Special activities shall require prior approval in the form of a special-activities permit. Applications thereof generally shall be made to the Park Manager or Operational Manager at least ninety (90) days prior to the event or activity. Such application must be accompanied by the appropriate application filing fee. This requirement for an application to be filed ninety days prior to an event will be waived in rare circumstances where arrangements can be made in a shorter time without putting undue administrative burden on the Park Manager or Operational Manager, or when no special arrangements are necessary. The Park Manager may impose additional items, conditions and charges in connection with the permit as reasonably necessary to offset the administrative burden, costs or risks associated with the proposed activities. The Park Manager may retain third party consultants to evaluate the potential adverse impacts of the proposed activity and develop appropriate strategies to offset or mitigate such risks. The applicant shall be notified if the Park Manager decides to retain a consultant, shall be given the opportunity to provide input concerning consultant selection and scope of work. The applicant shall be responsible for the actual costs associated with this consultant review.

Otherwise, the Regional Manager shall make the decision of whether to approve the permits. The decision of whether to approve special activities permits will be based on the impact on park values and/or the health, safety and welfare of park visitors and other affected persons, and also will be based on:
 - a. The nature of the park or recreation area and the types of recreational opportunities/resources it is intended to provide the public
 - b. The carrying capacity of the facility or facilities to be utilized during the special activity compared to:
 - (1) The total number of park visitors (including participants and spectators in the special activity) expected to utilize such facilities; and

- (2) The total number of vehicles, vessels or persons expected to participate in or be attracted to such activities.
 - c. The extent to which the special activity will contribute to the variety of outdoor recreational opportunities available to the people of this state and its visitors.
 - d. The extent to which the activity places an administrative burden on the staff of the park area.

The Park Manager or Operational Manager shall publish notice of both the written comment period and the meeting at least once in a newspaper of general circulation in the county or counties wherein said park or recreation area is located. The meeting shall be conducted by the Division representative responsible for the permit issuance decision and shall be held either at the park or recreation area, or within a county in which the park or recreation area is located. Such public meeting is not intended to be an adjudicatory licensing hearing under the provisions of the Colorado Administrative Procedures Act, but only as an opportunity for public comment.

 5. Upon written request, the Division shall waive the requirement for a parks pass for those vehicles when all the occupants are entering state recreation areas and state parks for the purpose of administering permitted special activities and not for the purpose of their own recreation.

This permission shall apply only to groups of twenty or more persons.
 7. Nothing in this regulation impairs the specific authority of the Commission pursuant to 33-10-107(1)(d) C.R.S. to enter into cooperative agreements for the development and promotion of Division programs, or the general authority of the Commission pursuant to 33-10-106 C.R.S. to manage all state recreation areas and state parks for both commercial and noncommercial purposes. The authority granted to park managers and regional managers is intended to allow them to address events of limited and local impact, and is specifically intended to coexist with, and not to exclude, the Commission's statutory authorities.

Updating the income requirements for the Centennial Pass to correspond with the requirements of other low-income licenses and passes offered by the Division

The income requirements for the Centennial annual parks pass have been updated to incorporate the most recent version of the income guidelines set forth in the Annual Update of the HHS Poverty Guidelines, 87 Fed. Reg. 3315 (January 12, 2022) issued by the U.S. Department of Health and Human Services. These income requirements correspond to the requirements of other low-income licenses and passes offered by the Division.

Setting the Keep Colorado Wild annual pass price at \$29

CPW will offer the Keep Colorado Wild annual pass, as provided in § 33-12-108, available for purchase through the Colorado Department of Revenue vehicle registration process starting with January 2023 vehicle registrations. Because of the system programming requirements related to selling this pass in partnership with the Colorado Department of Revenue and the Division of Motor Vehicles, its price has been set in advance of its sale date. The price of the Keep Colorado Wild annual pass has been set at \$29, in accordance with research conducted on Coloradans willingness to pay, revenue projections, and anticipated increases in demand for facilities and staffing due to projected increases in state park visitation.
