Regulations:

In addition to or in place of those restrictions listed in regulation #900 the listed regulations apply (see Chapter 9, <https://cpw.state.co.us/aboutus/Pages/Regulations.aspx>).

- A. Hunting access is allowed by permit only. Hunters must have a valid license for their activity prior to applying for a permit. Permit holders shall have their permit on their person at all times while on the property. Permits may designate specific geographic hunting zones; in this case permits are restricted to the listed zone and are not valid property-wide. Access permits for hunters will be issued free of charge. Permits may be obtained via a drawing process. Permits on the Woodard Unit will be issued with priority given to mobility-impaired hunters and youth (accompanied by one hunting mentor). Applications are available from the CPW in Denver (303)291-7227. Application due dates are as follows: 1. Applications for fall hunting access are due the 3rd Monday in August. 2. Spring turkey applications are due the 3rd Monday in March.
- B. Hunting is restricted to dove, turkey, doe pronghorn, antlerless elk, antlerless white-tailed deer, and antlerless mule deer. Hunting on the Woodard Unit is restricted to waterfowl, small game (excluding dove, turkey, and coyote), doe pronghorn, antlerless mule deer, and antlerless white-tailed deer.
- C. Permitted hunters may take one other person (an observer) who is not hunting with them onto the property; however that person must remain with the permit holder at all times. On the Woodard Unit, a mobility-impaired person may bring two non-hunting companions.
- D. Permitted hunters may not enter the property prior to the first Monday after the opening day of their individual season. Permits valid for hunting dove, wild turkey, or that are valid for the Woodard Unit only, may access the property on opening day of their season.
- E. Vehicular access to the property is restricted. Motor vehicle use is only allowed on marked existing roadways that lead to marked parking areas. All other access is restricted to foot and horseback only. On the Woodard Unit, mobility-impaired hunters are allowed to use an Off-highway vehicle (OHV) for hunting and game retrieval as specified on their permit.
- F. All gates on the property shall be left in the condition in which they are found after passing through the gateway.
- G. Public access is allowed from two hours prior to sunrise to one hour after sunset except that when an animal is harvested the successful hunter is allowed to remain as long as is necessary to remove the animal.
- H. Dogs are prohibited on the Woodard Unit.
