

MAKE A LEAF BRACELET

Use fallen leaves to make a bracelet! This is a very simple craft that kids and adults alike will enjoy.

Materials

- Masking Tape
- Brightly colored fall leaves

Instructions

1. Collect different kinds of fallen leaves from your backyard. The more colorful the better.
2. Break the leaves apart into pieces.
3. Form a bracelet with a piece of masking tape, sticky side out. Make sure that the bracelet will slide over the hand.
4. Arrange the leaf pieces on the bracelet in any design you like. Be creative!
