Subject: Herd Management Plan Presentations for the November 17-18 Meeting

At the November 17-18 Parks and Wildlife Commission meeting, Terrestrial staff will be presenting 3 draft Herd Management Plans (HMPs). Biologists have pre-recorded their presentations for viewing by both Commissioners and the public ahead of the November Commission meeting. Each of the 5-10 minute HMP presentations can be viewed individually by clicking the titles below. Presentations will not be shown during the meeting, but there will be 10 minutes scheduled for each draft HMP to address questions or comments that Commissioners or the public may have. If you have questions on the draft HMP or presentations, it would be helpful if you emailed the biologists ahead of the meeting so they could prepare a thorough response.
