2019 Colorado the Beautiful Non-Motorized Trail Grant Summaries

Project Number/Region	Project Name	Project Sponsor	Grant Type	Amount Requested	Total Cost
#1 – SE	Methodist Mountain Trail	Salida Mountain Trails	Const.	\$269,951.00	\$351,733.79
Description	Create two new connections to the Rainbow Trail and improve access to the trails from downtown Salida by constructing 6 miles of new multi-use, NM trails, reconstructing 5 miles of existing trails, building a new trailhead parking lot, and adding signage.				
#2 – NW	Lunch Loop Connector Trail	City of Grand Junction	Const.	\$400,000.00	\$2,534,645.00
Description	Connect the Colorado Riverfront Trail to the Lunch Loop Connector Trail system by constructing a concrete trail starting 1.5 miles from downtown at Monument Rd.				
#3 – NE	Peaks to Plains Trail Phase 2	Clear Creek County	Const.	\$500,000.00	\$4,174,049.60
Description	Phase 2 will extend the concrete trail recently constructed during phase 1 by .75 miles upstream from the current end at the Oxbow parking lot to increase connectivity along the creek avoiding US 6 and bypassing tunnel 6.				
#4 – NW	LOVA-New Castle-Canyon Creek	Town of New Castle	Const.	\$500,000.00	\$655,000.00
Description	Construct 1.65 miles of trail along the south side of the Colorado River with a bridge, rock scaling and rock mitigation, and an underpass to connect New Castle to Canyon Creek.				
#5 - SE	Stage and Rail Trail	Chaffee County	Const.	\$205,400.00	\$522,977.67
Description	Construct a 1.9 mile asphalt path to connect the Buena Vista to Johnson Village, improve trail and trailhead areas from the north end of Buena Vista to the south end of Granite with new signage.				
#6 - NW	Palisade Plunge Phase 1	Mesa County	Const.	\$527,000.00	\$685,249.08
Description	Create 13.5 miles of single track trail and rework the existing paved path near N. River Rd. and US Hwy 6. to connect existing trail networks to the Powderhorn Mountain Resort.				
#7 – SE	Legacy Loop – Rock Island Trail	Colo Springs Parks, Rec & Cultural Services	Const.	\$500,000.00	\$1,436,760.00
Description	Construct .62 miles of trail to link the Rock Island Trail to the Pikes Peak Greenway, providing an east-west connection with the “spine” of the community’s urban trail network.				
#8 – NW	Fremont Pass Recreation Pathway	Summit County Open Space Trails	Const.	\$600,000.00	\$5,578,760.00
Description	Construct 3.3 miles of paved multi-modal grade Recpath from Copper Mountain, bypassing Hwy 91, to the northern property limit of Climax Mine.				
#9 – NE	Heron/Heller/Carpio-Park Phase 1	City /County of Denver – Parks and Recreation	Const.	\$500,000.00	\$1,203,571.00
Description	Construct .8 miles of concrete and .5 miles of multi-use trails, providing loops to amenities within the parks and connecting Globeville with the South Platte Regional Trail System.				
#10 – NW	Fish Creek Underpass Trail	City of Steamboat Springs	Const.	\$310,000.00	\$682,000.00
Description	Construct .165 miles of trail to connect the Yampa River Core Trail with the Fish Creek Trail System through an existing box culvert underneath Hwy. 40.				
#11 – NE	Great Western Trail	Great Western Trail Authority	Const.	\$250,000.00	\$1,456,250.00
Description	Transform 7 miles of abandoned railway corridor into a recreational trail connecting Eaton to Severance, joining the 3 miles of trail previously completed in 2014.
