#901.A: On all Division properties which have reservations available or required, those reservations may be made by phone or online (cpw.state.co.us). Reservations for small game and waterfowl hunting may not be made more than 14 days in advance of the hunt date, nor after 12:00 noon on the day before the hunt date. Reservations for big game hunting may not be made more than 45 days in advance of the start of the season for which the reservation is being made. Unless otherwise specified, reservations for big game hunting are valid throughout the season designated by the license. Hunters who wish to cancel a reservation must do so no later than 12:00 noon on the day before the hunt date. Failure to hunt a reserved area without prior cancellation, or follow check station procedures, may cause forfeiture of the privilege to make reservations for the remainder of the hunting season. Hunters are limited to a maximum of one reservation per hunt date. Hunters must possess a valid license for the species to be hunted in order to make a reservation. Reservations are not transferable. The individual named on the reservation must be at the property on the day of the hunt. Hunters with reservations may only hunt the hunt area specified on the reservation. Any exceptions to the above restrictions will be listed under property specific regulations.
