PROJECT DETAILS

Organization

Project title

Match: Our entity is aware that LWCF is a 1:1 matching grant program and that match is available. Our entity is aware that failure to spend the minimum match amount listed in the project budget will reduce the amount of grant funds.

Reimbursement: Our entity is aware that LWCF uses a reimbursement model where grantees incur project costs before seeking reimbursement from CPW. Reimbursement requires submission of invoices, proof of payment and progress reports. Project costs (including match) must be incurred during the CPW contract period unless marked 'pre-award' on the project budget or a Waiver of Retroactivity applies.

Laws and regulations: Our entity will adhere to all applicable local, state and federal laws and regulations, as well as guidelines governing the LWCF program. This includes Build America Buy America (BABA).

LWCF boundary area: Properties receiving LWCF assistance must be maintained in perpetuity for public outdoor recreation. Our entity certifies that it shall record that the property has been dedicated to public outdoor recreation in perpetuity as per the LWCF Act on the real property title, prior to final reimbursement under this program.

Inspections: LWCF-assisted properties will be inspected at least once every five years after project completion by CPW and/or National Park Service (NPS) staff. If non-public recreation use is discovered, or is proposed on the property, our entity will work with State and/or NPS LWCF staff to determine and resolve any potential conversion issues.
