligible for the leftover license drawing. Applicants for the leftover drawing may only apply for the same species that they applied for in the initial drawing.~~
- ~~c. Any eligible hunter, ages 12—17 shall receive preference for leftover deer and elk licenses.~~
- ~~d. Any active duty member of the United States Armed Forces stationed at any military facility in Colorado and actively deployed outside the United States, or any active duty member of the United States Armed Forces who is a Colorado resident and is deployed outside the United States, shall be allowed a preference for the purchase of leftover licenses prior to their sale to the general public.~~
- ~~e. Group applications are not accepted for leftover licenses.~~
- ~~f. Applicants must apply on-line or over the phone following the regular drawing.~~
- ~~g. Applications must be submitted no later than 8:00 PM Mountain Time on the first Tuesday in July, annually. Applications not submitted by this deadline are void.~~
- ~~h. Leftover Ranching for Wildlife licenses will not be available through the standard over-the-counter leftover process. For information regarding the availability of these licenses on a first-come, first-served basis, please refer to the big game drawing brochure or call the Division at (303) 297-1192.~~

~~76. 2020~~ Secondary Draw, Leftover Licenses, Drawing Provisions and Restrictions

- ~~a. Starting in 2020, e~~Elk, deer, pronghorn and bear licenses which are not issued through the regular drawing will be issued through a secondary drawing process

if the number of remaining licenses is sufficient to justify the administrative cost, except the following licenses will not be issued through a secondary drawing process:

1. Any license that required five (5) or more resident preference points to draw as determined by the current year's limited license draw unless the license cannot be manually reissued to one of the first five (5) people on the regular draw list prior to the opening of the secondary drawing application period, and

4-2. Public Ranching for Wildlife licenses.

- b. Any eligible hunter, ages 12 – 17 shall receive preference for the secondary draw for elk, deer, pronghorn and bear licenses.
- c. There is no landowner preference for the secondary draw.
- d. Any active duty member of the United States Armed Forces stationed at any military facility in Colorado and actively deployed outside the United States, or any active duty member of the United States Armed Forces who is a Colorado resident and is deployed outside the United States, shall be allowed a preference for the purchase of leftover licenses prior to their sale to the general public.
- e. Group applications are not accepted for the secondary draw.
- f. Applicants for the secondary draw must apply on-line or over the phone following the regular drawing.
- g. Secondary draw applications must be submitted no later than 8:00 PM Mountain Time the last business day in June. Applications not submitted by this deadline are void.
- h. Secondary draw applications not submitted by 8:00 PM Mountain Time the last business day in June will become void.
- i. Except for Ranching for Wildlife licenses, any licenses remaining after the secondary draw, will be placed on the leftover license list and will become available through the standard over-the-counter leftover process. For information regarding the availability of leftover Ranching for Wildlife licenses available on a first-come, first-served basis, please refer to the big game drawing brochure or call the Division at (303) 297-1192.

#207 - SEASON PARTICIPATION

- A. A person may hunt in only one hunting season per license year for each big game species regardless of the method of hunting used, except in accordance with regulations #207B, #207C, or in #205, when the purchase of more than one license per species is authorized or when the animal taken is not counted against an annual bag limit.
- B. Except on Ranching for Wildlife properties and in GMUs 61, 62 and 512, youths ages 12-17 may participate in any open regularly scheduled antlerless rifle elk or antlerless rifle or Season Choice deer hunt starting after the last day of the season listed on their original license, in the same DAU and for the same species listed on their original license, provided they possess an unfilled limited antlerless or either-sex elk or antlerless deer license originally valid in that same DAU from a season which has already been completed, comply with applicable regulations for the specific

open regularly scheduled antlerless rifle hunt in which they participate, and are accompanied by a mentor if under 16 years of age. A mentor must be at least 18 years of age and comply with hunter education requirements. The mentor may not hunt except in units and in seasons for which they possess a valid license. Youths with an unfilled either-sex elk license who wish to hunt in any subsequent antlerless rifle season within the same DAU may do so provided that they must bring their license to the Division and have it converted to an antlerless license for the appropriate species prior to hunting. In GMUs 61 and 62, youth hunters may participate in the extended youth seasons as provided and restricted herein, except youth are further restricted to hunting in the same GMU where their original license was valid.

- C. Youths ages 12-17 may participate in any December or January pronghorn doe season in the state, provided they possess an unfilled pronghorn doe or either-sex license from a season which has already been completed for any other unit and comply with applicable regulations for the specific hunt in which they participate. Youths with unfilled either-sex pronghorn licenses who wish to hunt in the late youth pronghorn doe hunt may do so provided that they bring their license to the Division and have it converted to a doe pronghorn license prior to hunting.
- D. Any license marked or stamped for a season and unit, or portions thereof, is valid only as marked on the license.
- E. A person may only purchase an over the counter bear license for the archery or muzzleloader bear season (hunt codes listed in #237.A.2 and #238.A.2) if they also possess a deer or elk license for the same manner of take and an overlapping game management unit listed on that bear license. A person may hunt bear with an over the counter archery or muzzleloader bear license during any regular archery or muzzleloader deer or elk season west of I-25 or in unit 140, only if they also possess a deer or elk license (filled or unfilled) valid any day of the regular archery or muzzleloader deer or elk seasons. The person may hunt bear in any unit(s) for which their bear license is valid. If the deer or elk license is a Private Land Only license, use of the bear license is restricted to private land as well.
- F. Any person may take coyotes with an unfilled big game license in the same unit and season and by the same manner of take.

#208 - RESERVED

#209 - SPECIAL RESTRICTIONS

A. Private Land Only Seasons

- 1. All applicants for "Private Land Only" licenses must obtain permission to hunt from at least one private landowner within the game management unit prior to hunting.
- 2. Private land only licenses are valid on all private land within the game management unit upon which the license holder has permission to hunt.

B. Special restrictions for the James John State Wildlife Area.

- 1. Hunting access during the regular rifle deer and elk seasons is restricted to big game hunters only and to no more than twelve (12) permitted hunters per season/day. Access permits will be issued to successful applicants through a drawing as provided in these regulations from the Division's Pueblo Office through a hand-drawing. Permit applications may be obtained from the Division of Parks and Wildlife, 600 Reservoir Road, Pueblo, Colorado 81005 (telephone (719) 561-5300). Group applications will be accepted. No more than two (2) applicants per group. Application deadline is July

~~1 annually. Successful applicants will be notified by mail. The date, time and location of the drawing will be included on the application.~~

a. Permits will be issued for the following time periods:

1st Season - Separate Limited Elk - Entire Season

2nd Season - Combined Deer and Elk - Entire Season

3rd Season - Combined Deer and Elk - Entire Season

4th Season - Combined Limited Deer and Elk - Entire Season

b. For the 2nd and 3rd combined rifle seasons, a minimum of five (5) out of the twelve (12) permits will be issued to hunters with a valid GMU 140 deer license.

C. Off - Highway Vehicle (OHV) Weapon Restrictions during Big Game Seasons

1. All firearms, except pistols and revolvers, carried on an OHV during deer, elk, pronghorn or bear season must be fully unloaded (both the chamber and the magazine) and fully enclosed in a hard or soft case (no scabbards or cases with open ends or sides). All bows carried on an OHV during any deer, elk, pronghorn or bear season must be fully enclosed in a hard or soft case (no scabbards or cases with open ends or sides). This regulation shall not apply to any person; any member of such person's family, or an employee or agent of the person, carrying a firearm on an OHV for the purpose of taking depredated wildlife on property owned or leased by the person, pursuant to §§33-3-106 or 35-40-100.2, C.R.S.

D. Fluorescent Orange or Pink Garments

1. Except for archers hunting during a limited bear season, archers with an auction or raffle deer, elk, pronghorn or moose license hunting outside of a regular rifle season, private hunters hunting with archery equipment under the Ranching for Wildlife program, and archers hunting with an archery bear, deer, elk, pronghorn, or moose license, all persons hunting bear, deer, elk, pronghorn or moose shall be required to wear daylight fluorescent orange or fluorescent pink garments which comply with the requirements of §33-6-121, C.R.S.

2. Archers hunting deer, elk, bear and moose during the period of overlap of the September archery and muzzleloader seasons west of I-25 on public land only shall be required to wear a minimum of 500 square inches of solid daylight fluorescent orange or fluorescent pink garments above the waist, part of which must be a head covering visible from all directions.

E. Chronic Wasting Disease (CWD) Testing Requirements

1. Mandatory CWD Sample Submissions

The Director of the Division may establish and enforce mandatory CWD submission areas for species known to contract CWD. Such submission areas may be established and enforced where necessary to meet sampling requirements, and mandatory submittal shall end when the Division achieves sampling goals, as stipulated by Division staff prior to enacting any such mandatory submission requirement. At such time that mandatory submission areas are established public notice shall be given, including posting of mandatory submission requirements in applicable Division offices and license agents,

and when possible inclusion of such requirements in Division publications. Upon establishment of mandatory CWD submission requirements, it shall be unlawful to fail to submit CWD samples for the designated species harvested in designated mandatory submission areas.

F. Baiting of Big Game

1. It shall be unlawful to hunt big game over bait, regardless if the person hunting over such bait personally placed the bait or not.

#210 - RANCHING FOR WILDLIFE – DEER, ELK, PRONGHORN, BLACK BEAR, MOOSE, AND BIGHORN SHEEP

A. Implementation Authority

1. The Director is authorized to implement the Ranching for Wildlife program, including the authority to determine ranch enrollment status, enter into cooperative agreements with ranches, establish and modify public and private season dates on each ranch, and establish and modify license allocations to each ranch including the subsequent distribution of licenses to the public and private share annually, and may establish additional Ranching for Wildlife operating guidelines subject to the following provisions.

B. Ranch Entry and Maintenance

1. Ranches must have a minimum of 10,000 acres of privately owned land in one contiguous unit. Ranches that meet this 10,000-acre minimum requirement may include privately owned non-contiguous parcels in the program if the Director determines that their inclusion will contribute to meeting the performance standards for the ranch.
2. Ranches must develop a Ranching for Wildlife Management Plan that includes goals, objectives, and strategies for achieving such goals and objectives for wildlife habitat management, species management, and public hunting management. The Management Plan shall identify the Tier category in which the ranch seeks to be placed and what specific actions the ranch will take to achieve the appropriate Tier placement criteria. The Management Plan must be approved by the Division prior to execution of a Cooperative Agreement for Ranching for Wildlife.
3. Ranches may not charge public hunters an access fee for hunting.
4. Except as agreed to in writing by the Division when necessary to meet the ranch performance standards or as mutually agreed and contained in the Management Plan, ranches must provide for equality of access in terms of geographical area and mode of transportation for both public and private hunters. No closure or restriction of land or roads shall apply to public hunters that do not also apply to private hunters.
5. Public hunts must be established at a time when the species to be hunted are present and available for harvest. No public seasons shall be established during times when normal winter conditions would prevent access to most of the ranch, nor when normal migration patterns of the species to be hunted result in the species having migrated off the ranch.
6. Ranches that establish coinciding or overlapping public and private hunts may not exclude public hunters from any portion of the ranch due to the presence of private hunters.

7. The Ranch and the Division will mutually agree to ranch rules regarding access to and hunting on the ranch by public hunters. The ranch rules will be provided to hunters prior to seasons on the ranch in accordance with other provisions contained in this regulation.
 8. Enrolled ranches shall not be eligible for game damage payments or materials for those species hunted in the program when damage occurs within the boundaries of the enrolled portions of the ranch.
 9. The Division may, at its sole discretion, require ranches with public bighorn sheep hunting seasons to provide scouting access to those hunters and their companions prior to such seasons. Provisions for this scouting access shall be contained in the Management Plan.
- C. Cooperative Agreements, Enrollment, Denial of Enrollment, Termination of Enrollment
1. The Division is authorized to enter into Cooperative Agreements with ranches.
 2. Ranches may appeal enrollment decisions to the Commission.
 3. Cooperative Agreements shall incorporate approved Ranching For Wildlife Management Plans as part of the Cooperative Agreement.
 4. The Division shall periodically evaluate ranches for enrollment, contract performance, and Tier placement, and shall establish minimum performance standards for ranches enrolled in the program, including wildlife habitat management and improvement, public recreation opportunity and experience, and any factors intended to contribute to meeting Data Analysis Unit (DAU) management objectives. Such performance standards shall be incorporated into the Cooperative Agreement with the ranch.
- D. Season Structures, Manner of Take, License Restrictions
1. Public and private seasons opening and closing date parameters
 - a. Deer, elk, pronghorn, moose, and bighorn sheep seasons may not begin before the first day of the statewide archery season for that species, nor extend beyond January 31.
 - b. Black bear season may not begin before September 2, nor extend beyond October 31.
 2. Private season length
 - a. Deer, elk, or pronghorn private seasons are restricted to a maximum of ninety (90) days.
 - b. Moose or bighorn sheep private seasons are restricted to a maximum of 30 days.
 3. Public season length
 - a. Deer and elk public season length
 1. Antlered or either sex public hunting seasons shall be a minimum of ten (10) days in length for every licensed public hunter, either as a minimum of ten (10) consecutive days in length or divided into two (2) or more five (5) day periods.

2. Ranches must offer a total of at least ten (10) days of antlerless public hunting. The season may run a minimum of ten (10) consecutive days; or may be split into two (2) or more five (5) day periods in which a hunter's license is valid in each period; or may be split into two (2) or more five (5) day seasons in which a hunter's license is valid in one but not any other five (5) day season. Ranches electing to split seasons and limit hunter participation to a single five (5) day season must assure that total public hunter harvest and licenses available are as much or more than would be achieved in the other two antlerless season alternatives.
 3. All public seasons or periods will include one full weekend, but seasons need not open on weekend days.
- b. Pronghorn public season length
 1. Buck or doe hunting seasons shall be a minimum of five (5) days in length. All public seasons shall include one full weekend, but seasons need not open on weekend days.
 - c. Black Bear public season length
 1. Shall be a minimum of fifteen (15) days in length.
 - d. Moose public season length
 1. Antlered or antlerless public hunting seasons shall be a minimum of ten (10) days in length. Antlered seasons shall include a minimum of five (5) consecutive days without overlapping any antlerless moose hunting season on the ranch.
 - e. Bighorn sheep public season length
 1. Public hunting seasons for rams shall be a minimum of thirty (30) days in length and shall include a minimum of fifteen (15) consecutive days of hunting without overlapping any ewe hunting season on the ranch.
 2. Public hunting seasons for ewes shall be a minimum of fifteen (15) days in length.
 - f. Additional primitive weapon seasons may be established provided that the season is structured so there is a minimum of 5 days of opportunity in which the method of take is restricted to archery or muzzleloading rifles.
 1. These seasons shall be in addition to the previously mentioned minimum season lengths. Hunters drawing licenses for these seasons shall be allowed to hunt in the season with the restricted method of take and also in at least 10 additional days of opportunity with rifle method of take for moose, or antlered or either sex deer, elk, or black bear licenses; at least 5 additional days of opportunity with rifle method of take for pronghorn, or antlerless deer or elk licenses; at least 30 additional days of opportunity with rifle method of take for ram bighorn sheep licenses; and at least 15 additional days of opportunity with rifle method of take for ewe bighorn sheep. Additional primitive weapon seasons will include one full weekend.

4. Manner of Take

- a. Rifle hunting shall be the designated manner of take. Provided further that additional public hunting seasons beyond the previously mentioned minimum levels may be established with more restricted manner of take. Any such seasons and licenses allocated to those seasons are additional public hunting opportunity and shall not reduce licenses that would otherwise be allocated for the rifle seasons.

5. License Restrictions

- a. Ranching for Wildlife licenses are the only licenses valid for hunting of species under contract on the ranch, except as follows:
 - 1. Auction and raffle licenses may be used when there is not a public season for the same species in progress on the ranch.
 - 2. Antlerless deer or elk licenses may be used on a ranch when authorized in writing by the Division, subject to the following provisions:
 - a. There is an established season in which such licenses would be valid in the Game Management Unit (GMU) in which the ranch is located.
 - b. Such licenses shall not be used concurrently with any Ranching for Wildlife season, or at any other time when the Division determines that it would result in elk, deer, pronghorn, bighorn sheep, moose, or black bear not being available to Ranching for Wildlife public hunters.
 - c. The Division determines that any resulting harvest achieved will contribute to achieving DAU management objectives.
 - 3. Any Dream Hunt or Youth Outreach license may be used on a ranch when authorized in writing by the Division, subject to the following provisions:
 - a. Such licenses shall not be used concurrently with any public Ranching for Wildlife season, or at any other time when the Division determines that it would result in species under contract on the ranch not being available to Ranching for Wildlife public hunters.

E. License Allocation

- 1. A maximum of 1,000 licenses of each species and sex for deer, elk, and pronghorn, a maximum of 30 black bear licenses, a maximum of 20 licenses of each sex for bighorn sheep, and a maximum of 50 licenses of each sex for moose may be allocated to each ranch annually, and subsequently distributed to the public and private share according to the distribution table established in this regulation.
- 2. Division staff recommendations regarding license allocations for each ranch shall be forwarded to and approved by the Director based upon Data Analysis Unit harvest objectives, relative ranch land base and occupied habitat for each species on the ranch

to that of the Data Analysis Unit, hunter crowding, enhancement of hunter harvest, and relative densities of the species on the ranch.

3. Substitution of licenses of one species or sex for licenses of another species or sex shall not be permitted.
4. For purposes of determining distribution of licenses allocated to each ranch, either sex licenses will be treated as antlered licenses for deer and elk and buck licenses for pronghorn.
5. Landowner preference shall not be used for any public or private Ranching For Wildlife license. In addition, Ranching for Wildlife property may not be used to qualify for or receive landowner preference pursuant to §33-4-103, C.R.S.
6. The public share of the licenses in the following distribution tables represents the minimum for each species. Fractions of licenses shall be rounded up for public distribution licenses.

F. Youth Licenses

1. The Division and the ranch may formulate and implement youth hunting opportunities on any ranch through Division approved youth hunting programs. The Division must approve the youth hunting program on the ranch prior to any season or license allocation for such youth hunts.
2. A maximum of 15% of the total number for deer, elk, pronghorn, or black bear licenses allocated for a ranch may be allocated as youth hunting licenses on each ranch, over and above the total number of licenses allocated for a ranch.
3. Youth hunting seasons may occur at any time within the broad parameters for seasons within the Ranching For Wildlife program.
4. Youth licenses shall be distributed to individual youth hunters by mechanisms of the approved youth hunting program on the ranch. Youth licenses shall not count as either private or public licenses for purposes of calculating the relative share of other licenses allocated for the ranch.

G. Novice Adult Licenses

1. Starting in 2020, the Division and the ranch may formulate and implement novice adult hunting opportunities on any ranch through Division approved novice adult hunting programs. The Division must approve the novice adult hunting program on the ranch prior to any season or license allocation for such novice adult hunts.
2. A maximum of 15% of the total number for deer, elk, pronghorn, or black bear licenses allocated for a ranch may be allocated as novice adult hunting licenses on each ranch, over and above the total number of licenses allocated for a ranch.
3. Novice adult hunting seasons may occur at any time within the broad parameters for seasons within the Ranching for Wildlife program.
4. Novice adult licenses shall be distributed to individual novice adult hunters by mechanisms of the approved novice adult hunting program on the ranch. Novice adult licenses shall not count as either private or public licenses for purposes of calculating the relative share of other licenses allocated for the ranch.

H. License Distribution

1. Applications
 - a. Applications for private hunter licenses stamped with the ranch name and season dates shall be available to the landowner for distribution.
 - b. Public hunter licenses shall be available through application and selection from the Division during the annual limited license drawing process, except as provided in this regulation.

- c. Leftover Ranching for Wildlife Licenses: Ranching for Wildlife licenses which are not issued through the regular drawing will be issued as “leftover” licenses, only through the “leftover” drawing process, rather than through the over-the-counter leftover license process.

~~2. Trinchera Ranch—One hundred percent (100%) of the limited antlered public licenses and eighty percent (80%) of the limited antlerless public licenses shall be available through the Division’s annual limited license drawing process. Twenty percent (20%) of the limited public antlerless licenses will be allocated by public drawing at 1:00 p.m. on the second Wednesday in August, annually, alternating between two locations every other year. On even years, the drawing location is the Blanca / Ft Garland Community Center, Blanca, CO. On odd years, the drawing location is the San Luis Firehouse, San Luis, CO. Applications will be accepted between 9:00 am and noon, on the second Wednesday in August, annually. Given an unusual circumstance necessitating a location change, the Division will notify the public of such change 15 days prior to the drawing date.~~

I. Special Restrictions

- 1. Unless otherwise provided in these Ranching for Wildlife regulations all hunters must comply with other applicable regulations, including, but not limited to, manner of take (except that private hunters may use any legal weapon during private seasons), hunting hours, application requirements and deadlines, bag limits, season participation, mandatory checks, OHV restrictions, and other generally applicable regulations for big game hunting.
- 2. A copy of the mutually agreed upon ranch rules will be provided to all public hunters prior to their hunting season. All public hunters will be required to sign a statement acknowledging that they have read, understand, and agree to comply with all ranch rules, before the hunter is allowed access to the ranch.
 - a. Compliance with ranch rules is a specific condition of the Ranching For Wildlife public licenses and subsequent access to the ranch. In addition to criminal penalties, non-compliance with ranch rules constitutes grounds for suspension and revocation of the license and/or being prohibited from further participation in hunting on the ranch, and/or in the Ranching For Wildlife program as a public hunter.
 - b. Final determination on any legal action taken towards hunters found in non-compliance with ranch rules shall be made solely by officers of the Division. This includes any citation that may be issued for non-compliance with the provisions of a license, or directing a hunter to leave a ranch. Ranch personnel may not direct a hunter to leave a ranch without specific authorization of a Division officer.

#211- BIGHORN SHEEP ACCESS PROGRAM

A. Implementation Authority

- 1. The Director is authorized to implement the Bighorn Sheep Access Program (BSAP), including the authority to determine private land enrollment status, enter into cooperative agreements with legal landowners, establish and modify public and private season dates on each property, and establish and modify license allocations to each property including the subsequent distribution of licenses to the public and private share, and may establish additional BSAP operating guidelines subject to the following provisions. All new or renewed contracts must be signed by the Director by October 15 in order to participate in the program the following year.

B. Property Enrollment Constraints

1. Properties must have a minimum of 5,000 acres of privately owned land.
2. Except under the provisions of regulation #211(E)(5), there must be a sustainable population of Rocky Mountain bighorn sheep that are predictably present on the private lands and at times for which public hunting seasons may be set. All sheep on the property must be a part of a single bighorn sheep herd (DAU). Land under contract may not cross sheep herd boundaries. At least 60% of the sheep herd within the bighorn sheep game management unit to be hunted must be located on private land or State Trust Land.
3. Properties may not charge public hunters an access fee for hunting.
4. Except as agreed to in writing by the Division, enrolled properties must provide for equality of access in terms of geographical area and mode of transportation for both public and private hunters. No closure or restriction of land or roads shall apply to public hunters that do not also apply to private hunters.
5. Public hunts must be established at a time when sheep are present and available for harvest. No public seasons shall be established during times when normal winter conditions would prevent access to most of the property, nor when normal migration patterns would result in sheep having migrated off the property.
6. Ranches that establish coinciding or overlapping public and private hunts may not exclude public hunters from any portion of the property due to the presence of private hunters.
7. The private landowner(s) will provide to each public hunter a property information packet which includes, but is not limited to, property maps showing access routes and camping areas, and landowner contact information.
8. Enrolled properties shall not be eligible for game damage payments or materials for damage caused by Rocky Mountain bighorn sheep.

C. Cooperative Agreements, Enrollment, Termination of Enrollment

1. The Division is authorized to enter into cooperative agreements with private property owners. Multiple private property owners may participate in the program under a single contract as long as all legal owners agree to the same terms and requirements.
2. The Division shall establish minimum performance standards or requirements for properties enrolled in the program. Such performance standards shall be incorporated into the cooperative agreement with each property owner(s). Each cooperative agreement will include an option to renew at the end of the contract period if agreed to by both the Division and private landowner.
3. Each cooperative agreement will also contain a termination clause. Potential termination will be based on public hunter satisfaction that is within the control of the property owner or manager. No future private ram licenses will be allocated to a property after their contract is terminated.

D. Season Structures, Manner of Take, License Restrictions

1. Public and private seasons opening and closing date parameters

- a. Ram seasons may not begin before August 1 and may not extend beyond December 31.
 - b. Ewe seasons may not begin before September 1 and may not extend beyond January 15.
 - c. Public ram seasons shall always precede private ram seasons. When necessary for private and public seasons to be conducted in the same year, public ram seasons will occur prior to private seasons.
2. Private season length
- a. Private ram seasons shall not be less than 20 days nor greater than 60 days.
3. Public season length
- a. Public ram seasons shall be equal or greater in length to the private ram seasons, but not less than 30 days nor greater than 60 days. If multiple ram seasons are necessary to spread out hunting pressure, then season length may be shortened to not less than 20 days per season.
 - b. Ewe seasons shall be not less than 10 days in length with no more than a 5 day overlap with public ram seasons.
4. Method of take for ram hunting will be hunter's choice in accordance with regulation #203 of this chapter. Method of take for ewe hunting will be determined by contract negotiation.
5. License Restrictions
- a. BSAP licenses are the only licenses valid for hunting sheep on the property, except that auction and raffle licenses may be used when there is not a public season in progress on the property.

E. License Allocation

- 1. Division staff recommendations regarding license allocations for each property shall be approved by the Director.
- 2. All ewe licenses allocated are public licenses. The Division shall determine if ewe hunting is needed or desired for sheep management on the property.
- 3. The public share of the licenses in the following distribution table represents the minimum number of licenses provided to the public. Fractions of licenses shall be rounded up for public distribution licenses.

ROCKY MOUNTAIN BIGHORN SHEEP				
Private Share of Licenses			Public Share of Licenses	
% of total allocation to each enrolled property			% of total allocation to each enrolled property	
Option	Ram	Ewe	Ram	Ewe

A	67	0	33	100
B	75	0	25	100
C	50	0	50	100

4. Enrolled properties with a sustainable Rocky Mountain bighorn sheep population already present will have the choice between two license distribution options (option A or B). In order to receive the license allocation percentages listed in option B, a competent, skilled guide will be provided for free to the public ram hunter. The guide must be competent and knowledgeable of the property and of bighorn sheep behavior and use patterns on the property. The guide provided to the public ram hunter must be the same guide provided to the private ram hunter, unless otherwise agreed to in writing by the Division. In order to receive the license allocation percentages listed in option A, each public sheep hunter will receive free access to the property and a free area for camping if the property is located 40 minutes or more from public accommodations. No free guiding services are provided under option A.
5. Option C is available for property owners who would like their land evaluated for bighorn sheep transplant or augmentation for inclusion in the BSAP under option C. Notice of interest must be submitted in writing to the local district wildlife manager by April 1 annually. If the Division approves the transplant and property enrollment, the Division and landowner will share the costs of the trap and transplant operation. When the Division and property owner determine that the transplanted herd can sustain hunting harvest, the property will be opened to hunting under option C. Properties enrolled in the BSAP under option C will be enrolled for a 10-year period with bighorn sheep ram licenses being issued at a 1:1 public/private ratio during that period. After 10 years of hunting, the landowner may choose to withdraw from the program or re-enroll in a new contract under option A or B.
6. Public ram hunters will be allowed to bring a maximum of two additional non-hunting persons with them onto the property during their hunt. Ewe hunters will be allowed to bring a maximum of one additional non-hunting person with them onto the property during their hunt.
7. Landowners are not required to provide pre-draw or pre-season scouting access in any license allocation option.

F. License Distribution

1. Applications
 - a. Applications for private ram licenses stamped with the ranch name and season dates shall be available to the landowner for distribution.
 - b. Public hunter licenses shall be available through application and selection from the Division during the annual limited license drawing process.

#212 - 216 VACANT

#217 - SEASON TABLES AND HUNT CODE DESCRIPTIONS

- A. Big Game season tables are established by species (sheep, goat, bear, lion, deer, elk, pronghorn, and moose) and hunt (archery, muzzle-loading, early, regular, plains, private land only, late, and Ranching for Wildlife). Tables contain general information describing the hunt type, season dates, unit(s) or portions thereof, hunt code, license types, and numbers.

ARTICLE III - BIGHORN SHEEP

#218 - SEASON DATES, HUNT TYPE, UNITS (AS DESCRIBED IN CHAPTER 0 OF THESE REGULATIONS), AND LICENSE NUMBERS.

A. All rams taken shall be one half (1/2) curl or larger unless otherwise specified in these regulations.

#220 - SPECIAL RESTRICTIONS

- A. All bighorn sheep harvested through hunting after July 1, 1981, shall be inspected by an employee of the Division on or before the 5th working day after the taking thereof. Any licensee who takes a bighorn sheep shall personally present the sheep with the horns and skull intact to any Division office. A mandatory check report shall be completed at the time of inspection and each legally taken bighorn sheep ram shall have a Division permanent marker attached to the horn.
- B. Any bighorn sheep licensee who does not complete and return the mandatory questionnaire to the Division within thirty (30) days after the close of the season shall not be considered for any future bighorn sheep license.
- C. No person may barter, trade, transfer, or sell any bighorn sheep ram head or horns unless the horns have been inspected and permanently marked by the Division.
- D. Only bighorn sheep rams legally taken with a valid license will be permanently marked by the Division.
- E. Sheep hunters in S42, including auction and raffle hunters, are restricted to hunt weekdays only and are required to attend an S42 Waterton Canyon hunter orientation.

#228 - SPECIAL RESTRICTIONS

- A. All mountain goat hunters who take a goat shall personally present the goat with horns and skull intact to any Division office on or before the 5th working day after the taking thereof. A mandatory check report shall be completed at the time of inspection.
- B. Any mountain goat licensee who does not complete and return the mandatory questionnaire to the Division within thirty (30) days after the close of the season shall not be considered for any future mountain goat license.
- C. Where specified in regulation #227 of this chapter, auction and raffle hunters are also restricted to hunting weekdays only.

#229 - SPECIAL PROVISIONS REGARDING BIGHORN SHEEP, MOUNTAIN GOAT, MOOSE, DEER, ELK, AND PRONGHORN LICENSES AUTHORIZED BY AUCTION OR COMPETITIVE RAFFLE

See also §§33-4-116 through 116.5, C.R.S., concerning statutes for these auctions and raffles

A. Conduct of the Auction or Raffle. Any organization selected to conduct a license auction or raffle for the Wildlife Commission shall abide by the following rules:

1. General

- a. All auctions and raffles shall be carried out in accordance with applicable Colorado and Federal laws and the laws of the state where such auction or raffle is held. In the event the auction is held outside of Colorado and there is a conflict between Colorado and local laws, such conflict will be resolved in accordance with applicable principles of conflict of laws; provided the requirements of this regulation must be complied with.
- b. Unless their hunting license privilege is revoked or under suspension pursuant to the law of any state or country, any person, without regard to resident status or citizenship, is eligible to bid at competitive auction or to participate in any raffle for any license authorized by the Commission.
- c. Except as provided herein, auction and raffle licenses are non-transferable and shall be issued only to the winner of a raffle and the highest bidder at an auction. The highest bidder in any auction may give the license as a gift to another person provided written designation of such person is received by the Director at least 30 days prior to the opening of the season. Further, the Director may authorize a transfer of an auction or raffle license prior to the opening of the season due to death or medical incapacity of the holder of any auction or raffle license.
- d. Funds received by a conservation organization which conducts any auction for the Commission and due the Division shall be paid to the Division within 60 days after the auction and at least 30 days prior to the opening of the season. Funds received by a conservation organization which conducts any raffle for the Commission and due the Division shall be paid to the Division within 90 days after the raffle. No license shall be issued until such funds are received by the Division.
- e. The conservation organization shall ensure no discrimination against any person on the basis of race, creed, color, national origin, religion, sex, age (except as required by Colorado raffle statutes), marital status or physical handicap.

2. Competitive Auction:

- a. Conduct the competitive auction at a location reasonably accessible to prospective bidders.
- b. Utilize the services of a professional and experienced auctioneer.
- c. Accept verbal and customary bids as well as absentee written and telephone bids.
- d. No minimum bid shall be established.
- e. No buyers premium in any form may be charged.
- f. Advertise the location, date and starting time of the auction in at least one Colorado paper with statewide circulation. Also, announce the auction through at least two conservation or wildlife oriented magazines with nationwide circulation. Such advertisement shall be accomplished at least 30 days in advance of the auction.
- g. Accept payment by legal tender, cashier's check, certified check or major credit card.
- h. Provide appropriate Colorado hunting regulations and other information to potential bidders and other interested parties at least 10 days prior to the auction upon a request basis and to any in attendance immediately prior to and during the auction.
- i. Make award to the highest bidder, but maintain a record of the second highest bidder in case of payment default or other contingency.
- j. Conduct the auction in accordance with auction procedures established and announced at the start of the auction, including, but not limited to, re-bidding procedures. In the case of any dispute, the auctioneer shall make the final determination as to the highest competitive bid. In the event of a tie, the auctioneer may reopen the bidding of those two bidders to determining the highest bidder. The auctioneer has the sole discretion to advance the bidding and may reject a nominal or fractional advance over the preceding bid. The auctioneer may refuse any bid for reasonable cause.

3. Raffle

- a. Procedures for issuing and collecting raffle tickets and related funds, the location, date and approximate time of a random drawing and all other procedures pertaining to the raffle shall be published and made available upon request at least three (3) months prior to any drawing or award.
- b. Any raffle drawing shall be conducted at a meeting of a conservation organization open to general public attendance. The location, date and time of such meeting must be advertised at least 30 days in advance.
- c. Raffle tickets shall be available for a value of not more than \$25.00 each, and the same name shall not appear on more than 25 tickets.
- d. All tickets shall include a place for a name, address and phone number of the holder and all tickets and stubs shall be numbered. Winner need not be present.
- e. The location and time of the drawing as well as the purpose of the raffle and other information pertaining to the raffle shall be printed on each ticket.
- f. The raffle license shall be issued to the person whose name appears on the winning raffle ticket.

B. Auction and Raffle Licenses

1. Licenses issued by auction or raffle shall permit the taking of one animal of either sex, as defined or specified by unit or season in this chapter; except as otherwise provided in these regulations. Rocky Mountain bighorn sheep licenses are not valid for desert bighorn sheep.
2. All licenses issued as a product of a competitive auction or raffle shall be written at the Division headquarters.
3. There shall be no refund of any monies collected through auction or raffle.
4. Licenses for each species shall be valid on a unit-by-unit basis from the first open season in a unit for that species after August 1 through December 31, except as provided in regulation #210(D)(5)(a), #220(E), #228(C) or #4(a) below. Licenses are not valid in units, or portions of units, that do not have an open season for that species. An open season is any season in which licenses are issued by the Division for the species in question by drawing, over the counter, or in a Special Management License unit for bighorn sheep or mountain goat, upon request from an Auction and Raffle hunter as approved by the Division. Provided further, and except as otherwise provided herein, auction and raffle licensees must comply with all other unit specific restrictions provided by these regulations.
 - a. Licenses for deer shall be valid on a unit-by-unit basis from the first open deer season in a unit after August 1 through November 30 or the last day of the last open antlered or either-sex deer season in a unit, whichever comes later.
5. For sheep, goat and moose, manner of take must be consistent with manner of take restrictions for any ongoing open season, or if no open season is ongoing, restricted to the manners of take allowed in the unit or part of a unit.
6. For deer, elk, and pronghorn, any manner of take legal for that species can be used during the period the license is valid, except pronghorn licenses are valid by archery before the last Saturday in August.
7. Licenses will be valid for one year only and only in accordance with applicable provisions of this chapter and other appropriate regulations of the Commission, unless otherwise provided herein.
8. Prior to hunting, all holders of auction and raffle licenses shall provide the Division with the following information:
 - a. Anticipated hunting areas, including GMUs and nearest towns.
 - b. Vehicle descriptions.
 - c. Intended methods of take.
9. All auction and raffle hunters shall complete and return a harvest questionnaire provided by the Division within 30 days after the close of their final hunting season. All wildlife harvested through the use of an auction or raffle license shall be presented to and

inspected by an employee of the Division on or before the 5th working day after the taking thereof. Failure to present harvested wildlife for inspection as required by this regulation shall make the licensee ineligible for future licenses for that species in Colorado.

C. Expenditure of Auction and Raffle Proceeds

1. A Project Advisory Committee (PAC) shall be established for each species qualifying for auction and raffle licenses. Each PAC shall be made up of a spokesperson representative from each nonprofit, conservation organization selling an auction or raffle license for that species and a spokesperson representative of the Division. A conservation organization can abstain from participating on a PAC if they so choose or if they do not provide representation. In addition, the USFS, BLM, and other potentially affected land management agencies shall each have the opportunity to provide a spokesperson representative for each PAC at their discretion.
2. The Division shall be responsible for annual solicitation of project proposals requesting auction and raffle funding with a deadline no later than April 30th of each year. Funding can potentially be provided to government agencies, including the Division, nonprofit organizations, and private entities for appropriate projects as provided by Colorado laws. Each PAC shall review the project proposals for their respective species and recommend how auction and raffle proceeds for that species shall be expended. Each PAC shall make funding recommendations to the Division Director no later than May 31st of each year. Project funding shall require approval by the Division Director or a designee of the Director.
3. As provided by Colorado laws, auction and raffle funds for deer, elk, and pronghorn can be used interchangeably among said species and auction and raffle funds for bighorn sheep, mountain goats, and moose can be used interchangeably among said species. PACs that desire to recommend funding of projects using auction and raffle funds for a different species within an interchangeable group shall include in their recommendations for funding the respective recommendations of any PAC responsible for an affected species.

D. Accounting of auction and raffle proceeds.

1. Each conservation organization receiving an auction or raffle license for sale shall enter into an agreement with the Division that includes requirements for auction and raffle income and disposition records. Each organization shall maintain records of activities relating to auction and raffle proceeds retained by the organization. Such records shall be available for inspection by the Division at all reasonable times and subject to audit by the state.
2. The Division shall provide each conservation organization with a list of all projects that have been approved for auction and raffle funding each year.
3. The Division shall provide the PAC committees with current auction and raffle fund balances by May 1st of each year.
4. Recipients of auction and raffle funds must provide an annual status report to the Division by July 1st for each fiscal year funding is provided. In some cases the Division may also request a comprehensive final report. At a minimum, such reports must provide a summary of accomplishments and results in relation to proposal objectives and a basic accounting of auction and raffle fund expenditures. The Division may request additional follow-up information such as more detailed records of results and expenditures. Failure to provide a satisfactory report or follow-up information can result in termination of

auction and raffle funding at the discretion of the Division. The Division shall provide copies of available annual status reports and final reports to each PAC upon request.

#230 - SPECIAL MANAGEMENT LICENSES FOR SHEEP AND GOAT

- A. The Director is authorized to issue special management licenses for bighorn sheep or mountain goat when necessary to:
 - 1. prevent exposure of a sheep or goat population to disease which could result from sheep or goats having had contact with domestic livestock which present a disease transmission risk; either within or outside of an established game management unit; or to prevent the potential spread of disease by sheep or goats pioneering from units with such disease.
 - 2. allow for targeted surveillance of sheep and goat populations for management purposes.
 - 3. prevent unplanned expansion of sheep or goats outside of established game management units for the species.
- B. Licenses will be offered to unsuccessful applicants for an adjacent or nearby unit for the same species, in the order in which they would have been drawn if successful.
- C. Manner of Take will be rifle and associated methods.
- D. Mandatory check requirements are the same as for established seasons for sheep or goat, except that mandatory tissue submission requirements may be stipulated for individual targeted surveillance hunts.
- E. Such licenses will not use or generate preference points.

#240 - VACANT

#241 - SPECIAL RESTRICTIONS

- A. No person shall hunt, take or harass a bear in its den.
- B. No cubs shall be killed nor shall any black bear accompanied by one (1) or more cubs be killed. As used herein a "cub" shall mean any black bear less than one (1) year of age.
- C. Inspection and Seal Required.
 - 1. Black bear taken by licensed hunters shall be personally presented to the Division or other official designated by the Division for inspection and sealing within 5 working days after the taking thereof. Bear heads and hides must be unfrozen when presented for

inspection. If not unfrozen, the Division may retain heads and hides as necessary for thawing sufficient to extract a premolar tooth. No fee shall be required for the inspection and issuance of a legal possession seal, which shall remain attached to the hide until such hide is tanned.

2. Black bears shall not be transported, shipped or otherwise taken out of Colorado until the hide and skull are inspected and sealed by authorized personnel of the Division. Possession of any bear hide not having a seal attached within the 5 working days shall be unlawful and such hide shall become the property of the State.
 3. Inspection and sealing shall be arranged by contacting the Division Officer or the Division office.
 4. A mandatory check report shall be completed at the time of inspection.
 5. At the time of the mandatory check, the Division shall be authorized to extract and retain a premolar tooth.
- D. Individuals taking black bear under authority of §33-3-106(3) shall report the bear within five (5) days after the taking thereof as required by said statute and the carcass, hide and other parts of the bear shall remain the property of the state.

ARTICLE VI - MOUNTAIN LION

#242 - RIFLE AND ASSOCIATED METHODS MOUNTAIN LION SEASONS

- A. General and Extended Seasons
1. Dogs may be used to hunt mountain lion. However, the pack size shall be limited to no more than eight (8) dogs.
 2. The hunter that takes a mountain lion shall be present at the time and place that any dogs are released on the track of a mountain lion and must continuously participate in the hunt until it ends. After a mountain lion has been pursued, treed, cornered or held at bay, a properly licensed person shall take or release the mountain lion immediately. No person shall in any manner restrict or hinder the mountain lion’s ability to escape for the purpose of allowing a person who was not present at the time and place that any dogs were released, to arrive and take the mountain lion.
 3. Electronic calls are prohibited for use in the taking of big game species, except:

B. Licenses and GMU Harvest Limit Status

1. A valid mountain lion license is required to hunt any mountain lion.
2. Except as provided in 33-3-106 C.R.S., it is unlawful for any person to purchase or obtain a mountain lion hunting license or hunt mountain lions unless the person obtains a mountain lion education certificate issued by the Division attesting to the person's successful completion of the Division's certified mountain lion education and identification course. Any person required to obtain such a certificate shall have the certificate on his or her person while hunting or taking mountain lion.
3. Prior to each hunting trip in any game management unit, but not earlier than 5:00 p.m. of the day before hunting, lion hunters must check the *Available Lion Harvest Limit Report* on the Division website or any Division office to determine which game management units have not reached the unit harvest limit and are open to hunting. It shall be unlawful to hunt in a unit after it is closed.

C. Special Restrictions

1. Reporting and Sealing
 - a. The taking of mountain lions by licensed hunters shall be reported to the Division within 48 hours after the taking thereof, and except as provided in these regulations, the lion shall be personally presented by the hunter for inspection and sealing within five (5) days after the taking thereof. Mountain lion heads and hides must be unfrozen when presented for inspection. If not unfrozen, the Division may retain heads and hides as necessary for thawing sufficient to extract a premolar tooth. A mandatory check report shall be completed at the time of inspection.
 - b. At the time of the mandatory check, the Division shall be authorized to extract and retain a premolar tooth.

2. The legal possession seal when attached to the mountain lion skull or hide shall authorize possession, transportation, tanning or mounting thereof. No fee shall be required for the inspection and issuance of a legal possession seal which shall remain attached to the skull or hide until processed. Mountain lions shall not be transported, shipped or otherwise taken out of Colorado until the hide and skull are inspected and sealed.
3. Lions with Kittens – No person shall kill a mountain lion accompanied by one or more kittens or kill a kitten.
4. “Kitten” shall mean a lion with spots.

#257.5 - SPECIAL RESTRICTIONS

A. Unit 512 - Air Force Academy

Hunters must apply in person, no later than May 31 annually to participate in a random drawing to be placed on a priority list of hunters. Applications along with a non-refundable application fee not to exceed \$10.00 will be accepted at the Academy's Outdoor Recreation Center, Building 5136 - Community Center Drive, AFA, Colorado Springs.

The first 15 hunters drawn will be placed on the list and will be notified of their placement by June 15 annually. When elk are available to be hunted, up to 4 hunters will be called. After obtaining a license, paying a fee not to exceed \$30.00 to the Academy and receiving a safety briefing, hunters will be escorted on the hunt. Hunters may decline one opportunity to hunt and hold their place on the list. Hunts will continue when possible until (30) antlerless elk have been taken.

B. Units 79 (south of Colo 112), 82, 682 and 791 – San Luis Valley Damage Elk Hunts

1. The purpose of these hunts is to provide flexibility in managing damage by elk and maintain landowners' rights to determine who may enter their property. Most license vouchers may be issued to friends and family of the landowner. Opportunities for non-associated public hunters may exist and will be selected from a list of interested hunters.
2. License vouchers may be transferred one time only, and shall only be transferred by the landowner to the hunter that will use the voucher to purchase the license. Third-party brokering of landowner vouchers is not permitted. Violation of this subsection shall invalidate the applicable landowner voucher and any license purchased with it.
3. Public hunters must apply no later than July 15 annually, to participate in a random drawing to be placed on a priority list of hunters. Applications will be accepted at the Monte Vista Service Center at 0722 S Rd. 1 E, Monte Vista.
4. Hunters drawn will be placed on the list and the top 10 hunters on the list will be notified of their placement no later than August 15 annually. When elk are available to be hunted, up to

4 hunters will be called. Hunters may decline one opportunity to hunt and hold their place on the list. Hunts will be conducted on an as-needed basis to alleviate game damage.

C. Units 80, 82, and 83 – San Luis Valley US Fish and Wildlife Refuge Permits

1. ~~Starting in 2016, t~~The United States Fish and Wildlife Service (USFWS) ~~will~~ allow s a ~~limited maximum number~~ of five (5) elk hunters to access ~~and~~ to hunt on the Alamosa (GMU 83) and ~~, Baca, and~~ Monte Vista (GMU 80) National Wildlife Refuges at any one time. This application and drawing process creates a hunter list for each season identifying the first five (5) hunters and the position of the others on the list. As elk are harvested, hunters from the list are given permits to hunt. To be eligible for an access permit, hunters must hold an elk license that is valid for the season and refuge for which they wish to apply. The following seasons are currently open to permitted hunting on each of these refuges~~one of the following elk licenses in either GMU 80, 82, or 83:~~

- a. ~~A~~ Either-sex archery;
- b. ~~M~~ Antlered muzzleloader;
- c. ~~F~~ Antlered or either-sex first rifle;
- d. Second rifle ~~Antlered or either-sex fourth rifle;~~
- e. ~~e.~~ Any limited antlerless license Third rifle;
- e.f. Fourth rifle.

2. To be entered into the drawing, eligible hunters must email the following address starting the day after left-over license day: montevista.wildlife@state.co.us. Hunters will receive an automatic email response with a link to the Refuge Access Permit Application Form. Hunters must provide the following information to apply:

- a. The hunter's name, phone number and email address. The email address of another person will be accepted as long as the hunter can be contacted directly via the phone number provided.
- b. The hunter must have purchased a license that is valid for both the unit and the refuge prior to submitting the application.
- c. The hunt code for the license with which they wish to hunt.
- d. The hunter's customer identification number (CID).

~~Hunters will need to complete the Application Form and select the correct refuge for which their license is valid in order to be entered. Applications will be accepted for five days starting the day after the left-over license day. Permits for the refuges will be issued via email after a random drawing held under the direct supervision of the area wildlife manager and no later than August 25. Emailed entries will only be accepted for five days after left-over license day. Permits for these three refuges will then be issued at the Monte Vista Service Center via a random drawing on August 15, 2018, held under the direct supervision of the area wildlife manager.~~

2.3. The Baca National Wildlife Refute (GMU 82) is open to hunters who have purchased a valid regular season public land elk license for GMU 82. Contact the Monte Vista office for refuge-specific rules and information.

*Licenses associated with this hunt code are guaranteed to hunters in 2021 due to natural disaster relief (see table #270.B for license numbers)

Guaranteed Licenses, Antlerless Archery, Muzzle-loading firearms (rifle and smoothbore musket), and Rifle Season Dates, Units and Limited Licenses. Allocation of these licenses will float between the moose seasons in accordance with the hunt code chosen by successful applicants. Returned licenses for these hunt codes will be manually reissued to applicants from the 2020 limited license drawing of the original hunt code after the draw occurs.

*Licenses associated with this hunt code are guaranteed to hunters in 2021 due to natural disaster relief (see table #270.D for license numbers)

D. ——— Guaranteed Licenses, Season-Choice Antlered and Either-Sex Moose Seasons, Dates, Units (as described in Chapter 0 of these regulations). Licenses are valid during Archery, Muzzleloader, and Rifle seasons until filled. License holders must comply with all applicable season restrictions, including but not limited to, applicable season dates and manner of take restrictions. Returned licenses for these hunt codes will be manually reissued to applicants from the 2020 limited license drawing of the original hunt code after the draw occurs.

E. Special Restrictions

1. All moose licensees shall complete and return a harvest questionnaire provided by the Division within 30 days after the close of their hunting season. Any moose licensee who does not complete and return the mandatory questionnaire as required shall not be considered for any future moose license.
2. All moose harvested through hunting shall be submitted for inspection to an employee of the Division on or before the 5th working day after the taking thereof. Any licensee who takes an antlered moose shall personally present the head, with antlers attached, to any Division office. Any licensee who takes an antlerless moose shall personally present a front incisor tooth or the entire head to any Division office. Moose heads must be unfrozen when presented for inspection. If not unfrozen, the Division may retain heads as necessary for thawing sufficient to extract the incisor teeth. A mandatory check report shall be completed at the time of inspection.
3. At the time of the mandatory check, the Division shall be authorized to extract and retain the incisor teeth.

Special Seasons

ARTICLE XII - SPECIAL HUNTING SEASONS/LICENSES FOR BIG GAME

#271 - BIG GAME ANIMALS CAUSING DAMAGE AND BIG GAME POPULATIONS OVER OBJECTIVE

A. Special Population Management Seasons for Big Game Ungulates

1. The Director shall have the authority to establish special management seasons for antlerless or female big game ungulates in specific game management units or portions thereof which significantly exceed the population objective, when the anticipated harvest from the current year's archery, muzzle-loading and regular rifle seasons did not occur. Provided further that the Director shall have the authority to establish these hunts between November 16 and February 28, to specify a time period for each of these hunts but not to exceed ten days each, and shall authorize hunters to use designated unfilled big game licenses for these hunts and units.
2. The Director shall have the authority to allocate antlerless deer and/or elk licenses on existing Ranching for Wildlife properties located in game management units where deer or elk populations significantly exceed the population objective. These licenses shall be in addition to the number of licenses allocated to each ranch pursuant to the Cooperative Agreement established in #210(A)(2). The additional allocation and use of the antlerless licenses provided for in this section shall be in the same proportion, by species (not sex), as established in the ranch's respective Cooperative Agreement and subject to the following provisions:
 - a. No ranch shall be required to accept any additional antlerless licenses.
 - b. The public allocation of such additional antlerless licenses shall only be offered to hunters who have successfully drawn antlered, either-sex or antlerless licenses for the same species on the ranch. Public hunters who choose to purchase one additional antlerless license from the Division shall be required to use the additional license during the season established for the license for which they

drew. No more than one additional antlerless license will be available to any public hunter.

B. Special Game Damage Seasons for Big Game Ungulates

1. The Director shall have the authority to establish special hunting seasons for big game ungulates, between August 15 and February 28, when necessary to control damage to property. Seasons shall be for the taking of antlerless or female animals unless the Director has determined that the taking of antlered animals is necessary in order to alleviate the damage.
 - a. Game damage hunts are limited to a maximum of 50 licenses per species per Game Management Unit or 30 percent of the antlerless, either-sex, or doe licenses issued for the DAU (whichever is greater), unless a distribution management plan establishing a different percentage has been approved by the Parks and Wildlife Commission or additional permits are approved by the Director or his designee.
 - b. On private lands and Russell Lakes, Rio Grande and Higel State Wildlife Areas, the Area Wildlife Manager (AWM) is authorized to conduct these seasons based upon the following criteria:
 1. The AWM finds that such a season would be consistent with the distribution management plan approved by the Parks and Wildlife Commission.
 2. When there is no approved distribution management plan, the AWM finds that a season will reduce or eliminate damage for which the Division is liable, and that holding a season would be desirable considering
 - a. The species and number of animals involved.
 - b. The number of animals that would have to be removed to reduce or eliminate damage.
 - c. The location of the damage problem.
 - d. The type and extent of damage.
 - e. The time of year and its relationship to the life history of the animals.
 - f. The length of time such damage will continue without big game removal.
 - g. Management closures, hunting seasons and other public use.
 - h. The effect on population objectives for the GMU and DAU.
 - i. Whether landowner operations (e.g., harvesting) or critical wildlife biological activities (e.g., fawning) would be interrupted.
 - j. Safety risks.

- k. Any other pertinent factors.
 - 3. The Area Wildlife Manager shall provide the landowner with special application forms for distribution to individuals of their choice. Participants shall submit the completed application form with payment to the Division office indicated on the application.
 - 4. In the event the landowner cannot secure enough people to effect an adequate harvest the Division can assist in locating individuals.
- c. The Division shall
 - 1. Verify that damage or conflicts are occurring or can reasonably be anticipated to occur.
 - 2. Designate what area shall be open to hunting.
 - 3. Determine the manner of hunting that will be permitted.
 - 4. Determine the number of hunters allowed to hunt in each designated area.
- d. Hunting will be done under the direction of a District Wildlife Manager, following approval by the owner of land where such damage is occurring.
- e. Hunters shall hunt in designated areas and on the dates indicated on the license.
 - 1. A map or a written description of the designated area open to hunting (which would include, but would not be limited to landowner(s) name, game management unit, township, range and section(s) and/or identification of landmarks such as roads, rivers, or fence lines which coincide with boundaries), will be provided to each licensed hunter by the Division.
- f. Any person who purchases a license for a game damage season shall be required to complete a Division harvest survey form and return it to the Area office that is nearest the location of the hunt no later than 5 days after the season ends.

C. Special Game Damage Licenses for Bear and Mountain Lion

- 1. The Director shall have the authority to establish special hunting licenses for mountain lion and bear, which allow for take in excess of the otherwise applicable limited license numbers or quotas, when necessary to control damage to private property.
 - a. AWMs are authorized to issue these bear and mountain lion licenses to address specific animals determined after an investigation to be causing damage to private property.
 - 1. Bear or mountain lion licenses above the established limited license numbers or quota for the area may be issued only where necessary to take specific animals determined after an investigation to be causing damage to private property.

2. Bear hunting authorized under this provision will be conducted between September 2 and the end of the fourth regular rifle season annually.
 3. Mountain lion hunting authorized under this provision will be conducted during established lion seasons.
 4. Licenses will be issued only if licenses are not otherwise available for purchase under standard license distribution methods or where mountain lion quotas have been reached in the area.
 5. License will be restricted by manner of take, period of time within the dates specified above, and location within the GMU(s) or DAU(s) in question as necessary to ensure the offending animal is appropriately targeted.
 6. Hunting will be conducted under the direction of a District Wildlife Manager.
- b. Any person who purchases a license shall be required to complete a Division harvest survey form and return it to the Area office that is nearest the location of the hunt no later than 5 days after the end of the hunting period authorized by the license.
 - c. Bear and mountain lion taken pursuant to a license issued under this provision shall not be counted against the annual bag and possession limit for the species in question.

D. Special Hunting Season In Game Management Unit 20 For Cow Elk Normally Not Available For Harvest During Regular Or Late Big Game Seasons:

1. Season dates, license types, permit numbers will be established by the Director or his designee.
2. The Division will designate the area open to hunting, manner of take, and season dates which are necessary to achieve its population management objective for this population of elk. Hunting shall occur only during the designated time periods indicated on the hunter's license and only in those areas specifically designated on the map provided by the Division. Special Unit 20 cow elk hunts shall be established based on the following criteria: (a) the hunt does not fall within the criteria established for game damage hunts; (b) snow ground cover and/or other conditions favor are expected to favor successful hunting; (c) elk must be available to hunters in portions of Unit 20 which are open to hunter access; and (d) no special season will be created under this regulation which would extend beyond February 15th.
3. Eligible hunters will be selected in the following priority: a) from the list of hunters who applied for a Unit 20 limited elk license and were unsuccessful; and b) from a new list of hunters established by the Division Northeast Regional office pursuant to notice in local newspapers. Such list will be established on a first-come, first-served basis.
4. Individuals who participate in this special hunt may also participate in any other season for elk if otherwise eligible to do so.

E. Special Hunting Licenses and Seasons For Deer and Elk in Urbanized Areas:

1. The Division Director (or designee) shall have the authority to establish special deer and elk hunting seasons between August 15 and February 28 annually to achieve population management objectives as specified in Division approved county or municipal management plans. Seasons shall be for the taking of antlerless animals unless the Director determines that the taking of antlered animals is necessary per the issues and goals brought forth in the Division approved management plan.
2. Counties or municipalities must submit a proposed management plan to the Division, which includes the following:
 - a. Explanation of the need and scope of the issues (i.e. habitat degradation, human conflicts, human health and safety issues, etc);
 - b. Estimated population of deer or elk creating the issue and a target population number being sought post removal;
 - c. Season dates;
 - d. Manner of take;
 - e. Numbers of licenses and projected harvest;
 - f. Geographic location and description of hunting area(s); and
 - g. Method for selecting eligible hunters.
3. Management plans will be evaluated on the merits of furthering goals for suburban deer or elk management and in relation to the appropriate Division Big Game Herd (DAU) Management Plan. The Director (or designee) shall provide the county or municipality with special application forms for distribution to individuals as specified within the submitted and approved management plan. Participants shall submit the completed application to the Division to obtain the appropriate hunting license.
4. The participating county or municipality will assume full responsibility for the plans and elements therein. The Division will be available to provide technical assistance to the county or municipality in preparing the management plan.
5. The county or municipality may not charge hunters a fee beyond what is required to cover their administrative costs to run the program.
6. All participating counties, municipalities and individuals are required to follow all applicable state statutes and regulations. No county or municipality will allow, encourage, or otherwise promote violations thereof.
7. The Division can unilaterally, without prior notification, terminate or void any applications given to a county or municipality prior to their redemption for a license for issues related to human health, safety, or any wildlife related violations associated with the management plan implementation, or documented deviation from the management plan as it was submitted to the Division. Management plans may be amended with Division approval.
8. Individuals who participate in these special hunts may also participate in any other season for deer or elk if otherwise eligible to do so.
9. Any county or municipality receiving licenses for a special hunting season for deer and elk in urbanized areas shall be required to complete a Division harvest survey form and return it to the Area office that is nearest to the location of the hunt no later than 5 days after the season ends.

#272 BIG GAME DISEASE/ANIMAL HEALTH SEASONS

1. Special Hunting Seasons for Disease Management in Big Game

- a. The Director shall have the authority to establish special hunting seasons for big game, when hunting harvest has not been adequate to reduce the incidence of disease, to reduce emigration of infected animals, or to otherwise control expansion of the disease.
1. No more than 200 licenses per species shall be issued annually per Game Management Unit (GMU) unless authorized by the Director
 2. Seasons shall be for the taking of antlerless or female animals unless the Director has authorized the issuance of male (antlered) licenses. No more than 10% of the licenses shall be issued for male (antlered) animals unless authorized by the Director.
 3. Licenses will be valid only in the unit(s) specified on the license. Licenses may be restricted to specific properties or areas as determined by the Area Wildlife Manager.
 4. License fees may be reduced when authorized by the Director, when necessary to ensure sufficient hunter participation, provided that no license is to be sold for less than \$5.00. License fees shall be set to ensure recovery of the cost of the retail and system agent commissions.
 5. Multiple carcass tags may be issued with each license, as authorized by the Director. Provided further that the payment of separate license fees shall be required if licenses for more than one species are to be sold.
 6. Any licensee who takes deer or elk during any such season for the purpose of Chronic Wasting Disease (CWD) management shall submit the head from all animals taken when required to do so as a condition of the license, to the testing site specified at the time the license is issued, within 5 days after harvest. Hunters must complete the special survey tag available at any head collection site and attach it to the animal's head. Antlers and capes from harvested deer may be removed by hunters before submitting heads for sampling.

ARTICLE XIII - VACANT

ARTICLE XIV - VACANT

Basis and Purpose:

These regulations amend Chapter W-2 – Big Game – of the Parks and Wildlife Commission Regulations and implement 2022 bighorn sheep, mountain goat, and mountain lion license numbers/harvest limits. They also amend season dates for the 2022 big game seasons. These regulations are designed to manage statewide big game herds at herd objective levels and provide a diversity of hunting recreation opportunities for resident and nonresident hunters throughout Colorado; to minimize or control local game damage situations; and to provide opportunity for landowners to cooperatively manage wildlife with the Division. These regulations are the result of extensive public involvement and application of biological information on deer, elk, pronghorn, bear, lion, and moose. All regulation changes are based on the best available biological information and are designed to manage big game herds towards stated objectives and to ensure long-term viability. Specific changes include:

Multiple Species

- **Clarifying that youth-only hunt codes also fall into the youth preference draw and the same hunt code choice stipulations for youth preference apply (page 10).**

These changes clarify that youth only hunt codes also fall into the youth preference draw, correcting a previous inconsistency with regulation #206.B.4.d.1.

- **Excluding five preference point or more licenses and public Ranching for Wildlife licenses returned or not paid for in the Primary Draw from the Secondary Draw (pages 17-18).**

This change corrects a conflict between regulations #206.B.7.a and #1670.A.9.a and #1670.A.9.c by amending #206.B.7.a to exempt licenses that require five or more resident preference points and Ranching for Wildlife licenses from this rule. Additionally all references to the leftover draw have been removed as that was replaced by the Secondary Draw.

- **Modifying regulations related to the process and application deadline for the hunting access permit drawing on the James M. John SWA (pages 19-20).**

Previously because of the timing of the access permit drawing, hunters obtaining limited Game Management Unit 140 licenses for elk or deer through the Secondary Draw or as leftovers could not apply for the James M. John SWA access permit. This change removes the July 1 deadline and simplifies the application process, while also clarifying that only 12 hunters per season are allowed.

- **Amending fluorescent orange/pink requirements during the overlapping archery and muzzleloader seasons (page 20).**

To address safety concerns related to the overlapping archery and muzzleloader seasons, a regulation was added requiring archery deer, elk, bear and moose hunters to wear solid daylight fluorescent orange or fluorescent pink during the period of overlap during the September archery and muzzleloader seasons on public land west of 1-25 only. This includes a minimum of 500 square inches of solid orange or pink that must be worn as an outer garment above the waist, part of which must be a head covering visible from all directions.

Sheep

- **Creating two ram sheep seasons in sheep Game Management Unit S16 (page 39).**

There have been reports of hunters using the same area and often coming into conflict with one another in S-16. To address this issue while still maintaining a quality hunt, two ram seasons have been created in S-16. The first season is a split season with the first split starting the Saturday a week before Labor Day weekend and running 12 days, ending on a Wednesday. The second split begins the third Saturday after Labor Day and runs 16 days, ending on Sunday. The second season starts the Saturday after Labor Day and runs 30 days, ending on Sunday.

- **Replacing the individual ram bighorn sheep hunt code for S-19 with an either sex hunt code (page 39).**

Many of the sheep in the S-19 herd spend the majority of their lives inside Rocky Mountain National Park boundaries making them unavailable for hunter harvest. Wildlife managers and biologists feel that S-19 can safely tolerate a conservative annual ewe harvest. Therefore, the existing S-19 ram license has been replaced with an either-sex license, which provides greater opportunity for hunters to fill their tag.

- **Modifying the sheep Game Management Unit S54 hunt codes by shifting archery season to be a later and changing the rifle sub-unit boundary to match the West Elk Wilderness boundary (page 45).**

Hunters have had difficulties locating bighorn sheep in GMU S-54 in recent years due to the terrain and other factors despite a growing population size. Previously, the archery season took place in August when rams are still consolidated into large groups and are difficult to locate. To help improve the odds of hunters locating and potentially harvesting rams, the archery season has been shifted to after the S-54 rifle hunting season. Also, the S-54 rifle sub-unit boundary has been changed to make it less confusing and align with the well-marked West Elk Wilderness border.

Bear

- **Creating an over the counter private land only rifle bear season for units 4, 5, 12, 13, 14, 23, 24, 33, 214, and 441 from October 1 through the end of the concurrent 4th rifle season (page 69).**

These changes allow for additional bear hunting opportunity and harvest on private lands in GMUs 4, 5, 12, 13, 14, 23, 24, 33, 214 and 441 where a significant amount of game damage occurs.

Deer

- **Creating new deer hunt codes for Game Management Units (GMUs) 122, 125, 126, 127, 129, 130, 132, 137, 138, 139, 143, 144, 145, and 146 (throughout deer section).**

The boundaries for the D-28 and D-33 Data Analysis Units (DAU) have changed, resulting in new hunt code groupings for several impacted GMUs. These changes help to: align hunt codes groups with planned DAU boundary amendments; pair GMUs on either side of the Arkansas River; combine GMUs that have shared habitats, drainages, and/or distinct subpopulations; and separate GMUs that can be surveyed by helicopter from those that cannot.

- **Adding 2nd and 3rd rifle season doe hunt codes DF054O2R and DF054O3R. (pages 10 and 97)**

The deer population in Data Analysis Unit D-21 has seen rapid growth in the last four years and 2nd and 3rd rifle season doe hunt codes have been added to help manage the population. This also provides additional opportunity for youth hunters, as it falls within regulation #206.B.4.d.2, which gives 50% of doe licenses to youth in this GMU.

- **Adding Private Land Only doe hunt codes for Game Management Unit 72 (page 113).**

The deer population within GMU 72 is over objective and a substantial portion of the increase in population is occurring on private agricultural land. As a result, private land only, antlerless hunt codes for second, third, and fourth rifle seasons have been created to address population management objectives and damage conflicts on private lands.

Elk

- **Limiting archery elk licenses in Game Management Units 80 and 81 (pages 118 and 119).**

Since 2005, staff have taken steps to stabilize the elk population in E-32, including decreasing limited antlerless rifle and muzzleloader licenses. Meanwhile, there has been a significant increase in the number of archery hunters in these units, often leading to overcrowding. There have also been continuing issues with poor calf to cow ratios. As a result, limited, either-sex archery licenses have been created for GMUs 80 and 81 and GMUs 80 and 81 have been removed from the over the counter, either-sex hunt code (EE000U1A) to address these biological and social issues.

- **Removing over the counter antlerless hunt codes for Game Management Units 14 and 214 (pages 2 and 118).**

Due to increasing pressure from archery hunters and decreasing harvest success, as well as heavy outdoor recreation use, and decreasing calf to cow ratios, GMUs 14 and 214 have been removed from the valid units included in that over the counter archery antlerless elk hunt code (EF000U1A). Over the counter, either sex licenses are still be available for GMU 14 and 214 (EE000U1A). In addition, these GMUs have been removed from List B.

- **Eliminating hunt codes EF073P5R, EF077P5R, and EM74104R (pages 149, 156).**

These changes help to simplify regulations by eliminating hunt codes that are no longer needed. In 2021, EF073P5R only had 10 licenses and EF077P5R only had 20 licenses. EM74104R is similar to the hunt code EM074O4R and no longer needed.

- **Extending the E-3 antlerless elk Private Land Only season dates for hunt code EF006P5R (pages 150, 151, 157).**

The elk population in Data Analysis Unit (DAU) E-3 is above objective, and elk damage to standing hay crops has been a longstanding issue. To address the damage issue an early antlerless Private Land Only season was initiated. However, agriculture producers also experience elk damage on stacked hay in the winter months. To help alleviate this problem, the early Private Land Only season has been extended to January 31 instead of September 30. Additionally, several antlerless elk Private Land Only hunt codes spanning different Game Management Units within the DAU have been combined together for simplicity.

- **Clarifying regulations related to National Wildlife Refuge hunting permits (page 164).**

These changes correct out-of-date language and clarify the process for awarding permits.

Pronghorn

- **Modifying the hunt code structure for muzzleloader season in pronghorn DAU PH30 (page 168).**

The muzzleloader hunt codes in DAU PH-30 have been modified to mirror the GMU groupings for the archery and rifle seasons by separating the single hunt code into two hunt codes. This helps to limit confusion and allows staff to fine-tune the allocation of licenses between units.

Moose

- **Removing Game Management Units 51, 59, 511, and 581 from current hunt codes MM050 and MF050 and creating new moose hunt codes including GMUs 51, 59, 511, and 581 (pages 184, 190).**

When the MM050 and MF050 hunt codes were established in 2020, GMUs 50, 501 and 4 new units (GMUs 51, 59, 511, and 581) were combined into those hunt codes. Staff assumed the four licenses offered would be used across the units, but all harvest occurred in GMU 501. Because staff expect that pressure in GMU 501 will continue, the GMUs have been separated into different hunt codes for GMU 50 and 501 and for GMUs 51, 59, 511, and 581.

- **Adding a cow moose hunt code for Game Management Unit 55 (page 185).**

Moose in GMU 55 have been expanding in population and staff now believe the herd may be exceeding carrying capacity. Bull moose hunting is currently available in all GMUs surrounding GMU 55 and in GMU 55, where the quota has been increasing over the past decade. As a result, an antlerless moose hunt code has been added for GMU 55.

- **Adding antlered moose hunt codes for Game Management Units 4 and 5 (page 188).**

Previously the moose population in GMUs 4 and 5 was relatively small, but moose have expanded into these GMUs from more established populations nearby. Staff believe the presence of this new population allows for more moose hunting opportunities. Therefore, GMUs 4 and 5 have been added to the existing GMU 14 antlered moose hunt code.

Administrative Clean-ups

- Clarifying the exception for Ranching for Wildlife licenses from the List B bear licenses (page 4).
- Removing the reference to Trinchera Ranch from regulation #210 (Ranching for Wildlife), as it has withdrawn from the Ranching for Wildlife Program (page 27).
