1. Baker Ranch Stackyard Gates- Jennifer Baker presented a project requesting new gates for a ranch stackyard to serve as a fix for the upcoming winter season. The CPW Game Damage program was unable to provide solely gates for the stackyard. The committee expressed concerns with the stackyard fence being too low and that the hay was stacked too close to the fence. The committee shared that the landowner should consider applying for a new Game Damage stackyard next year but was in support of new gates to assist for this season. A quote was provided from Northwest Ranch Supply for the 2 new gates requested. The project was approved for the 2 gates for up to \$2,090.00.
