Passes that are designed to be affixed to the windshield shall be attached to the extreme lower right-hand corner of the vehicle's windshield in a position so that the pass may be observed and identified. A state parks annual transferable pass must be hung from the rear-view mirror so that the pass may be observed and identified. SPECIAL ACTIVITIES

#703 - SPECIAL ACTIVITIES REQUIRING PERMITS

1. "Special activities" means events or activities which have the potential for an adverse impact on park values or health, safety or welfare of park visitors or which may otherwise require special planning/scheduling for proper management. Special activities shall require prior approval in the form of a special-activities permit. Applications thereof generally shall be made to the Park Manager or Operational Manager at least ninety (90) days prior to the event or activity. Such application must be accompanied by the appropriate application filing fee. This requirement for an application to be filed ninety days prior to an event will be waived in rare circumstances where arrangements can be made in a shorter time without putting undue administrative burden on the Park Manager or Operational Manager, or when no special arrangements are necessary. The Park Manager may impose additional items, conditions and charges in connection with the permit as reasonably necessary to offset the administrative burden, costs or risks associated with the proposed activities. The Park Manager may retain third party consultants to evaluate the potential adverse impacts of the proposed activity and develop appropriate strategies to offset or mitigate such risks. The applicant shall be notified if the Park Manager decides to retain a consultant, shall be given the opportunity to provide input concerning consultant selection and scope of work. The applicant shall be responsible for the actual costs associated with this consultant review.

2. The decision of whether to approve special activity permits will be made by the Park Manager or Operational Manager when it is determined that the special activities will not involve the use of a park or recreation area by a group of persons totaling more than the park or recreation area's established carrying capacity. Otherwise, the Regional Manager shall make the decision of whether to approve the permits. The decision of whether to approve special activities permits will be based on the impact on park values and/or the health, safety and welfare of park visitors and other affected persons, and also will be based on:
 - a. The nature of the park or recreation area and the types of recreational opportunities/resources it is intended to provide the public
 - b. The carrying capacity of the facility or facilities to be utilized during the special activity compared to:
 - (1) The total number of park visitors (including participants and spectators in the special activity) expected to utilize such facilities; and
 - (2) The total number of vehicles, vessels or persons expected to participate in or be attracted to such activities.
 - c. The extent to which the special activity will contribute to the variety of outdoor recreational opportunities available to the people of this state and its visitors.
 - d. The extent to which the activity places an administrative burden on the staff of the park area.
3. Whenever it is determined that any special activity will involve the use of a park or recreation area by a group of persons totaling more than the park's or recreation area's established carrying capacity a thirty day written public comment period and a public meeting shall be required prior to the granting of a permit. The Park Manager or Operational Manager shall publish notice of both the written comment period and the meeting at least once in a newspaper of general circulation in the county or counties wherein said park or recreation area is located. The meeting shall be conducted by the Division representative responsible for the permit issuance decision and shall be held either at the park or recreation area, or within a county in which the park or recreation area is located. Such public meeting is not intended to be an adjudicatory licensing hearing under the provisions of the Colorado Administrative Procedures Act, but only as an opportunity for public comment.
4. Every decision respecting the grant, denial, revocation, suspension, annulment, limitation or modification of a special activity permit is subject to § 24-4-104, C.R.S.
5. Upon written request, the Division shall waive the requirement for a parks pass for those vehicles when all the occupants are entering state recreation areas and state parks for the purpose of administering permitted special activities and not for the purpose of their own recreation.
6. For special activities where the Division representative responsible for the permit issuance decision determines it will be a greater administrative ease for the Division to administer the activity, an alternative fee of \$4.00 per person per day may be charged for admission of persons attending or participating in the special activity. This permission shall apply only to groups of twenty or more persons.
7. Nothing in this regulation impairs the specific authority of the Commission pursuant to 33-10-107(1)(d) C.R.S. to enter into cooperative agreements for the development and promotion of Division programs, or the general authority of the Commission pursuant to 33-10-106 C.R.S. to

manage all state recreation areas and state parks for both commercial and noncommercial purposes. - (4) If, at a later date, an applicant's payment of the HUP fee is found to be insufficient due to payment stops, insufficient funds or any other reason, an HUP will not be issued to them. And, if an HUP had been issued prior to CPW discovering the insufficient payment, that permit will be voided.

- (1) Colorado Parks and Wildlife deems hunting activities on the Green Ranch portion of Golden Gate Canyon State Park as those which currently require "special planning and/or scheduling for proper management." Therefore, the Division issues special use permits to visitors wishing to engage in hunting on the Green Ranch portion of the park.
- (2) The maximum number of approved hunting special use permits (HUPs) for the Green Ranch on Golden Gate Canyon State Park at any one time during the 2003 big game season is as follows:

- (5) If, at a later date, an applicant's payment of the HUP fee is found to be insufficient due to payment stops, insufficient funds or any other reason, an HUP will not be issued to them. If an HUP had been issued prior to CPW discovering the insufficient payment, that permit will be voided.

C. Allocation of permits

- (1) Advertising: it shall be the responsibility of the park manager or his/her designee to advertise the availability of the HUPs for the Green Ranch through normal media and internet formats.

- (6) If additional information is needed to process the permit application, the park manager or his/her designee will make reasonable attempts to contact the applicant to rectify the application.

There will be one random drawing for each of the six seasons on the Green Ranch: pre-muzzleloading archery, muzzleloading, post-muzzleloading archery, 1st separate limited elk, 2nd combined deer and elk, 3rd combined deer and elk, and 4th combined deer and elk. Permits will be issued up to the numbers outlined in this regulation, #711.2.a.
